**Macroeconomics in Modules** Paul Krugman,Robin Wells,2018-10-15 Adapted by Paul Krugman and Robin Wells from their bestselling macroeconomics textbook Macroeconomics in Modules is the only text for the principles of macroeconomics course organized in the supremely accessible highly effective modular format Instead of chapters of standard length the book covers the fundamentals of macroeconomics in 49 brief 4 10 page modules divided into 14 sections Macroeconomics in Modules offers the best of what makes Krugman Wells a classroom favorite story telling approach engaging writing fascinating examples and cases in a format students and instructors will love Extensive educational research shows that students absorb more from shorter reading assignments than longer ones And with coverage in self contained modules instructors can assign specific topics without asking students to read entire chapters **Brief Principles of**

**Macroeconomics** N. Gregory Mankiw,Nicholas Gregory Mankiw,2008 BRIEF PRINCIPLES OF MACROECONOMICS continues to be the most popular and widely used text in economics classrooms today The fifth edition features a strong revision of content in all 36 chapters while maintaining the clear accessible writing style and precise presentation that are the hallmark of this highly respected author Dozens of new applications emphasize the real world relevance of economics for

today's students through interesting news articles, realistic case studies, and engaging problems. The new edition also features an expanded instructor's resource package designed to assist in course planning and classroom presentation, as well as full integration of content with Aplia. I have tried to put myself in the position of someone seeing economics for the first time. My goal is to emphasize the material that students should and do find interesting about the study of the economy.

**N Gregory Mankiw** *Macroeconomics for Today* Irvin Tucker, 2007-01-08 Straightforward and engaging. MACROECONOMICS FOR TODAY 5E uses a unique textual and visual learning system to present, reinforce, and test students' comprehension while teaching them the basic concepts of economic principles and giving them the context to apply them in their everyday lives. This concise text focuses on core concepts, providing an extremely student-friendly text that includes unparalleled pedagogy and teaching support. The new edition also includes CengageNOW, a powerhouse of online resources including custom-designed learning paths for each student, lively videos, interactive assessments, testing tools, and much more. Engaging and easy to use, this book's fast-paced, action-packed approach explains all the essential concepts without being encyclopedic, as it teaches students to apply basic economic principles to real-world issues. **Exploring Macroeconomics** Robert L. Sexton, 2018-12-10 The excitement of learning economics for the first time. The experience of a lifetime of teaching it. The Eighth Edition of *Exploring Macroeconomics* captures the excitement of learning macroeconomics for the first time through a lively and encouraging narrative that connects macroeconomics to the world in a way that is familiar to students. Author Robert L. Sexton draws on over 25 years of teaching experience to capture students' attention, focusing on core concepts and expertly weaving in examples from current events and popular culture to make even classic economic principles modern and relatable. The text sticks to the basics and applies a thoughtful learning design, segmenting its presentation into brief, visually appealing, self-contained sections that are easier for students to digest and retain compared to sprawling text. Thoughtfully placed section quizzes, interactive summaries, and problem sets help students check their comprehension at regular intervals and develop the critical thinking skills that will allow them to think like economists. Combined with a complete teaching and learning package including online homework and flexible teaching options, *Exploring Macroeconomics* is sure to help you ignite readers' passion for the field and reveal its practical application in the world around them.

**Economics Today** Roger LeRoy Miller, 2003-06 *Economics Today*. The Macro View has long led the field in offering students and instructors a dynamic, application-rich approach to teaching and learning macroeconomics. The book is based on the belief that students learn more when they are involved and engaged. The 12th edition features all new examples that have been selected to grab and hold students' attention. These examples serve one basic purpose: to drive home the application of the theory just presented. One of the keys to the success of *Economics Today* The Macro View is that it is suitable for many teaching styles. Instructors who wish to stress theory can do so. Those who wish to stress applications and examples can do that. Those who

wish to incorporate technology into the class can do so with ease using MyEconLab      *Study Guide to Accompany Macroeconomics* Elizabeth Sawyer Kelly, Paul Robin Krugman (Economist, United States), Robin Wells, 2012
