Longing For My Child Reflections For Parents And Siblings After A Childs Death:

Longing for My Child Christine O'Keeffe Lafser,2010-06 **Brothers and Sisters** Henry Abramovitch,2014-11-18

Growing up we typically spend more time with our brothers and sisters than we do with our parents In an age of divorce mobility and alienation the sibling bond is often the only one that really lasts Given that brothers and sisters are such a fundamental aspect of human existence it is remarkable that they have received so little in depth attention in the field of psychology Henry Abramovitch s *Brothers and Sisters* explores the tension between the myth and reality of brothers and sisters in a variety of cultures and through the poignant brother sister stories in the Bible Abramovitch looks at the developmental sequence in the sibling relationship as brothers or sisters struggle to find their place with each other concluding with a very personal account of his own relationship with his brother and sister *Recovering from the Loss of a Sibling* Katherine Fair Donnelly,2015-05-26 An extremely well written compassionate guide for the millions of people who come face to face with a death in their own families When a brother or sister dies surviving siblings often receive little support or recognition of their pain But their grief is real and there is a way to recover from it Through intimate true stories and interviews with brothers and sisters who have lost a sibling expert on grief Katherine Fair Donnelly provides valuable insight on how to survive this traumatic experience *Recovering from the Loss of a Sibling* is the first guide dedicated to those who have lost a brother or sister and presents practical ways they can take the necessary steps toward recovering from their devastating loss **What Forever Means After the Death of a Child** Kay Talbot,2013-05-13 List of Tables List of Figures Series Editor s Foreword Preface Prologue Acknowledgements What It Means to Be a Parent After a Child Had Died The Mothers Now Childless Study Research Design and Findings When a Child Dies Does Grieving Ever End One Death A Thousand Strands of Pain Finding the Meaning of Suffering Bereaved Parents Search for Understanding The Paradox of Healing Confronting a Spiritual Crisis Where is God When Bad Things Happen Confronting an Existential Crisis Can Life Have Purpose Again Deciding to Survive Reaching Bottom Climbing Up Remembering With Love Bereaved Parents as Biographer Reaching Out to Help Others Wounded Healers Reinventing the Self Parents Ask Who Are We Now The Legacy of Loss References Resources Appendices Index **Interdisciplinary Pediatric Palliative Care** Joanne Wolfe,2022 We hope that the lives of all children will be filled with possibility with open horizons and rainbows into the future Children with serious illnesses their families and those who care for them confront the realization that not everything is possible that despite dramatic scientific and medical advances the lifespan of some children will be shortened This threat of premature loss heightens the sense of time for children and families alike and challenges clinicians to create new pathways of hope for them *The Publishers Weekly* ,2002 **Older and Bolder** Renata Singer,2015-08-03 For the first time in history women can expect to live well from their sixties for another three decades A drab existence of retirement disease and disconnection is not an option for this generation of women In *Older Bolder* Renata Singer contrasts the stories of the pioneers of active

productive old age against the anxieties of those facing the milestone of turning sixty considering each viewpoint in the light of revealing research Older Bolder is her rallying guide to living audaciously in the last third of your life *Oxford Textbook of Palliative Care for Children* Richard Hain, Ann Goldman, Adam Rapoport, Michelle Meiring, 2021 Comprehensive in scope exhaustive in detail and definitive in authority this third edition has been thoroughly updated to cover new practices current epidemiological data and the evolving models that support the delivery of palliative medicine to children This book is an essential resource for anyone who works with children worldwide **The Crisis Manual for Early Childhood Teachers** Karen Miller, 1996 This is the book that covers the really tough problems teachers face divorce death abuse AIDS violence illness and more *The Long and the Short of It* Peter Anthony Barbieri, 2018-01-09 What does it mean to have a personality that is slightly skewed I am not speaking of a personality that throughout its earthly tenure exhibits qualities of excess be they psychosomatic psychotic delusional or narcissistic I am speaking of a personality that on occasion given the depth of emotional entrapment takes matters to the edge of predictable behavior and beyond thus shedding light on the darkness lurking within Although these qualities might at times apply to some or all of the main characters here they primarily serve as the necessary yet impure ingredients for the alchemists journey as such they point out the twists and turns of hints and allusions the oddness of the plots and of course the suggestion of larger more intangible issues In *The Long and the Short of It* character impurities and our rigorous attempt to sublimate and repress them are subtle reminders of the cosmic hoop through which we jump to keep our world ordered and sane *Hospice Care for Children* Ann Armstrong-Dailey, Sarah F. Zarbock, 2001 Children with life threatening and terminal illnesses and their families require a unique kind of care to meet a wide variety of needs This book the first edition of which won the 1993 Pediatric Nursing Book of the Year Award provides an authoritative source for the many people involved in caring for dying children It draws together contributions from leading authorities in a comprehensive fully up to date resource with an emphasis on practical topics that can be put to immediate use The book covers the entire range of issues related to the hospice environment and is intended for all those who participate in the hospice care process physicians nurses social workers teachers clergy family therapists parents and community service volunteers **Apart from You** Leonore H. Dvorkin, 2000-06-01 Children and Death Costa Papadatos, Danai Papadatou, 2013-02-01 Selected papers from the 1st International Conference on Children and Death held in October November 1989 in Athens It was attended by over 500 participants from all over the world Psychological Insights for Understanding COVID-19 and Families, Parents, and Children Marc H. Bornstein, 2020-12-13 With specially commissioned introductions from international experts the Psychological Insights for Understanding COVID 19 series draws together previously published chapters on key themes in psychological science that engage with people's unprecedented experience of the pandemic This volume collects chapters that address prominent issues and challenges presented by the SARS CoV 2 pandemic to families parents and children A new introduction from Marc H Bornstein reviews how disasters are

known to impact families parents and children and explores traditional and novel responsibilities of parents and their effects on child growth and development It examines parenting at this time detailing consequences for home life and economies that the pandemic has triggered considers child discipline and abuse during the pandemic and makes recommendations that will support families in terms of multilevel interventions at family community and national and international levels The selected chapters elucidate key themes including children s worry stress and parenting positive parenting programs barriers which constrain population level impact of prevention programs and the importance of culturally adapting evidence based family intervention programs Featuring theory and research on key topics germane to the global pandemic the Psychological Insights for Understanding COVID 19 series offers thought provoking reading for professionals students academics policy makers and parents concerned with the psychological consequences of COVID 19 for individuals families and society
