Looking Heartpoetic Expressions From Within:

The Looking Heart Marc Lacy, 2004-08 **POETIC EXPRESSIONS** Charlene Hatton, 2014-02-26 When a miracle occurs it would be foolish to ignore its source Charlene Hatton's Poetic Expressions is a collection of poems which serve as a way of giving thanks to the Lord for coming to her when she needed him the most From her suffering came great relief and through this miracle we now have a wonderful collection of devotional poetry to comfort others who are waiting for their miracles and to remind those who have been blessed to thank God for His kindness Encapsulating the Christian tenants of charity love and kindness to others each stanza of her spiritual poems in Poetic Expressions offers a beautiful prayer to the God so many people turn from when they are down and lose sight of when they are doing well **Her Words** Felicia Mitchell, 2002 A survey of Appalachian women poets includes the work of Maggie Anderson Lisa Coffman George Ella Lyon Nikki Giovanni Jo Carson Lynn Powell Barbara Smith and other female poetic voices Poetry *In the Palm of Your Hand: A Poet's Portable Workshop* Steve Kowit, 2003-06-01 An illuminating and invaluable guide for beginners wary of modern poetry as well as for more advanced students who want to sharpen their craft and write poems that expand their technical skills excite their imaginations and engage their deepest memories and concerns Ideal for teachers who have been searching for a way to inspire students with a love for writing and reading contemporary poetry It is a book about shaping your memories and passions your pleasures obsessions dreams secrets and sorrows into the poems you have always wanted to write If you long to create poetry that is magical and moving this is the book you've been looking for Here are chapters on the language and music of poetry the art of revision traditional and experimental techniques and how to get your poetry started perfected and published Not the least of the book's pleasures are model poems by many of the best contemporary poets illuminating craft discussions and the author's detailed suggestions for writing dozens of poems about your deepest and most passionate concerns *Love in the Mist: Poetry and Photography from the Heart of the Sky* Pastor Yves Gerard, Love in the Mist Poetry and Photography from the Heart of the Sky is a breathtaking exploration of the delicate interplay between emotion and nature where each page unfurls like a whisper continued the wind This evocative collection invites readers into a world where love is not merely a feeling but an ethereal force that dances through the mist intertwining with the very essence of existence The poetry rich with vivid imagery and poignant reflections captures the tumultuous journey of love its joys sorrows and the bittersweet moments that linger like morning dew on fragile petals Each verse resonates with a heartbeat echoing the universal longing for connection amidst life's chaos Accompanying this lyrical tapestry are stunning photographs that serve as visual sonnets each frame a testament to nature's grandeur and its ability to mirror human emotion The images transport us to serene landscapes shrouded in fog where silhouettes emerge like fleeting memories evoking a sense of nostalgia and yearning The interplay of light and shadow in these photographs reflects the complexities of love sometimes illuminating our path other times cloaking it in uncertainty As you delve deeper into Love in the Mist you will find yourself

enveloped in a narrative that transcends time and space Picture a solitary figure standing at the edge of a misty cliff gazing out at an endless horizon where sky meets earth a metaphor for love s boundless potential In this moment of solitude one can feel both lost and found as if every heartbeat resonates with the pulse of the universe This collection is not just an artistic endeavor it is an invitation to embrace vulnerability and to celebrate love in all its forms enthusiastic fleeting eternal reminding us that even amidst life s uncertainties love remains our guiding star in the vast expanse of existence

Poetic Imagination in Proverbs Knut Martin Heim,2013-05-01 No fewer than 223 verses in Proverbs appear two times 79 sets three times 15 sets or even four times 5 sets in identical or slightly altered form more than 24% of the book Heim analyzes all of these presenting them in delineated Hebrew lines and in English translation Where appropriate the translations are followed by textual notes that discuss uncertainties regarding the textual witnesses textual criticism and explore lexical grammatical and syntactical problems Heim also analyzes the way the parallelism in each verse of a variant set has been constructed presenting diagrams and tables with columns that highlight the corresponding similarities and differences among repeated verses Key to this investigation is the search for links between the variants and their surrounding verses such as repetitions of sound and sense Heim shows that most variant repetitions result from skillful poetic creativity Reconstruction of the editorial and creative poetic process highlights what poets did how they did it and why they did it He develops criteria for determining the direction of borrowing between the verses and demonstrates that the phenomenon of variant repetition is an editorial concern that operates on the level of the book as a whole He develops and refines a range of interpretive techniques and skills arrives at fresh interpretations and shows that ancient proverbial wisdom is relevant to modern societies This study sheds new light on the nature of biblical poetry and on the methods and virtues best suited for its study While specific to the book of Proverbs in the first instance the findings in this study apply to poetry elsewhere Three fundamental insights should inform future work on poetry the creative combination of repetition with variation is the very essence of poetry what has been written with imagination should be read with imagination imaginative interpretation values the normal features of poetic expression and celebrates the truly unusual
