Cosmology and Moral Community in the Lakota Sun Dance Fritz Detwiler,2021-12-30 Drawing on Indigenous methodologies this book uses a close analysis of James R Walker's 1917 monograph on the Lakota Sun Dance to explore how the Sun Dance communal ritual complex the most important Lakota ceremony creates moral community providing insights into the cosmology and worldview of Lakota tradition The book uses Walker's primary source to conduct a reading of the Sun Dance in its nineteenth century context through the lenses of Lakota metaphysics cosmology ontology and ethics The author argues that the Sun Dance constitutes a cosmic ethical drama in which persons of all types human and nonhuman come together in reciprocal actions and relationships Drawing on contemporary animist theory and a perspectivist approach that uses Lakota worldview assumptions as the basis for analysis the book enables a richer understanding of the Sun Dance and its role in the Lakota moral world Offering a nuanced understanding that centers Lakota views of the sacred this book will be relevant to scholars of religion and animism and all those interested in Native American cultures and lifeways Somebody Always Singing You Kaylynn Sullivan TwoTrees,1997 Returning to the United States she lived first in New York and then in the Southwest where she has spent recent years absorbed by a study of the landscape and the indigenous cultures and by performances and workshops In this candid account of self discovery she details a life journey filled with both exhilarating and painful moments and an understanding of the diverse strands of her multi cultural identity Speak Like Singing Kenneth Lincoln,2007 Speak Like Singing honors talk song visions for all relatives and seeks to plumb if not to reconcile Native and American poetics tribal chorus and solitary vision Exemplarischer Sprachvergleich zwischen Indianersprachen und europäischen Sprachen Rebecca Netzel,2006 Heartsong Janae Thorne-Bird,2010-02 Keepers of Life Michael J.
