A Christmas Story for All the Year Florence Louisa Barclay, 1912-01-01 Ronald West stood at the window of his wife's sitting room looking across the bright garden borders to the wide park beyond and wondering how on earth he should open the subject of which his mind had been full during their morning ride He had swung off his own horse a few moments before thrown the bridle to a waiting groom and made his way round to her stirrup Then he had laid his hand upon Silverheels mane and looking up into his wife's glowing handsome face he had said May I come to your room for a talk Helen I have something very important to tell you Helen had smiled down upon him I thought my cavalier was miles away from his horse and his wife during most of the ride But if he proposes taking me on the same distant journey he shall be forgiven Also I have something to tell you Ronnie and I see the turret clock gives us an hour before luncheon I must scribble out a message for the village then I will come to you at once without stopping to change She laid her hand on his shoulder and dropped lightly to the ground Then telling the groom to wait she passed into the hall Ronald left her standing at the table walked into the sitting room alone and suddenly realised that when you have thought of a thing continuously day and night during the best part of a week and kept it to yourself it is not easy to begin explaining it to another person even though that other person be your always kind always understanding altogether perfect wife He had forgotten to leave his hat and gloves in the hall He now tossed them into a chair Helen's own particular chair it so happened but kept his riding crop in his hand and thwacked his leather gaiters with it as he stood in the bay window It was such a perfect spring morning The sun shone in through the old

fashioned lattice panes Some silly old person of a bygone century had scratched with a diamond on one of these a rough cross and beneath it the motto In hoc vince Ronald had inveighed against this If Helen s old ancestor having nothing better to do had wanted to write down a Latin motto he should have put it in his pocket book or better still on the even more transitory pages of the blotter instead of scribbling on the beautiful diamond panes of the old Grange windows But Helen had laughed and said I should think he lived before the time of blotters dear No doubt the morning sun was shining on the glass Ronnie as he stood at the window It was of the cross gleaming in the sunlight that he wrote In this conquer If we could but remember it the path of self sacrifice and clear shining is always the way to victory **A Christmas Story** Samuel W. Francis,2022-09-16

In *A Christmas Story* Samuel W Francis weaves a poignant narrative that captures the essence of Christmas through the lens of personal and communal experiences Richly infused with lyrical prose the book unfolds a tapestry of interconnected lives affected by the holiday season Francis employs a blend of realism and allegory exploring themes of hope redemption and human connection all while illuminating the underlying tensions present in festive celebrations The narrative s structure intertwines various perspectives creating a reflective journey that resonates deeply within the broader literary tradition of holiday storytelling while challenging conventional notions of joy and festivity Samuel W Francis known for his incisive social commentary and literary prowess draws upon his own experiences and observations of American culture to inform his writing His background in sociology and historical analysis invites a multifaceted exploration of Christmas particularly the juxtaposition of idealized celebrations against the backdrop of societal challenges This insightful context reveals the complexities of human emotion that often accompany such occasions offering readers a deeper understanding of the festive season I wholeheartedly recommend *A Christmas Story* to those seeking not only a heartwarming holiday tale but also a profound examination of the human spirit Francis s work serves as a reminder that the holidays while often marked by cheer can also reveal deeper truths about our relationships and values making this book a thoughtful and enriching addition to any seasonal reading list **Collier's Once a Week** ,1903 *Ginevra: The Old Oak Chest, A Christmas Story* Susan E. Wallace,

Many years ago there lived in an ancient castle in England a proud Baron who had one child Ginevra a little girl named for her mother who died the night her baby was born The servants used to say the Baroness had led a wretched life that her lord was harsh and stern at home as he was fierce and cruel in war but this I do not truly know He dearly loved his little daughter and hours at a time would carry her in his arms and walk up and down the hall before the blazing fires in winter It was a fair sight to see the Baron with the baby in her long white dress lying on his shoulder her light hair against his rough beard or to see him dandle her in his hand hard almost as the steel gloves he wore to battle as if she were no more than a feather s weight The castle was gloomy and strong with towers guarded by sentinels and was enclosed by a high wall of stone beyond which was a deep moat filled with water that could be crossed by only one drawbridge Once when there was war in the land the King called on all good men for help and the Baron ready for battle gathered his people in the courtyard to hear his last

orders He held up his sword dented by many a blow in bloody fight showed the cross on its hilt and spoke in a loud voice Swear by this blessed sign whatever befall you will defend Lady Ginevra to the death And every man lifted his right hand knelt where he stood and swore by the Holy Cross he would defend the Lady Ginevra to the death He then mounted his coal black steed took the baby from her nurse and lifted her in sight of all the crowd She clapped her hands and laughed to see the flashing armor and flags embroidered with red roses and the air rung with the shout Long live the Lady Ginevra *The One Year Daily Moments of Peace* Walk Thru the Bible,2017-10-03 Take a moment to relax reconnect with God and fill your spirit with peace The One Year Daily Moments of Peace will help you experience a more thoughtful insightful quiet time with the Lord each day This devotional will speak to the heart of any woman who longs to connect with God in a new way Complete with Bible verses helpful stories and practical application these short daily devotions cover a variety of everyday issues and will help you deepen your walk and serve God more fully Through spending simple and peaceful time with God every day you ll be inspired all year long I am leaving you with a gift peace of mind and heart And the peace I give is a gift the world cannot give So don t be troubled or afraid John 14 27 *Nature's Christmas Story* Michael J. Larson,2010-09 Animals of the Alaskan tundra receive word of the birth of the Christ Child in Bethlehem With great excitement they discuss the possibility of giving the new born babe a gift But it would have to be a very special gift for such a special baby said the ermine None of the animals could agree on what the gift should be Finally they all decide to visit the Arctic angel to see what her gift advice would be The angel suggests a very simple gift and the group of animals are surprised Why hadn t they thought of it When the gift was delivered to the Christ Child in Bethlehem the animals that made that delivery underwent a startling change Those same changes have occurred each fall for the past two thousand years as a reminder of that perfect gift At Christmas or any other time of the year for that matter each one of us has the opportunity to present a similar gift to the Christ Child **The One Year Love Talk Devotional for Couples** Les Parrott,Leslie Parrott,2011-09-30 Offering wisdom and insights for applying biblical truths to our relationships this book encourages couples to connect and communicate every day This practical uplifting guide is perfect for busy couples who long to experience a stronger relationship and better communication Easy to follow daily readings focus on loving each other the way God loves us
