Single in the Church Kay Collier-Stone, 1992-12-31 Explore the concerns needs and fears of single adults and how your church may be ignoring them Discover practical ways churches have opened their ministries worship and congregational life to include singles An eye opening discovery that a church growth model need not rely on family oriented programs and structures

Avoiding a Small Church Mentality (Stapled Booklet) Paul Flodquist, 2010-04-28 Small churches are not usually a pastor's dream The fewer the number of people in attendance on a Sunday morning the more the question persists why While books dealing with church growth provide strategies to increase membership they do not focus upon the root cause of why congregations lose members They also do not answer the question Why do some churches remain small Avoiding A Small Church Mentality answers both of these questions in a manner that is sensitive to the unique needs and challenges of the small church pastor This book is designed for all pastors and church leaders who want to see their congregations grow numerically as well as in spiritual maturity It is also ideal for use in Bible college and seminary classrooms as a new generation of Christian leaders prepare for service in God's Kingdom

Prophetic Activation John Eckhardt, 2016 Our God speaks God is always challenging us to expand our spiritual growth The prophetic must never become boring and routine but it should always be exciting and new The value of prophetic activations is that they will break limitations and give readers the ability to operate in different techniques in their spiritual walk Prophetic Activation offers practical teaching from best selling author John Eckhardt on how to activate the prophetic by guiding readers through steps such as Reading a scripture and then releasing a prophetic Word to someone Receiving just one word from God and then releasing a full prophecy Praying in the Spirit tongues and then releasing an interpretation
