## **Parents About Divorce The:**

**Divorcing Children** Ian Butler, 2003 Drawing on a three year multidisciplinary study of the children of divorced parents the authors leading academics in their fields present a much needed guide to working with children who are experiencing parental separation Providing an in depth picture of the effect of divorce on children both during and after the proceedings the topics discussed include how parents break the news of divorce to children and how this makes them feel where children get their ideas about divorce from how parent child relationships change after separation ways in which children adapt and cope with divorc

**What About the Kids?** Sandra Blakeslee, 2003-03-12 The groundbreaking handbook that helps parents guide their children through divorce and co parenting including the introduction of step parents from a New York Times bestselling author and child psychologist This is the definitive work from the renowned child psychologist Judith Wallerstein on a subject that concerns millions of American moms and dads How can you protect your children during and after divorce Divorce is not a single event but a lifelong trajectory of changed circumstances that demand a different kind of parenting than we have ever known In What About the Kids Wallerstein draws on thirty years of in depth interviews with children of divorce and their parents to show how to create a new family with compassion and wisdom It covers issues that arise at the time of divorce as well as suggestions for talking to your children months and years after the event Eminent psychologist Judith S Wallerstein shares her unique insight and advice in What About the Kids the first comprehensive guide to easing the impact of divorce on your children including The best and worst ages for children to experience their parents divorce Right and wrong ways to explain divorce to your children Choosing a custody arrangement that s best for your child How to involve the grandparents a major resource Getting the children on your side when you form new relationships The positive effects of divorce on children believe it or not How divorce can actually make you a better parent Raising children who grow up able to form lasting relationships

**Making Divorce Easier on Your Child: 50 Effective Ways to Help Children Adjust** Nicholas Long, Rex Forehand, 2002-03-01 From the bestselling authors of Parenting the Strong Willed Child expert strategies and action steps for divorcing parents While there are many trade books on children and divorce most tend to be filled with extensive discussions of the psychological impact on children with little effective advice You want immediate answers and quick access to expert strategies you can use to help your kids today and in the future Making Divorce Easier on Your Child arms you with 50 effective strategies and action steps for helping your kids cope with divorce packaged in a convenient quick bite format It is based on the authors years of clinical experience dealing with the children of divorce as well as their extensive research into the causes and cures of divorce related emotional problems Informative and sensible offering realistic clear cut recommendations Robert Brooks Ph D Faculty Harvard Medical School and coauthor of Raising Resilient Children

**We're Still Family** Constance R. Ahrons, 2004-06 Interviews with adult children from the divorced families originally studied in the author s The good divorce c1994

**Now What Do I Do?** Lynn Cassella-Kapusinski, 2006 How do you deal with

it Blame Whose fault Self esteem Family breakups Caught in the battle zone Parents how do I deal with them Anger Forgiveness Spiritual zone *Still a Family* Lisa Rene Reynolds,2009 *Still a Family* is a much needed repository of wisdom and practical counsel for any family going through a divorce a time of heightened feelings and fragile relationships Divorce can have a devastating effect on children Yet for families who care fully consider and manage the intricacies associated with this difficult and upsetting time the family as seen from the child s perspective can remain strong healthy and as loving and supportive as it ever was *Still a Family* clearly and concisely lays out the specific emotions and reactions parents need to anticipate from their children while going through separation divorce and its aftermath Rather than weighing parents down with complicated plans confusing information and legal terminology this book takes a commonsense approach providing readers in a state of emotional distress with the practical down to earth advice they need to sensibly and comfortingly guide their children through this often painful process The book covers the most common mistakes divorcing parents tend to make as well as addressing special issues that come up for kids of different age groups *The Medicine Wheel for Step Parents* Mary Jane Grange R.N.,2012-02-14 *With The Medicine Wheel for Stepparents* I hope to give some understanding and relief to blended families Stepfamilies have common threads of dysfunction There are many issues that form these common threads These issues occur between stepparent and stepchild and biological parent biological child and extended family in blended families I have listed the issues and have offered affordable solutions that are within our grasp These common threads reappear in every aspect of family life including financial matters such as your child's Social Security checks child support checks medical bills and the parents will These issues occur when the power structure changes in a home after a divorce or death in a family Everyone is left in a gigantic power struggle which retires parents prematurely Stepparents and stepchildren feel that they must protect their territory ego and family with secrets isolation intimidation manipulation and stonewalling behavior When stepfamilies are choking parents stepparents and stepchildren do not have to be severely depressed take multiple medications for depression and energy get a divorce or attempt suicide for relief Biological parents and stepparents do not have to be retired prematurely There are better ways to keep everyone functioning in blended families My book will not take away all the opposition you experience in blended families We learn by overcoming opposition not creating opposition This book helps you analyze and carry the opposition to your efforts for your blended family

*Divorce and Co-parenting* Elissa P. Benedek,Samantha A. Huettnner,2019-08-23 Some of the statistics are well known if still jarring One of two marriages contracted will end in divorce More than a million children each year experience their parents divorce Other figures are less publicized Diagnosable psychological problems occur in 30% 40% percent of individuals whose parents divorce a rate three times higher than that for individuals whose families remain together *Divorce and Co parenting* explores the impact of divorce on adolescents and young adults drawing on anecdotes from the authors own medical and law practices to illustrate how parents decision making can powerfully impact their children s well being

before during and after a divorce even into adulthood This volume a revised edition of *How to Help Your Children Overcome Your Divorce* originally published in the 1990s is updated to reflect significant changes in family dynamics technology and social media and the matrimonial legal landscape over the past 30 years This guide offers new methods of alternative dispute resolution including mediation arbitration collaborative law and parenting coordinators as it addresses a wide variety of family situations such as the following Uninvolved or absent noncustodial parents Parents with mental illness Incarcerated parents LGBTQ parents or children Sexually or physically abused children Although written to be a multidisciplinary resource for professionals in many settings among them psychiatrists social workers pediatricians and attorneys *Divorce and Co Parenting* is written in an accessible easily digestible style This makes the book applicable for parents grandparents teachers and even adolescents looking for practical information on mitigating the effects of divorce on the family

**Parents Whose Parents Were Divorced** R. Thomas Berner, 1992 As the first divorce generation is now reaching parenthood society is beginning to feel the social and psychological effects of divorce Author Thomas Berner studies this subject in a clear and interesting manner He tackles difficult questions such as How do children of divorce face daily life How do they mature and how do they perceive themselves growing up How have they modified their lives as a result of growing up in a one parent home What legacy does divorce leave The answers to these and other questions are vital to the understanding of the profound yet not necessarily negative impact of divorce on children and how it affects them as adults and parents Berner is sensitive to the hurt and pain of divorce as he covers these timely questions and their related issues *Parents Whose Parents Were Divorced* enables adult children of divorce to see how others in the same situation are dealing with divorce and its implications The book discusses how children of divorce behave as parents what adjustments they made in their lives whether or not they would divorce the role of divorced grandparents and how many grown children have attempted reconciliation with their parents Experts in marital counseling will find this highly readable book helpful in their everyday work with couples and families as will adults who have lived through the trauma of divorce *Surviving The Breakup* Judith S. Wallerstein, Joan B. Kelly, 1980 Advice for the professionals who are in contact with divorcing families and to the individuals seeking divorce and their concern for the children involved *Using Books in Clinical Social Work Practice* Jean A Pardeck, 2014-03-18 *Using Books in Clinical Social Work Practice* A Guide to Bibliotherapy introduces clinical social workers and other helping professionals to bibliotherapy an innovative approach to helping individuals deal with psychological social and developmental problems Literally meaning treatment through books bibliotherapy actively involves the client in the therapeutic process through the reading of carefully selected and evaluated books With this guide the therapy you give will provide information and insight stimulate discussion communicate new values and attitudes create awareness that others have similar problems and provide solutions to problems *Using Books in Clinical Social Work Practice* offers a detailed approach for helping clinicians use bibliotherapy in practice You ll discover which types of problems best

respond to bibliotherapy and you will learn how to select the most effective books to treat those problems You will even find the structure of the book helpful as it introduces you to the basics of bibliotherapy provides a detailed examination of the techniques for using books in treatment reviews and analyzes the extensive research that has been conducted on bibliotherapy focuses on the problems most effectively treated with bibliotherapy divorce and remarriage dysfunctional families parenting adoption and foster care self development serious illness substance abuse offers an authoritative guide to over 300 books found to work most effectively including summaries and levels of interest presents conclusions and a summary for the use of books in treatment Although bibliotherapy is a well established practice technique in other professions including psychiatry and psychology social work practitioners have not traditionally used bibliotherapy as part of their practice Using Books in Clinical Social Work Practice gives today's helping professional an approach to problem solving that you and your clients will find refreshing and effective

*How It Feels When Parents Divorce* Jill Krementz, 2012-05-23

In this immensely moving book nineteen boys and girls from seven to sixteen years old and from highly diverse backgrounds share with us their deepest feelings about their parents divorce By listening to them all children of divorced parents can find constructive ways to help themselves through this difficult time And they will learn that their own shock and anger confusion and pain have been experienced by others and are normal and appropriate These boys and girls speak with extraordinary honesty and tolerance and with a remarkable absence of rationalization illusion or attempt to justify their own often trying behavior in response to their situations Their stories are immediate and convincing and their generosity in confiding their feelings should provide comfort to children and parents alike

**Parenting** Susan

Golombok,2014-02-25 Parenting What Really Counts examines the scientific evidence on what really matters for children s healthy psychological development The first section considers whether it is necessary to have two parents a father present parents who have a genetic link with their child or parents who are heterosexual Section two explores the psychological processes that underlie optimal development for children particularly the quality of the child s relationship with parents other family members and the wider social world Contrary to common assumptions Susan Golombok concludes that family structure makes little difference to children s day to day experiences of life As well as for students researchers and teachers Parenting What really counts will be of great interest to parents and those thinking of embarking on a non traditional route to parenthood It will also be welcomed by professionals working with families and those involved in the development of family policy

The Social History of the American Family Marilyn J. Coleman, Lawrence H. Ganong,2014-09-02 The American family has come a long way from the days of the idealized family portrayed in iconic television shows of the 1950s and 1960s The four volumes of The Social History of the American Family explore the vital role of the family as the fundamental social unit across the span of American history Experiences of family life shape so much of an individual s development and identity yet the patterns of family structure family life and family transition vary across time space and socioeconomic contexts Both the definition of who or what counts as family and representations of the ideal family have changed over time to reflect changing mores changing living standards and lifestyles and increased levels of social heterogeneity Available in both digital and print formats this carefully balanced academic work chronicles the social cultural economic and political aspects of American families from the colonial period to the present Key themes include families and culture including mass media families and religion families and the economy families and social issues families and social stratification and conflict family structures including marriage and divorce gender roles parenting and children and mixed and non modal family forms and family law and policy Features Approximately 600 articles richly illustrated with historical photographs and color photos in the digital edition provide historical context for students A collection of primary source documents demonstrate themes across time The signed articles with cross references and Further Readings are accompanied by a Reader s Guide Chronology of American Families Resource Guide Glossary and thorough index The Social History of the American Family is an ideal reference for students and researchers who want to explore political and social debates about the importance of the family and its evolving constructions

### **Parents About Divorce The Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Parents About Divorce The has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Parents About Divorce The has opened up a world of possibilities. Downloading Parents About Divorce The provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to

valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Parents About Divorce The has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Parents About Divorce The. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Parents About Divorce The. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Parents About Divorce The, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Parents About Divorce The has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Parents About Divorce The Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read

eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Parents About Divorce The is one of the best book in our library for free trial. We provide copy of Parents About Divorce The in digital format, so the resources that you find are reliable.
