framework for theological or political self understanding Finally Yong shows that a distinctively Pentecostal form of theological reflection is not a parochial activity but has constructive potential to illuminate Christian belief and practice This book s engagement with political theology from a Pentecostal perspective is the first of its kind **Handbook of**

Lu, 2019-09-04 With the advent of the Reiwa era and 2020 Tokyo Olympics the world s attention is riveted on Japan s grand tradition Yet these same traditions are the ones that are hindering our efforts for evangelization A college student knows he will be disowned by his family if baptized and a Christian wife cannot receive baptism because of her Buddhist husband s strong opposition How can we combat against these There are two approaches 1 We can condemn Japanese practices as total darkness and preach against them or 2 We can follow Paul s teaching and deem the Japanese people as worshiping an unknown god Acts 17 22 31 and try to emphasize common grace at each turn This book follows the second approach but provides judiciously placed caution signs It will tell you how to engage in conversation with non Christians while providing an insider s view of Japan s rich cultural heritage Its main purpose is to obtain conversion among the die hard Buddhists Shintoists and traditionalists When that is done God s kingdom will be enriched in a manner similar to the time when Saul of Tarsus became Paul the apostle
