The Grace of Incorruption Donald Sheehan, 2014-03-01 Professor and scholar teacher of poets and poetry and convert to Eastern Orthodoxy Donald Sheehan wrote these wide ranging essays with a common commitment to understanding the ways in which the ruining oppositions of our experience can be held within the disciplines of lyric art held until God Himself can be seen in the ruins and overwhelmingly and gratefully loved That is what Sheehan means by the grace of incorruption Part One weaves together themes from Sheehan s life and pilgrimages the spiritual art of Orthodox Saints Gregory of Nyssa Isaac and Ephraim of Syria and others the literary art of Dostoevsky Frost Salinger and contemporary poets including Jane Kenyon and the philosophy of Ren Girard examining the nature of penitence prayer personhood freedom depression and the right relationship to the earth Part Two delves into the poetics of The Psalms especially LXX 118 a poetics of resurrection I am dead certain that my response to this volume will chime with those of others whose work is held up to the light in *The Grace of Incorruption* In one beautiful sentence after another we must share the uncanny sense of never having understood our own hearts not until we saw them reflected in the great heart and mind of this nonpareil commentator Don Sheehan did not merely understand poetry it was part and parcel of his own great soul Sydney Lea Vermont Poet Laureate This was a very difficult book for me to read as now and again my own tears blinded me to the page and my own sobbing shook the papers in my hands That is to say that Donald Sheehan s journey through both brokenness and beauty to a deep and healing calm is at once personal and universal With a poet s visionary prose a scholar s acuity and a pilgrim s devotion Donald Sheehan offers his reader access to the profound compelling stillness at the heart of all things He proves an exceedingly good guide along the way Scott Cairns author of *Slow Pilgrim* Collected Poems In this beautiful book Dostoyevsky Orthodox liturgy and Holy Fathers ancient and modern converse with Shakespeare Frost Salinger Jane Kenyon and Ren Girard sharing insight into such realities as memory violence depression stillness self emptying love personhood and the anthropology of the Cross This conversation a spiritual ecumenism effected in art gathers finally round the heart and source of all tradition of poetry and prayer in Christian East and West alike the Psalms of David Orthodox Christian contributions to Anglophone poetry and poetics are few Don Sheehan was not only a fine interpreter of poetry but a poet himself working in the medium of prose The philosopher Malebranche famously wrote that attentiveness is the natural prayer of the soul and the Orthodox liturgy bids us continually to be attentive The essays in this volume capture that spirit of loving attentiveness never lacking in form for

Lightner,2007-01-15 In his Gospel John presented Jesus as the Son of God by painting portraits pictures of him The author of this volume displays twenty nine of these portraits for us to look at and even study The reader who observes these portraits carefully will come to know the Lord Jesus Christ in new and deeper ways After each portrait is examined there are applications for daily living and simple study questions drawn from the portrait This book is all about Jesus the Living Word set forth in the Written Word and is intended for individual and group use **The Pillars of Christian Character** John MacArthur,1998-05-13 To love God with all your heart with all your understanding and with all your strength and to love your neighbor as yourself is more important than all burnt offerings and sacrifices Jesus words in Mark 12 33 Without question the crucial issue in living the Christian life is the condition of your heart Actions may be temporarily deceiving but ultimately our outward behavior will reflect what s inside because our internal attitudes form who we really are Those inner attitudes are also what God deems most important In this book one of Christianity s most respected Bible teachers and pastors examines the foundational attitudes or pillars of Christian character as outlined in God s Word Pillars such as genuine faith obedience humility selfless love forgiveness self discipline gratitude and worship To some degree each trait on its own marks a person as one of God s own and reveals an active living faith Each is an essential element of mature Christianity But there is transforming power when you combine them in your everyday living as God commands Your character will be grounded in godliness you will see things from an eternal perspective and your faith your actions your witness to others will be revitalized from the inside out

Walking with God Day by Day Martyn Lloyd-Jones,2013-05-31 Be devoted to God with your heart and your mind Do you look to devotional books for guidance as you seek to focus your heart on the Lord each day If you do you know that too often devotional material fails to engage the mind in addition to the heart Touching stories replace the very source of lasting encouragement and strength we need each day the truth of the Word of God But this is never true of Dr Martyn Lloyd Jones s writing *Walking with God Day by Day* offers brief daily devotionals that engage the mind and the heart You will not just find spiritual nourishment in its pages you will learn about God and the great themes of the Bible Robert Backhouse has compiled excerpts from choice passages in the writings of Dr Lloyd Jones according to monthly themes By reading this devotional you will grow in your understanding of God and learn to apply the truth of His Word day by day **The Institute Tie** ,1909

St. Andrew's Cross ,1910 **With Christ in the School of Prayer** Andrew Murray,2019-01-01 This book has been

written with a deep impression that the place and power of prayer in the Christian life is too little understood I feel sure that as long as we look on prayer solely as the means of maintaining our own Christian life we shall not know fully what it is meant to be But when we learn to regard it as the highest part of the work entrusted to us the root and strength of all other work we shall see that we need nothing more than to study and practice the art of praying If I have succeeded in pointing out the progressive teaching of our Lord in regard to prayer and the distinct reference of His wonderful promises of His last night to the works we are to do in His name to the greater works and the bearing of much fruit we shall all admit that only when the church gives herself up to this holy work of intercession can she expect the power of Christ to manifest itself on her behalf I pray that God will use this book to explain to some of His children the wonderful place of power and influence that He is waiting for them to occupy and that a weary world is waiting for too Andrew Murray
