Levy, 2023-04-28 Jerrold E Levy s masterly analysis of Navajo creation and origin myths shows what other interpretations often overlook that the Navajo religion is as complete and nuanced an attempt to answer humanity s big questions as the religions brought to North America by Europeans Looking first at the historical context of the Navajo narratives Levy points out that Navajo society has never during its known history been either homogeneous or unchanging and he goes on to identify in the myths persisting traditions that represent differing points of view within the society The major transformations of the Navajo people from a northern hunting and gathering society to a farming then herding then wage earning society in the American Southwest were accompanied by changes not only in social organization but also in religion Levy sees evidence of internal historical conflicts in the varying versions of the creation myth and their reflection in the origin myths associated with healing rituals Levy also compares Navajo answers to the perennial questions about the creation of the cosmos and why people are the way they are with the answers provided by Judaism and Christianity And without suggesting that they are equivalent Levy discusses certain parallels between Navajo religious ideas and contemporary scientific cosmology The possibility that in the future Navajo religion will be as much altered by changing conditions as it has been in the past makes this fascinating account all the more timely This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1998 Jerrold E Levy s masterly analysis of Navajo creation and origin myths shows what other interpretations often overlook that the Navajo religion is as complete and nuanced an attempt to answer humanity s big questions as the religions brought to North Am Native Religions and Cultures of North America Lawrence Sullivan, 2003-03-28 This volume contains insightful essays on significant spiritual moments in eight different Native American cultures Absaroke Crow Creek Muskogee Lakota Mescalero Apache Navajo Tlingit Yup ik and Yurok The Solidarity of Kin Kenneth M. Morrison, 2002-07-11 Using the example of the Eastern Algonkians this book argues that Native Americans did not convert to Christianity but rather made sense of Christianity in their own traditional ways and for their own social purposes Hand Trembling, Frenzy Witchcraft, and Moth Madness Jerrold E. Levy, Raymond Neutra, Dennis Parker, 2022-04-05 According to traditional Navajo belief seizures are the result of sibling incest sexual witchcraft or possession by a supernatural spirit associations that have kept such disorders from being known outside Navajo families This new study is concerned with discovering why the Navajos have accorded seizures such importance and determining their meaning in the larger context of Navajo culture The book is based on a 14 year study of some 40 Navajo patients and on an epidemiological survey among the Navajos and among three Pueblo tribes **The Structure of a Moral Code** John Ladd, 2004-01-28 Mr Ladd here presents a philosophical analysis of the nature and

structure of a moral code He exemplifies his general theory by providing the first systematic description of Navajo ethics based on raw material gathered by intensive anthropological field work among the Navajo The complete transcript of his field notes is contained in the Appendix to this book Mr Ladd shows how the codes of other societies can be described with scientific rigor and objectivity Drawing upon recent developments in analytical ethics that emphasize the uses of discourse and the logic of imperatives he develops a general theory of moral codes which holds considerable significance for moral philosophers and which presents for anthropologists a methodology for their investigations into the ethical systems of non literate cultures
