Mysteries of the Unexplained Kathy Burke, 2003-07-31 One of a series of simplified educational editions written for learners of English as a foreign language *Mysteries of the Unexplained* Kathy Burke, 2003 **The Book of Unexplained Mysteries** Will Pearson, 2019-10-17 How were the hunter gatherers of G bekli Tepe able to build a series of stunning stone monuments six thousand years before Stonehenge Was the so called Wow Signal a radio transmission from deep space or the ambient resonating frequency of a passing comet What happened mid Atlantic to the passengers and crew of the Mary Celeste leaving the abandoned ship to sail on by itself Wonderful and weird here are twenty incredible mysteries that continue to enthrall and perplex Each unexplained mystery whether ancient or modern presents the reader with its own unique challenge **The Unexplained** Karl Shuker, 1997 **Unexplained Mysteries** Brian Kingsley, 2019-12-08 Explore Some Of The Most Fascinating Mysteries Of All Time Book 1 Unexplained Mysteries Of The World Humanity has come so far and explored so much As a species we have more or less conquered the entire Earth and all of its resources We have built towering structures intricate systems and settled everywhere from the tallest peaks to the deepest valleys We have now entered what many like to think of as the enlightened scientific era where old superstitions and fears have been abolished and the mysteries of the past have been solved Basically many of us like to think we have figured it all out However whether we want to admit it or not we are still surrounded by plenty of enigmas Unexplained phenomena such as confirmed instances of remote viewing or sightings of strange beings like Bigfoot may sow a seed of doubt in even the surest of individuals While some sneer at or shy away from the thought of investigating the mysterious there are also those who feel curious maybe even energized at the thought of exploring something completely new As Neil Armstrong once said Mystery creates wonder and wonder is the basis for man's desire to understand If you are one of those who seek to feel wonder this book is for you Herein you will find a varied collection of some of the most intriguing unexplained mysteries of our time From the puzzling artifacts of a lost civilization to psychic visions and shocking UFO landings by the end of this book you will have plenty of captivating questions to ponder and investigate further Book 2 Bigfoot The Other Ones Bigfoot also called Sasquatch is thought to be a large hairy ape like being that inhabits some of the dense forests and remote mountain ranges of North America Although solid scientific evidence of the creature is lacking stories of sightings and encounters have been steadily accumulating throughout the years As a result Bigfoot has been placed in the category of so called cryptids creatures that are thought by some to exist on Earth but have yet to be properly documented by modern science Others in this category include the mysterious waterborne dinosaur like being popularly known as the Loch Ness monster as well as the goat eating Chupacabra of South America Due to the sheer volume of eyewitness accounts involving Bigfoot most people in the Western hemisphere recognize the general description of this creature What few may realize however is that the Sasquatch is not unique to North America Or at least stories of mysterious bipedal hominids are not From the mountainous regions of Nepal to the wild

outback of Australia tales of such beings have existed throughout history In many cases the descriptions of these creatures seem to match Bigfoot So then a few questions naturally arise Are these all part of a singular long lost species of great ape or are they separate beings with different genetic lineages How similar are they to each other where do they live and is there any evidence of their existence We will explore the answers to these questions and many more in this book **Greatest Mysteries of the Unexplained** Andrew Holland, Lucy Doncaster, 2017-12-13 Many strange events defy explanation This book is a compendium of some of the world's most mystifying conundrums which are guaranteed to bewilder and intrigue From the mysterious disappearance of Lord Lucan by way of paranormal powers to bizarre phenomena thrown up by nature this fantastic collection of off the wall investigations also features scary curses uncanny prophecies weird medical marvels alien abductions lost worlds and much more **Unexplained Mysteries of the World** Pietras David (author), 1901
