Particular Place Urban Restructuring And Religious Ecology In A Southern Exurb

Nancy L. Eiesland

Particular Place Urban Restructuring And Religious Ecology In A Southern Exurb:

A Particular Place Nancy L. Eiesland, 2000 *A Particular Place* Nancy L. Eiesland, 2000 Focusing on how the religious congregations all Protestant of a particular town adapted to a rapid influx of newcomers this book makes a significant contribution to sociological literature in an interesting narrative style Eiesland's work is the perfect complement to that of other major contributors in the field such as Robert Wuthnow Wade Clark Roof William McKinney David A Rootzen Jackson Carroll and Nancy T Ammerman *Religion and Community in the New Urban America* Paul D. Numrich, Elfriede Wedam, 2015-04-14 Through an in depth study of fifteen Chicago congregations Catholic parishes Protestant churches Jewish synagogues Muslim mosques and a Hindu temple city and suburban neighborhood based and commuter this book describes congregational life and measures the influences of those congregations on urban environments **Gwinnett County, Georgia, and the Transformation of the American South, 1818-2018** Michael Gagnon, Matthew Hild, 2022-07-15 In Gwinnett County's two hundred years the area has been western southern rural suburban and now increasingly urban Its stories include the displacement of Native peoples white settlement legal battles over Indian Removal slavery and cotton the Civil War and the Lost Cause New South railroad and town development Reconstruction and Jim Crow business development and finance in a national economy a Populist uprising and Black outmigration the entrance of women into the political arena the evolution of cotton culture the development of modern infrastructure and the transformation from rural to suburban to a multicultural urbanizing place Gwinnett as its chamber of commerce likes to say has it all However Gwinnett has yet to be the focus of a major historical exploration until now Through a compilation of essays written by professional historians with expertise in a diverse array of eras and fields Michael Gagnon and Matthew Hild's collection finally tells these stories in a systematic way avoiding the pitfalls of nonprofessional local histories that tend to ignore issues of race class or gender While not claiming to be comprehensive this book provides general readers and scholars alike with a glimpse at Gwinnett through the ages **Sacred Subdivisions** Justin G. Wilford, 2012-01-01 In an era where church attendance has reached an all time low recent polling has shown that Americans are becoming less formally religious and more promiscuous in their religious commitments Within both mainline and evangelical Christianity in America it is common to hear of secularizing pressures and increasing competition from nonreligious sources Yet there is a kind of religious institution that has enjoyed great popularity over the past thirty years the evangelical megachurch Evangelical megachurches not only continue to grow in number but also in cultural political and economic influence To appreciate their appeal is to understand not only how they are innovating but more crucially where their innovation is taking place In this groundbreaking and interdisciplinary study Justin G Wilford argues that the success of the megachurch is hinged upon its use of space its location on the post suburban fringe of large cities its fragmented dispersed structure and its focus on individualized spaces of intimacy such as small group meetings in homes which help to interpret suburban life as religiously meaningful and create a sense of belonging

Based on original fieldwork at Rick Warren's Saddleback Church one of the largest and most influential megachurches in America Sacred Subdivision explains how evangelical megachurches thrive by transforming mundane secular spaces into arenas of religious significance

Sacred Assemblies and Civic Engagement Paul D Numrich, Fred Kniss, 2007-07-11

Immigration to the United States has been a major source of population growth and cultural change throughout much of America's history. Currently about 40 percent of the nation's annual population growth comes from the influx of foreign born individuals and their children. As these new voices enter America's public conversations they bring with them a new understanding of Buddhism, Hinduism, Islam, Judaism, and Christianity to a society that has been marked by religious variety. Sacred Assemblies and Civic Engagement takes an in depth look at one particular urban area, the Chicago metropolitan region, and examines how religion affects the civic engagement of the nation's newest residents. Chapters focus on important religious factors including sectarianism, moral authority, and moral projects on several areas of social life including economics, education, marriage, and language, where religion impacts civic engagement and on how notions of citizenship and community are influenced by sacred assemblies.

City of Gods R. Scott Hanson, 2021-05-20

This study of a New York neighborhood's remarkable religious diversity deserves a place alongside Robert Orsi's *The Madonna of 115th Street*. Publishers Weekly starred review. Known locally as the birthplace of American religious freedom, Flushing, Queens, in New York City is now so diverse and densely populated that it's become a microcosm of world religions. *City of Gods* explores the history of Flushing from the colonial period to the aftermath of September 11, 2001, spanning the origins of the settlement called Vlissingen and early struggles between Quakers, Dutch authorities, Anglicans, African Americans, Catholics, and Jews to the consolidation of New York City in 1898, two World's Fairs, and finally the Immigration Act of 1965 and the arrival of Hindus, Sikhs, Muslims, Buddhists, and Asian and Latino Christians. A synthesis of archival sources, oral history, and ethnography, *City of Gods* is a thought provoking study of religious pluralism. Using Flushing as the backdrop to examine America's contemporary religious diversity and what it means for the future of the United States, R. Scott Hanson explores both the possibilities and limits of pluralism. Hanson argues that the absence of widespread religious violence in a neighborhood with such densely concentrated diversity suggests that there is no limit to how much pluralism a pluralist society can stand. The book is set against two interrelated questions: how and where have the different religious and ethnic groups in Flushing associated with others across boundaries over time, and when has conflict or cooperation arisen? Perhaps the most extreme example of religious and ethnic pluralism in the world, Flushing is an ideal place to explore how America's long experiment with religious freedom and pluralism began and continues. *City of Gods* reaches far beyond Flushing to all communities coming to terms with immigration, religion, and ethnic relations, raising the question of whether Flushing will come together in new and lasting ways to build bridges of dialogue or further fragment into a Tower of Babel. A delightful journey through American religious history and into the future as witnessed in the streets of what the author says is the most religiously diverse community.

anywhere America Church Planting in Post-Christian Soil Christopher B. James, 2018 Defying predictions of the inevitable decline of Christianity in the US Church Planting in Post Christian Soil presents the untold story of new churches springing up in Seattle one of the most post Christian cities in the nation I Belong to This Band, Hallelujah! Laura Clawson, 2011-09-15 The Sacred Harp choral singing tradition originated in the American South in the mid 19th century spread widely across the country and continues to thrive today This title is a portrait of several Sacred Harp groups and an insightful exploration of how they manage to maintain a sense of community *Ecologies of Faith in New York City* Richard Cimino, Nadia A. Mian, Weishan Huang, 2012-12-19 A great resource for students in congregational religious and urban studies a valuable installment in the resurrection of urban religious ecology Omar McRoberts University of Chicago *Ecologies of Faith in New York City* examines patterns of interreligious cooperation and conflict in New York City It explores how representative congregations in this religiously diverse city interact with their surroundings by competing for members seeking out niches or cooperating via coalitions and neighborhood organizations Based on in depth research in New York's ethnically mixed and rapidly changing neighborhoods the essays in the volume describe how religious institutions shape and are shaped by their environments what new roles they have assumed and how they relate to other religious groups in the community The book deals with important issues in important ways New York City is a veritable center of the phenomena being studied Jay Demerath University of Massachusetts A valuable contribution to the growing field of congregational studies that places congregations and their agency on the table as one important element to understanding the changing American metropolis *Journal of Urban Affairs* An excellent example of religious scholarship *Review of Religious Research* Offers nine essays focusing on religious institutions of New York City as they have been impacted by the social dynamics of gentrification immigration and entrepreneurial innovation *Recommended Choice* A solid resource for addressing entanglements of religion and urbanism The case studies have significant richness *Critical Research on Religion* A well developed collection of essays that does an effective job of exploring the breadth of the ecological interaction between religious institutions and their environments in New York City *Sociology of Religion* **The Invisible Caring Hand** Ram Cnaan, 2002-08 Based on in depth interviews with clergy and lay leaders in 251 congregations nationwide this groundbreaking volume provides empirical data to social scientists religious study scholars and those involved in the debates over the role of faith based organizations in social services **Faith in America** Charles H. Lippy, 2006-09-30 Over the last 25 years there has been much talk of the presumed decline in religious participation in America In addition from the 1960s on surveys that mark the influence of religion in American life have shown a mixed response Many suggest that religion is losing influence in the culture as a whole others indicate that while organized religion may be experiencing challenges spirituality is on the upswing At the same time however there have been signs that religious life in the U S is extraordinarily healthy But religion in America has changed to be sure in a number of ways And it has changed us and our culture in return

This timely set looks at the major forces that are changing the shape of religion in American life. With an influx of immigrants from Asia, Latin America and other regions, the diversity of religion has grown to include Buddhism, Hinduism, Islam and other faiths. Latin American and African American communities have experienced changes in the ways they practice their faith and in turn influence American culture in general. Women have entered the clergy in record numbers and the push for allowing women and gays to enter the clergy in religions that limit or prohibit their roles is on the increase. In addition, gay couples are leading the same sex marriage movement and other social issues such as abortion, stem cell research, end of life care etc are still being debated. Interest over how people actually live out their religion or spirituality has mushroomed in recent decades thanks in part to the information revolution and popular culture. What folks do when they gather together to worship and where they come together has changed dramatically with the advent of the Internet and the role of sports in American life. So much has changed and faith in America has become more important than ever as part of our culture, our way of life and the way we relate to each other and the world around us. The essays found in these pages shed light on our understanding of these transformations and help us comprehend the enormous role of religion in our society and in our world.

Handbook of Megachurches Stephen J. Hunt, 2019-11-26. The megachurch is an exceptional recent religious trend, certainly within Christian spheres. Spreading from the USA, megachurches now reach different global contexts. The edited volume *Handbook of Megachurches* offers a comprehensive account of the subject from various academic perspectives.

The Subversive Evangelical Peter J. Schuurman, 2019-06-30. Evangelicals have been scandalized by their association with Donald Trump; their megachurches summarily dismissed as religious Walmarts. In *The Subversive Evangelical* Peter Schuurman shows how a growing group of reflexive evangelicals use irony to critique their own tradition and distinguish themselves from the stereotype of right wing evangelicalism. Entering the Meeting House, an Ontario based Anabaptist megachurch as a participant observer, Schuurman discovers that the marketing is clever and the venue, a rented movie theatre, is attractive to the more than five thousand weekly attendees. But the heart of the church is its charismatic leader, Bruxy Cavey, whose anti-religious teaching and ironic tattoos offer a fresh image for evangelicals. This charisma, Schuurman argues, is not just the power of one individual; it is a dramatic production in which Cavey, his staff and attendees cooperate, cultivating an identity as an irreligious megachurch and providing followers with a more culturally acceptable way to practise their faith in a secular age. Going behind the scenes to small group meetings, church dance parties and the homes of attendees to investigate what motivates these reflexive evangelicals, Schuurman reveals a playful and provocative counterculture that distances itself from prevailing stereotypes while still embracing a conservative Christian faith.

Explorations in Ecclesiology and Ethnography Christian B. Scharen, 2012-11-16. In this book Christian Scharen and several other contributors explore empirical and theological understandings of the church. Like the first volume in the *Studies in Ecclesiology and Ethnography* series, *Perspectives on ecclesiology and ethnography*, Pete Ward edited this second volume seeks

to bridge the great divide between theological research and ethnography qualitative research Religion and Family in a Changing Society Penny Edgell, 2013-12-03 The 1950s religious boom was organized around the male breadwinner lifestyle in the burgeoning postwar suburbs But since the 1950s family life has been fundamentally reconfigured in the United States How do religion and family fit together today This book examines how religious congregations in America have responded to changes in family structure and how families participate in local religious life Based on a study of congregations and community residents in upstate New York sociologist Penny Edgell argues that while some religious groups may be nostalgic for the Ozzie and Harriet days others are changing knowing that fewer and fewer families fit this traditional pattern In order to keep members with nontraditional family arrangements within the congregation these innovators have sought to emphasize individual freedom and personal spirituality and actively to welcome single adults and those from nontraditional families Edgell shows that mothers and fathers seek involvement in congregations for different reasons Men tend to think of congregations as social support structures and to get involved as a means of participating in the lives of their children Women by contrast are more often motivated by the quest for religious experience and can adapt more readily to pluralist ideas about family structure This Edgell concludes may explain the attraction of men to more conservative congregations and women to nontraditional religious groups Moral Ambition Omri Elisha, 2011-07-15 This is a lovely book Secular Americans all too often assume that evangelical Christianity embraces an individualistic ethos This well written and engaging account takes us into the life of the social world of evangelical megachurches and shows the tensions between unconditional love and accountability In doing so this book allows us to grasp the experience at the heart of evangelical faith These people emerge as likable and intelligible through Elisha's narrative T M Luhrmann Watkins University Professor Stanford University Elisha is a wonderfully talented ethnographer empathetic in the very best sense critically engaged attentive and clearly committed to forming genuine relationships I have tremendous admiration for the research that went into this project and I can't wait to teach this book in my classes R Marie Griffith John A Bartlett Professor Harvard Divinity School **Salvation with a Smile** Phillip Luke Sinitiere, 2015-11-13 Joel Osteen the smiling preacher has quickly emerged as one of the most recognizable Protestant leaders in the country His megachurch the Houston based Lakewood Church hosts an average of over 40 000 worshipers each week Osteen is the best selling author of numerous books and his sermons and inspirational talks appear regularly on mainstream cable and satellite radio How did Joel Osteen become Joel Osteen How did Lakewood become the largest megachurch in the U S Salvation with a Smile the first book devoted to Lakewood Church and Joel Osteen offers a critical history of the congregation by linking its origins to post World War II neopentecostalism and connecting it to the exceptionally popular prosperity gospel movement and the enduring attraction of televangelism In this richly documented book historian Phillip Luke Sinitiere carefully excavates the life and times of Lakewood's founder John Osteen to explain how his son Joel expanded his legacy and fashioned the congregation into America's largest megachurch As a popular preacher

Joel Osteen's ministry has been a source of existential strength for many but also the routine target of religious critics who vociferously contend that his teachings are theologically suspect and spiritually shallow Sinitiere's keen analysis shows how Osteen's rebuttals have expressed a piety of resistance that demonstrates evangelicalism's fractured but persistent presence Salvation with a Smile situates Lakewood Church in the context of American religious history and illuminates how Osteen has parlayed an understanding of American religious and political culture into vast popularity and success Immigrant Faiths

Karen I. Leonard, 2006-03-10 Recent immigrants are creating their own unique religious communities within existing denominations or developing hybrid identities that combine strands of several faiths or traditions These changes call for new thinking among both scholars of religion and scholars of migration Handbook of the Sociology of Religion Michele Dillon, 2003-08-18 Table of contents

Unveiling the Energy of Verbal Beauty: An Emotional Sojourn through **Particular Place Urban Restructuring And Religious Ecology In A Southern Exurb**

In a global inundated with monitors and the cacophony of instantaneous communication, the profound power and psychological resonance of verbal art frequently diminish into obscurity, eclipsed by the regular barrage of noise and distractions. Particular Place Urban Restructuring And Religious Ecology In A Southern Exurb Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Particular Place Urban Restructuring And Religious Ecology In A Southern Exurb free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is

Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Particular Place Urban Restructuring And Religious Ecology In A Southern Exurb free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Particular Place Urban Restructuring And Religious Ecology In A Southern Exurb free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Particular Place Urban Restructuring And Religious Ecology In A Southern Exurb. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Particular Place Urban Restructuring And Religious Ecology In A Southern Exurb any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Particular Place Urban Restructuring And Religious Ecology In A Southern Exurb Books

1. Where can I buy Particular Place Urban Restructuring And Religious Ecology In A Southern Exurb books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
