Rabe, 1964 Currents of Comedy on the American Screen Nicholas Laham, 2014-01-10 This book analyzes the evolution of film and television comedy from the 1930s through the present defining five distinct periods and discussing the dominant comedic trends of each Chapters cover the period spanning 1934 to 1942 defined by screwball comedies that offered distraction from the Great Depression the suspense comedy reflecting America s darker worldview during World War II the 1950s battle of the sexes comedy the shift from the physical exaggerated comedy of the 1950s to more realistic plotlines and the new suspense comedy of the 1970s and 1980s focusing on the popular dumb cop or dumb spy series along with modern remakes including 2006 s The Pink Panther and 2008 s Get Smart **Lancashire, Where Women Die of Love** Charles Nevin, 2013-03-21 Enough For far too long Lancashire has languished under the grimy pall of smoke and muck and mills and mines enveloped in outdated condescensions smothered by the easy dismissals that put down the north of England as just up there and grim Thank you very much George Orwell Monty Python and every London cabbie But Lancashire is not up there Lancs is actually situated in the centre of the British Isles And far from being grim it is a place of wit and wonder romance and surprise a land of exotic influence whose people have always looked outward to sophistications and influences beyond frontiers and seas Indeed French writer Honor de Balzac recognised these affinities and yearnings in the Lancashire people when he had one of his characters declare that Lancashire is the county where women die of love Mock if you like but then think about it where is the magnificent thoroughfare that inspired the boulevards of Paris Where did they go to film Brief Encounter the most romantic British film ever made Where did the young Shakespeare dream of and draw on for his inspired imaginings Join Charles Nevin Fleet Street journalist and humorist as he returns to his roots and reveals all this and more Discover the true Camelot and the beauty that is rugby league See where Lancastrians go to die but first visit Lost Lancashire and its great twin cities Manchester and Liverpool Mull over why Britain s greatest comics from Laurel to Coogan Formby to Vegas Dodd to Kay Fields to Wood Morecambe and Dawson have all come from Lancs Mere coincidence Give over and read on **The Funniest People in Comedy and Relationships: 500 Anecdotes** David Bruce, 2006-09-01 This book contains such anecdotes as these 1 In his Answer Man column film critic Roger Ebert answered a question by Matt Sandler about who was the world s most beautiful woman by saying that she was Indian actress Aishwarya Rai In a later Answer Man column a reader stated that Mr Ebert should have answered the question by saying My

wife However Mr Ebert had a good reason for not answering the question that way Matt Sandler asked about women not goddesses 2 To advertise its Razzles candy Mars Candy decided to use a Cleveland Ohio show in which comedian Ron Sweed aka The Ghoul hosted several mostly bad horror movies The Ghoul criticized the candy for weeks and the more he criticized it the more its sales went up In gratitude Mars Candy delivered a case of Razzles to The Ghoul The case of candy remained on the set of The Ghoul s show for year unopened What Was The Film When? has never been a fully researched definitive narrative biography of the duo from birth to death Louvish traces the early lives of Stanley Jefferson and Norvell Hardy and the surrounding minstrel and variety theatre which influenced all of their later work Louvish examines the rarely seen solo films of both our heroes prior to their serendipitous pairing in 1927 in the long lost short Duck Soup The inspired casting teamed them until their last days Both often married they found balancing their personal and professional lives a nearly impossible feat Between 1927 and 1938 they were able to successfully bridge the gap between silent and sound films which tripped up most of their prominent colleagues Their Hal Roach and MGM films were brilliant but their move in 1941 to Twentieth Century Fox proved disastrous with the nine films made there ranking as some of the most embarrassing moments of cinematic history In spite of this Laurel and Hardy survived as exemplars of lasting genius and their influence is seen to this day The clowns were elusive behind their masks but now Simon Louvish can finally reveal their full and complex humanity and their passionate devotion to their art In Stan and Ollie The Roots of Comedy The Double Life of Laurel and Hardy Louvish has seamlessly woven tireless and thorough research into an authoritative biography of these two important and influential Hollywood pioneers

This study questions the widely held perception that books as an artistic medium are superior to and more respectable than film or television sometimes considered frivolous and pernicious Criticism of both the big and small screens often obscures their signal accomplishments and the entertainment and insight they provide The author analyzes our distaste for these media and the romanticizing of the printed word that accompanies it and argues that books and films are in fact quite complementary A broad survey of film and TV offerings explores what enacted narratives have taught us about the nature of childhood
