## **Parenting Teens:**

Parenting Teens in a Confusing Culture Mark Gregston, 2008-10 Holding a family together when it seems the world is falling apart is the challenge faced by parents of today's teens. Their children face a level of evil in their everyday world that their parents can't imagine, don't understand, and often misjudge. When the cultural divide threatens to invade a family, it is easy for parents to feel lost and alone and without a plan to survive. Parents don't know how to intervene effectively when their teen spins out of control. Fortunately, teen expert Mark Gregston understands the affects of today's confusing culture on teens and offers the right kind of help in his newest book Parenting Teens in a Confusing Culture. Mark answers 32 tough questions asked by parents of teenagers with his usual wit and the biblical wisdom of the ages. His ongoing ministry to teens and their families spans more than thirty years, and when he writes about how to address problems with teens, he knows what he's talking about. Parenting Teens in a Confusing Culture helps parents better understand the forces behind the issues their teens face, like teenage drinking, experimenting with drugs, problems at school, gender identity, and same-sex relationships, social abuse, immaturity, rebellion, entitlement, teenage anger, Internet influences, disobedience, disrespect, dishonesty. There is no better resource for Christian parents trying to successfully navigate today's cultural minefields than Parenting Teens in a Confusing Culture. The compassionate wisdom found in this book makes it a must-read for every parent, grandparent, counselor, or those involved with directing a teen or pre-teen's path through this confusing world. **Parenting beyond the**

**Rules** Connie Albers, 2019-04-02 Parenting teens is one of the most challenging seasons of parenting, isn't it? While this can be a difficult time of transition for parents and teens, there is hope. You can parent well and build a stronger relationship even through the teen years. After 30 years of parenting five children and 20 years of working with teens, Connie Albers has witnessed the negative impact of well-intentioned but misguided parenting styles, all focused on managing teens rather than guiding them. But through learning to focus on the hearts of your teens, you can avoid those pitfalls and build relationships that last beyond the transition years, as you intentionally learn about, connect with, and listen to your teens. In a world filled with distractions and devices, it is possible to guide their hearts and remain the primary influence in their lives. In Parenting beyond the Rules, you will discover how to raise a teen according to his or her strengths, talents, and personality type, as these things equip teens to manage life. Join Connie Albers in discovering practical solutions for every parent trying to raise a responsible, godly teenager.
