The works of William Paley, William Paley, 1838. *Holy Helps for a Godly Life*, Richard Rogers, 2018-02-28. As the Christian life does not begin without means, neither can it grow without them. The Christian life can be daunting, especially in a world hostile to the ways of God. But the good news is that the God who calls us to be holy has also appointed helpful means so that we can grow in godliness. In *Holy Helps for a Godly Life*, Richard Rogers shows what the means of godliness are, describes their nature, and explains how they should be used. God has promised to give grace to those who use these means in a right and reverent way, and those who use these means in faith will discover their value for themselves.

Grace Alone---Salvation as a Gift of God Carl R. Trueman,2017-04-18 Grace is the heart of the Christian gospel It s a doctrine that touches the very depths of human existence and makes Christianity such an essential alternative to the dissolution and nihilism of modern culture Grace Alone guides you into a better doctrinal understanding of the issue and gives you a more glorious vision of an active and saving God The language of grace fills the Bible so much that to say grace alone may not evoke much reflection Unlike faith alone there s no theological controversy among expressions of Christianity Reviving one of the five great declarations of the Reformation and one of the more overlooked sola Gratia professor and church historian Carl Trueman Provides a thorough definition of grace as it s found in the Bible and an overview of biblical references to and teaching on grace Tracks the doctrine of grace as it s been articulated throughout church history with discussions of Augustine Pelagius Thomas Aquinas and ending with the Reformation and theologies of Luther and Calvin Looks at the relationship between the means of grace and the modern church defining the practical implications of the Reformation s understanding of grace Explanations throughout on the relationship of grace to sin salvation and glorification God s sovereignty the sacraments and the controversies regarding freewill and predestination Grace Alone is a beautiful and much needed revival of this foundational doctrine and the assurance of salvation THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures acknowledge the work of Christ alone as sufficient for redemption recognize that salvation is by grace alone through faith alone and seek to do all things for God s glory The Five Solas Series is more than a simple

rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches
