Parenting The Highest Calling Great Parents Make Great Kids:

Parenting James Maggart, 2003-02-11 The world is changing rapidly Technology and information have made the world a smaller place These changes have made the job of parenting an effort requiring education and support Parents are forced to raise their children without the skills needed in our modern world In *Parenting The Highest Calling* you have all of the information to get started in your parenting process with sound fundamentals The three steps for a solid parenting foundation the four areas of balance for building identity and character and the implementation tools bring the parenting function in focus for the parent The book is written to be read in a short amount of time so that it can be absorbed in its entirety After reading parents can plan a program for their children to suit their own parenting style For more parenting guidance contact www.thehighestcalling.com

Parenting James E. Maggart, 2003 **How Good Parents Raise Great Kids** Alan Davidson, Robert Davidson, 2009-05-30 In a friendly accessible style with interesting anecdotes and real life stories the authors distill the wisdom of a wide range of people from various economic and ethnic backgrounds into six key elements that will help parents raise self confident life loving happy children *Good Enough Parenting* Timothy A. Cavell, Lauren B. Quetsch, 2022-09-27 Written for parents of children from toddlers to teens this book gives parents a science based plan to help their children grow up to be emotionally healthy adults To build healthy and lasting parent child relationships parents need practical strategies that meet their child s needs and address the circumstances that affect their families A parent s job unfolds and shifts over time Concerns about sleep become worries about tantrums anxieties about sharing become fears about grades and acting out in school These concerns are natural but many parents struggle to handle it all Some feel drained some lash out and some feel like the worst parents in the world This book shows parents how to use a six step program to build a stronger relationship with their child It teaches parents how to set parenting goals prioritize their own emotional health and create a structure for their family Having laid that three step foundation parents learn the importance of accepting their child for who they are containing their behavior and acting as a leader Prioritizing these six areas and making a plan for them will allow readers to parent proactively rather than reactively and focus on what matters most No one can be a perfect parent but you can be a good enough parent one who shepherds their child toward a healthy productive adulthood
