Serious Times Making Your Life Matter In An Urgent Day:

Serious Times James Emery White, 2005-11-09 Does your life matter How can you make a difference James Emery White shows how you can live a life of significance at the front lines of what God is doing in the world today **The Power of Truth in Perilous Times** Marcus E. Drake, 2024-09-25 Real Hope in the Midst of a Culture Gone Awry Yes we live in this kind of culture and world However it is clear in the Bible that the more we pursue the knowledge of God as defined and described in Scripture and the more we are devoted to him the more he will work in us and through us during the perilous times in which we live Therefore in thinking about the extraordinary impact biblical truth can have on our society this book focuses on three vitally important areas in the Bible how God reveals his existence through nature and his Word how he discloses his character through his attributes and promises and how he calls his people to seek the knowledge of himself through the fear of the Lord and the bearing of his image Thus the purpose of this book is to lead believers into a deeper understanding of what God is like a deeper understanding of what he has promised to those who know him and a deeper understanding of the unshakable hope and strong encouragement we have in God's Word as we live in a confused and deteriorating culture Rather than simply decrying the devastating changes in our nation and world this book clearly proclaims the hope that is ours in the very nature and character of God himself the identity and security believers have in Christ and the biblical guidance we need in order to be salt and light in our generation A God centered truth loving Christ exalting approach to life changes everything A Heart for God's Glory Lee Botzet, 2007 A Heart for God's Glory The Revival of a God centered Faith in a Self centered World is a personal journey and a biblical theological historical study regarding the urgent need to recover our divinely created purpose to glorify God by passionately loving Him and finding our greatest satisfaction in Him **Life in Tension** Stephen W. Hiemstra, 2020-11-12 When God comes into our lives we change Our new identity in Christ comes into tension with our old identity in ourselves as the Holy Spirit works in our hearts and minds This tension arises between who we were and who God created us to be between us and God and between us and those around us The Apostle Paul calls the work of the Holy Spirit in our lives sanctification Life in Tension reflects on Jesus Beatitudes in the context of scripture The Beatitudes serve as an introduction to the Sermon on the Mount and lay out Jesus priorities in teaching his disciples Because the sermon serves as a kind of ordination service for the Apostles the importance of the Beatitudes for the early church Christian spirituality and discipleship today cannot be overstated Life in Tension is organized as a devotional Each chapter offers a reflection a prayer and discussion questions Chapters are organized around the nine Beatitudes in Matthew This revised edition facilitates ease of reading It has an updated cover fewer Greek and Hebrew references and fewer footnotes than the original edition Some editing to enhance clarity has also been done Hear the words Walk the steps Experience the joy Key words for this book include Beatitudes Christianity spirituality Jesus Bible devotion faith prayer spiritual growth discipling Christian spirituality devotional sanctification and faith Author Stephen W Hiemstra

Arrington, 2008 Kullberg and Arrington weave together inspiration and illumination thereby engaging both heart and mind with each daily devotion In this collection of short accessible readings they explore significant ideas people and events from a Christian worldview After "I Believe" James Emery White, 2021-02-16 Pastor and author James Emery White leads his church and his life with a singular mission to turn spiritual explorers into fully devoted followers of Christ The obvious first step in this process is for someone to cross the line of faith to say I believe That was the heart behind his book *Christianity for People Who Aren't Christians* But what comes after I believe is equally important and it's the way someone truly becomes a fully devoted follower of Christ This manual for discipleship takes new Christians through the basics of growing in the faith and connecting with the church including prioritizing Bible study developing a regular prayer life spending quiet time with God plugging into the life of a local church experiencing God in worship finding ways to serve others being faithful with finances and more A perfect resource for pastors and ministry leaders to offer to the new believers in their midst After I Believe is a solid foundation for anyone seeking to build a vibrant Christian life James Emery White has done a masterful job of explaining discipleship for new and seasoned believers alike Often the great books on discipleship are deep but inaccessible Others are easy to read but lack depth Jim takes a wealth of knowledge and insight on the essentials of Christian discipleship and makes them wonderfully easy to understand but deep enough to authentically help you Carey Nieuwhof leadership author podcaster and founding pastor of Connexus Church in Barrie Ontario Living a life with Christ is not a onetime commitment White reminds us it is a lifetime of intentional choices and disciplined practices that help us in our desire to be followers of Jesus Suzanne Stabile author of *The Path between Us* coauthor of *The Road Back to You* and host of *The Enneagram Journey* podcast I have long

loved the writings of James Emery White for his unique insights into the Christian faith and his knack for unraveling complex issues Now he offers us an updated refreshing guide for following Jesus in a confusing and sometimes hostile world After I Believe is a practical resource for spiritual growth Compellingly straightforward this book will help you align yourself to biblical truth to effect real life change Jim s chapter on prayer alone makes this book worth buying If you want to inject your Christian life with a good dose of adventure and wonder then you ll want to read this book Skip Heitzig pastor of Calvary Church in Albuquerque New Mexico and author of The Bible from 30 000 Feet In After I Believe James Emery White combines a brilliant understanding of profound biblical truths with a heart to love and lead people toward a lifesaving relationship with Jesus It lights the way for anyone seeking to take that next step in living life to the fullest as God intended Santiago Jimmy Mellado president and CEO of Compassion International Evangelism Handbook Alvin Reid,2009 A thoroughly updated overview of how evangelism should happen detailing the work of the Great Commission in four key categories biblical spiritual intentional missional **Running with the Horses** Larry Taylor Ph.D.,2013-10-15 We all have great intentions when it comes to raising our children We want them to succeed and above all to surrender their lives to the lordship of Christ As a father of four boys and a twenty five year veteran of school administration I understand these goals I also understand the busyness of daily life how days merge into weeks as hurried lifestyles spin out of control leaving us wondering how our toddlers became teenagers This book introduces you to a simple biblically based plan for raising servant leaders for Christ Whether your child is eighteen months or eighteen years old this book will guide you through the process of preparation for the race that awaits him in this world We will walk through specific and practical things you can do to build a family plan Being deliberate and focusing on creating depth in your child s faith is the first step to preparing him or her to run with the horses If you have run with footmen and they have tired you out then how can you compete with horses If you fall down in a land of peace how will you do in the thicket of the Jordan Jeremiah 12 5 **Grow Old Along with Me** Mark S. Milwee,2018-10-24 Currently 42 6 million people in the United States are sixty five or older America is not the nicest place to grow old so much emphasis is placed on youth However seniors have a lot to contribute to the world In Grow Old along with Me author Mark S Milwee offers a touching and inspiring Christian commentary that speaks to the value of accepting and welcoming elderly Christians to the church He shares his own experience in the pastoral ministry as he documents the contributions of the faithful elderly and encourages us to follow their example Milwee shows seniors how they can be a blessing to others as they grow older and how to add value to those around them as they enter the twilight years He helps them understand that respect must be earned instead of demanded Grow Old along with Me reminds all that senior adults are a valuable asset to any church and deserve to be valued cherished and treated with dignity and respect It encourages seniors to make the decision to grow old gracefully and seeks to bring comfort to those who are facing death in the near future **Changing Signs of Truth** Crystal L. Downing,2012-05-15 Crystal Downing brings the postmodern

theory of semiotics within reach for today's evangelists Following the idea of the sign through Scripture church history and the academy Downing shows you how signs work and how sensitivity to their dynamics can make or break an attempt to communicate truth

The Danger of Raising Nice Kids Timothy Smith, 2009-09-20 Nice is not enough We are raising a generation of nice kids Nice kids are well behaved and look good on the outside but they often lack courageous character inside Offering practical wisdom gleaned from his experience as a parent and family coach Tim Smith helps you move your kids from simply polite to truly compassionate He targets nine key qualities children need but often lack and shows you how to build them into your children by modeling core values and biblical practices Your kids can be and indeed are meant to be kingdom builders who help bring God's light and life to others through their decisions and influence Being nice won't help them stand apart Tim says We need to strategically train our children to engage and challenge the popular views of our culture Here is a clear down to earth resource that will help you do just that But be prepared for change in you in your kids and in the world

The Church in an Age of Crisis James Emery White, 2012-10-15 Knowing the signs of the times and how then to live as people of faith has never been more pressing for the church Though many of the signs are disturbing we ignore them at our great peril Combining the very best attributes of a biblical prophet and a modern day reporter James Emery White offers a look at twenty five realities facing the church in the areas of belief culture marriage and family media and technology and mission and how they affect us as individuals and as a body of believers Functioning as both a telescope and a microscope this hard hitting examination of the future of the church looks into the vastness of the world and into the minute recesses of our hearts White calls on thoughtful readers to sharpen their spiritual drive and determination in order to meet the challenges of our day and the future He calls us to look beyond the daily conflicts in order to see the much larger war in which we are engaged so that we might play our vital role in preserving and growing Christ's church in the coming age

Stewarding Our Bodies Perry L. Glanzer, Austin T. Smith, 2023-06-05 Most college students struggle tremendously with their bodies Numerous issues related to the body plague higher education Students struggle with sleep mental health eating disorders sexual identity questions clothing choices obesity and alcohol problems among other concerns Too often Christian colleges try to meet these challenges with rules instead of setting forth a vision of what it means to steward the body a precious gift from God that has been bought with a price by Christ Students faculty and staff at faith based institutions need a theological framework and biblical wisdom by which they can better understand nurture and celebrate life in all its fullness *Stewarding Our Bodies* draws from the expertise and experiences of researchers and practitioners both within and outside higher education to provide relevant insights and suggestions for those who desire to help students better bear God's image Most important of all it sets forth a positive vision by which to understand the precious gift God has entrusted to us our bodies

Wisdom From the Margins William G. Britton, 2018-05-16 Henri Nouwen wisely said The great illusion of leadership is to think that man can be led out of the desert by someone who has never been there Jesus has been

there and knows how to lead us out but first he just may lead us in He meets us in the desert and does his best work in us there We look for an easier way in vain I myself reluctantly entered the desert and eventually received unimagined gifts there gifts I didn't ask for deserve or want gifts hidden in such painful loss that I despaired and yet looking back now these desert gifts were the best thing that ever happened to me I entered the desert and years later found my way out It's not a new way it was just new to me Jewish and Christian sages had been living it for thousands of years Somehow in recent generations we managed to forget it In this collection I mean to begin to make those riches available to you I'm hoping that like me you'll discover something that you didn't know you wanted or needed and something now you wouldn't give up at any price

Great for God David Shibley, 2012 Christ's servants today stand on the shoulders of His servants of earlier eras whose lives were often packed with more adventure than the most riveting novel The profiles in this book will introduce you to the extraordinary lives of Christians who shook the world Discover the legacies of Bill Bright Amy Carmichael William Carey Jim Elliot Eric Liddell David Livingstone and others who changed history through their sacrifice and perseverance Read how answering yes to God's plan for their lives led them to high adventures great challenges and huge impact that transformed millions The individuals spotlighted in this book were visionary motivated and imperfect They sought great things but not for themselves They were great for God They lived out William Carey's daring challenge Expect great things from God attempt great things for God You did not pick up this book by accident A life that is great for God is on that merits Jesus' approval Are you ready Will you be great for God Book jacket

Spiritual Trilogy Stephen W. Hiemstra, 2018-02-16 This trilogy combines three books published previously A Christian Guide to Spirituality Life in Tension and Called Along the Way Together they chronicle a spiritual journey during the period from 2013 through 2017 The first two books focus on the question who is God while the third book focuses on the question who are we The call to faith and ministry is personal but it is also corporal being informed by the community of faith at one time and in one place The original books have been reproduced as published Offering them together makes them available more economically and draws attention to their common purpose Because spirituality is lived belief it is important to reflect on what we say we believe and what we actually practice This reflective process is inherently stressful but it is a normal part of our Christian journey as we prepare in this life for the next Hear the words walk the steps experience the joy Author Stephen W. Hiemstra MDiv PhD is a slave of Christ husband father tentmaker writer and speaker He lives with Maryam his wife of 30 years in Centreville VA and they have three grown children Key words for this book include Beatitudes Christianity spirituality memoir Christian memoir Jesus Bible devotion spiritual growth and faith Other books by T2Pneuma Publishers LLC include A Christian Guide to Spirituality 2014 Una Gu a Cristiana a la Espiritualidad 2015 My Travel Through Life 2016 Oraciones 2016 Prayers 2016 Life in Tension 2016 Prayers of a Life in Tension 2016 Called Along the Way 2017 See T2Pneuma.com for more details What people are saying Stephen provides a helpful accessible guide using the classic catechetical structure of the Apostles' Creed the Lord's Prayer and the Ten

Commandments David A Currie Gordon Conwell Theological Seminary In reference to A Christian Guide to Spirituality We live in a fallen world It leads to life in tension and sometimes a life full of stress Stephen Hiemstra takes us on a needed tour of the kind of character it takes to face such a life Darrell L Bock Dallas Theological Seminary In reference to Life in Tension Have you ever wondered if the church in America is mortally wounded Is God really dead as the infamous 1966 Time magazine cover reported This memoir offers evidence to the contrary Aaron Gordon Pastor In reference to Called Along the Way *Compelled by Love* Ed Stetzer, Philip Nation, 2008 Trusted missionologist Stetzer and pastor Nation challenge readers to look at love within the context of God the church and the lives of individual believers They provide a basic theological grounding and a platform for personal application of missional living simply the calling to love others Simple Faith Stephen W. Hiemstra, 2019-04-26 As Christians how do we know what we know This simple question challenges the nature of information how we learn decision making who we are and who this God is that we worship If this challenge appears optional it is not our post Christian culture questions every faith assumption Simple Faith examines these questions and discusses implications for faith and life An important implication of this study is that faith plays a critical role into how we think learn and make decisions in the context of limited resources and an uncertain future Even scientific inquiry requires faith which normally gets hidden in untested assumptions and presumptions about what is interesting to investigate Often the critical arguments driving our decisions are not cold hard facts but the stories that we tell in the midst of complex decision environments The timing of this inquiry is critical The movement from modern to postmodern thinking has upended most institutions but especially the Christian church The separation of heart and mind which characterizes modern thinking eroded faith leaving the church in a weak position to adapt to the rapid changes accompanying postmodernism Ironically postmodern thinking that values storytelling favors Christian faith because the Gospel of Jesus Christ is the best story around
