

MYSTERIOUS ISLANDS

The background of the entire page is a dramatic painting. It depicts a sunset or sunrise over a body of water. The sun is a bright, glowing orb partially obscured by dark, silhouetted hills or mountains in the distance. The sky is filled with large, billowing clouds in shades of orange, yellow, and dark green. The water in the foreground is dark with white-capped waves, reflecting the light from the sun.

Mysterious Islands Forgotten Tales Of The Great Lakes:

Mysterious Islands Andrea Gutsche, Cindy Bisaillon, Barbara Chisholm, 1999 Guided tours of remote islands on the Great Lakes Lake Erie Stories Chad Fraser, 2008-05-05 This thoroughly researched history explores the personalities and events that have shaped Lake Erie and the towns and cities that surround it **Ohio Lighthouses** Wil O'Connell, Pat O'Connell, 2011 Ohio Lighthouses reveals a multitude of stories about the structures along Lake Erie It chronicles make overs such as the transformation of the 1821 Marblehead Lighthouse from ugly duckling to beautiful swan It also documents heartbreaking tales like the story of the fire at the Green Island Lighthouse that started during a New Year s dinner while the lighthouse keeper s son watched from a mile away on South Bass Island he along with friends unable to come to the rescue in a snowstorm It touches on the strength of Mother Nature such as late one fall when a blizzard struck as two lighthouse keepers were preparing to leave the Ashtabula Lighthouse for the winter For three days waves washed over the lighthouse in sub zero temperatures and water froze as it fell The sun came out on the fourth day but the men found themselves unable to open the door Other interesting histories include those of the lost lighthouse a disappearing lighthouse sinking into Lake Erie a Romanesque lighthouse 8 miles from shore the wood lighthouse on a slightly sinful island the lighthouse built to last forever but slated for the wrecking ball and more *Colossal Canadian Failures* Randy Richmond, Tom Villemaire, 2002-09-01 Did you hear the one about the canal builder who forgot canals need water The battle where everyone ran away Or the boat made of ice and the town that mixed up time How about the shovel invented for soldiers with a hole in it Colossal Canadian Failures is a lighthearted look at Canada s unsung heroes the eccentrics the failures the misguided and the just plain overoptimistic who never met an idea they could resist no matter how crazy From engineering blunders to business and political failures and more Colossal Canadian Failures provides a muchneeded ego boost for anyone who thinks they ve said oops one too many times **Michigan Genealogy** Carol McGinnis, 2005 This is one of the finest statewide sourcebooks ever published a remarkable compilation of sources and resources that are available to help researchers find their Michigan ancestors It identifies records on the state and regional level and then the county level providing details of vital records court and land records military records newspapers and census records as well as the holdings of the various societies and institutions whose resources and facilities support the special needs of the genealogist County by county it lists the names addresses websites e mail addresses and hours of business of libraries archives genealogical and historical societies courthouses and other record repositories describes their manuscripts and record collections highlights their special holdings and provides details regarding queries searches and restrictions on the use of their records *Dangerous Spirits* Shawn Smallman, 2015 An examination of the role of windigo narratives among the Algonquian peoples of North American and how those narratives were influenced through colonialism **Shaped by the West Wind** Claire Elizabeth Campbell, 2005 Claire Campbell draws from recent work in cultural history landscape studies in geography and art history

and environmental history to explore what happens when external agendas confront local realities a story central to the Canadian experience Explorers fishers artists and park planners all were forced to respond to the unique contours of this inland sea their encounters defined a regional identity even as they constructed a popular image for the Bay in the national imagination Jacket

Geography Of Islands Stephen A. Royle,2002-09-11 First Published in 2004 Islands have always fascinated people They often seem remote and mysterious set between the continents on which most people live Indeed many people choose islands for their perfect holiday idyll In practice however the everyday social and economic reality is often very different A Geography of Islands firstly examines the differing ways islands are formed Despite the uniqueness of such islands in terms of shape size flora and fauna and also their economic and developmental profiles they all share certain characteristics and constraints imposed by their insularity These present islands everywhere with a range of common problems A Geography of Islands considers how their small scale isolation peripherality and often a lack of resources has affected islands in the present day and their past It considers and discusses population issues communications and services island politics and new ways of making a living especially tourism found within contemporary island geography A Geography of Islands gives a comprehensive survey of islandness and its defining features Stephen A Royle has visited and studied 320 islands in 50 countries in all the world s oceans It is full of up to date global case studies from Okinawa to Inishbofin and Hawaii to Crete In the final chapter all the themes are brought together in a case study of the Atlantic island of St Helena It is well illustrated with the author s own photographs and maps This book will appeal to those studying islands as well as those with an interest in the topic particularly those engaged in dealing with small island economies *The Frances Smith* Scott L. Cameron,2005-08-26 The Frances Smith was not only the first steamboat to be built in Owen Sound but also the largest vessel on Georgian Bay at that time By far the most luxurious vessel to sail the Upper Great Lakes from a Canadian port she was known as a palace steamer In the mid to late 19th century the Frances Smith set the standard for speed spacious accommodation and quality service on Georgian Bay and Lake Superior The story of the Frances Smith full of adventure and courageous actions and even including disreputable behaviour is a genuine story of life on the Great Lakes in the latter part of the 1800s Meticulously researched and documented by Scott L Cameron this book is an exploration of a special part of our past that will be of great interest to history buffs in general and maritime historians in particular
