## **New Jerseyans In The Civil War:**

**New Jerseyans in the Civil War** William J. Jackson, 2000 Civil War aficionados and historians will welcome Jackson's analysis of the participation of New Jersey African Americans on the home front and in the military an important and much needed part of the book **BOOK JACKET** Jersey Blue William Gillette, 1995 This political history of New Jersey during the Civil War and the years immediately before and after invites us to rethink New Jersey's role and in particular its relationship to the border states William Gillette argues that there is little evidence supporting the idea that New Jersey's residents were pro southern before the war or even antiwar during it although attitudes toward the abolition of slavery were more ambivalent The perspectives Gillette offers in Jersey Blue from the recruiting ground the battlefield and the home front cast new light on New Jersey's wartime activities state identity and our understanding of the interrelationships between New Jersey's national regional and state developments Gillette takes a broader view of the politics of the Civil War as he touches on the economy geography demography immigration nativism conscription and law The result is a pioneering history of New Jersey that deepens our understanding of the Civil War New Jersey troops in the Gettysburg campaign from June 5 to July 31, 1863 Samuel Toombs, 1888-01-01 New Jersey in the Civil War and Civil War Facts, 196? Records of Officers and Men of New Jersey in the Civil War, 1861-1865 New Jersey. Adjutant-General's Office, 1876 New Jersey and the Rebellion John Young Foster, 1868 This book examines the role of New Jersey's militias in the Civil War by regiment **New Jersey's Civil War Medals, Including Rolls** Brandon T. Wiegand, 2006-02-01 **New Jersey in the Civil War**, 1981 **Beneath the Starry Flag** Alan A. Siegel, 2001 Beneath the starry flag is a collection of eyewitness accounts by New Jerseyans who lived through the Civil War The book depicts the war years chronologically from the days when one state then another seceded from the Union to the victory at Appomattox and Lincoln's funeral procession across New Jersey Page 4 of cover

**For the Glory of the Union** Alan A. Siegel, 1984 American newspapers of the Civil War era were intensely partisan Many were controlled by political parties others were owned or managed by publishers and editors more interested in serving their own political fortunes than in publishing the unvarnished truth This book illustrates this fact by focusing on the newspapers of Newark New Jersey's largest city and on a single news story that occupied the attention of Newark's editors for nearly a year On one level the book is the story of the Twenty sixth New Jersey Infantry on another it is the story of that story how Newark's journalists reported the news of the regiment given the political imperatives of the time It is a history of myth reality and the media in Civil War New Jersey The Twenty sixth Regiment's career was far too short for it to be of any real contribution to the Union war effort Notwithstanding its modest accomplishments however the regiment was a major news story from the day the first call went out for volunteers until the last picnic in honor of the returned veterans Newark's partisan press had vital work to do throughout these crucial months and news of the regiment served their purposes exceptionally well Into this theater of the media was thrown the Twenty sixth New Jersey a volunteer outfit recruited from

the farms and factories of Newark and its suburbs Despite glib promises that nothing more dangerous than garrison duty would be expected of it the regiment was attached to the Army of the Potomac where it served during the darkest days of the Union war effort in the East Equipped at first with only smooth bore muskets of antediluvian vintage the regiment was held in reserve at Fredericksburg saved from the carnage of Burnside's futile assault by its antique arms and lack of training After five months in camp the Twenty sixth took the field at Chancellorsville enjoying a moment of triumph before it broke and ran in the face of a Rebel counterattack A bold daylight reconnaissance across the Rappahannock River at Franklin's Crossing restored the unit's confidence two weeks before it marched home to a hero's welcome
