Parenting The Heart Of Your Child:

Parenting Is Heart Work Scott Turansky, Joanne Miller, 2005-10 The authors reveal with Christian ideas how you can truly reach your child's heart to teach, train and build a tremendous relationship Page 4 of cover **Parenting the Heart of Your Child** Diane Moore, 2005 Discover biblically sound keys to raising morally mature children that focuses on character development not just following rules *Shepherding a Child's Heart* Tedd Tripp, 2005-07-01 *Shepherding a Child's Heart* is about how to speak to the heart of your child The things your child does and says flow from the heart Luke 6:45 puts it this way out of the overflow of the heart the mouth speaks Written for parents with children of any age this insightful book provides perspectives and procedures for shepherding your child's heart into the paths of life In this revised edition of *Shepherding a Child's Heart* Dr Tedd Tripp not only draws on his thirty years experience as a pastor, counselor, school administrator and father but he also shares insights gained in many years of teaching this material in conferences worldwide providing more valuable help for parents **The Key to Your Child's Heart** Gary Smalley, 1995-09-27 A repeat bestseller for two decades this child rearing classic cuts to the heart of the anger and alienation that mar so many modern homes In this ultimately practical book Gary Smalley outlines effective steps for parents to open up a child that has shut them out He describes family tested ways for parents to set limits and enforce them and he reveals the simple but powerful secret for achieving a close knit family Learn proven parenting methods that can spell the difference between an angry, rebellious, distant child and a happy cooperative one **Winning the Heart of Your Child** Mike Berry, 2019-02-05 Many of us enter parenthood with a perfect vision of what our family will be But along the way we discover that the children we've been blessed with are real human beings with their own minds, ideals and views of the world Our influence only goes so far and when those children reach the pre-teen and teenage years it may seem to have disappeared completely Yet at no time in a kid's life is their parents' positive, godly influence more critical For parents who are concerned that their child is pulling away following poor role models or making choices that will lead to pain and difficulty Mike Berry has good news it's not too late He offers parents nine keys to maximizing and leveraging their influence to help their children through these difficult years and develop a relationship with them that can weather any storm *Contending for the Heart* Jim Ertel, 2010-06-01 As you read the true stories in this book about raising children you will discover that controlling behavior is never the real issue The question should be how can I influence and win the heart of my child [Heartfelt Discipline](#) Clay Clarkson, 2014-07-23 Trying to understand what God really says about childhood discipline can be like putting together a puzzle but the pieces just don't all seem to fit For two generations conservative Christians have rejected the idea of a permissive, hands-off discipline and adopted a strict, hands-on discipline taught by many well-known Christian parenting authorities In *Heartfelt Discipline* Clay Clarkson advocates a different biblical model a relational, hands-around discipline If you have young children and are beginning to try to solve the discipline puzzle for your family start with this book It is a fresh, formula-free and fully biblical

perspective on childhood discipline that will change the way you think about your children You'll see how all the biblical pieces fit together and make sense and put you on the path to your child's heart From the Back Cover Childhood discipline is your responsibility As a Christian parent you know your children need you to bring them up in the discipline and instruction of the Lord The Bible is clear about what you should do But what about how you should do it The way you answer will shape how your children remember your parenting and family Heartfelt Discipline contends there is no divine formula for childhood discipline Rather there is a way It's the way of life the path we walk with God It's about faith grace freedom and heart expressed in three principles of discipline as you walk the path with your children Direction Guiding and showing them how to walk on the path with God Correction Getting them back on the path when sin leads them off of it Protection Guarding them from temptations that could draw them away In Heartfelt Discipline Clay Clarkson helps you understand what the Bible really says about childhood discipline Drawing on thirty years of parenting and his personal study of the Bible Clay fully fleshes out God's way of path of life parenting It will change how you think about childhood discipline and put you on the path of life to your child's heart *How to Win Your Child's Heart for Life* Melanie Redd,2016-01-23 Parenting is a challenge And often along the journey well meaning parents lose the hearts of their children It usually happens somewhere between the time they get their braces and their high school graduation Find out how you can win and keep your children's hearts for life with these eight tried and proven parenting strategies Each chapter includes practical instruction tips suggestions advice principles from the Bible and questions for reflection and discussion Whether you are reading this book on your own or studying along with a small group you can gain insights into how to really reach and hold onto your kids You can discover how to win and keep your child's heart for life **Parenting with Heart** Stephen James,Chip Dodd,2018-10-16 Parents want to be the best person they can for their children but much of the time they may feel like giraffes on ice clumsy unprepared and in imminent danger of going down The good news is our children don't need perfect parents They need authentic fully hearted relationally engaged parents who can mess up and move on more than parents who always get it right In this freeing book respected therapists and bestselling authors Stephen James and Chip Dodd invite parents to let go of perfectionism and micromanaging as they learn to parent from a place of emotional honesty and intimacy Through their clinical experience and relatable true stories they show parents that raising children to become capable loving and wise hearted adults is far more about accepting our flaws than projecting an impossible standard to our children that we already know we can't live up to Parents will learn how to resolve issues from their own childhoods tune into their feelings and the emotions of their children and be present with their families through both the best and worst of circumstances I Heart Parenting H.
