Mary Star Of The New Millennium:

Mary, Star of the New Millennium David E. Rosage, 1997 **Missing Mary** C. Spretnak, 2016-06-07 What ever happened to the Virgin Mary in the modern Catholic Church For the past forty years her presence has been radically minimized In a groundbreaking work Charlene Spretnak cuts across the battle lines delineated by the left and the right within the Church to champion the recovery of the full spiritual presence of Mary Spretnak a liberal Catholic asserts that a deep loss ensues for women in particular when Mary s female embodiment of grace and mystical presence is denied and replaced with a strictly text bound version of her as a Nazarene housewife Complete with a striking insert of contemporary Marian art *Missing Mary* is a deeply insightful reflection on Mary in the modern age **Mariology at the Beginning of the Third Millennium** Kevin Wagner, M. Isabell Naumann, Peter John McGregor, Paul Morrissey, 2017-04-24 Since the Second Vatican Council the place of Mary in theology and generally in the life of the Church has been at times muted This is perhaps understandable given the debates concerning Mary s place in the documents of Vatican II In an ecumenical age it was argued the church needed a less triumphalist Mariology and piety with a greater focus on Mary as model disciple In certain respects this has led to a dichotomy between the continued Marian piety of many faithful and truth be told the piety of the post conciliar popes and a theological timidity concerning Mary This collection of chapters seeks to address the current situation of Mariology Taken as a whole these chapters represent a welcome call for renewal and reawakening in Mariology The collection is also delightfully eclectic both in terms of topics covered and in terms of the denominational and academic backgrounds of the authors **Canadian Cinema in the New Millennium** Lee Carruthers, Charles Tepperman, 2023-01-15 At the turn of the millennium Canadian cinema appeared to have reached an apex of aesthetic and commercial transformation Domestic filmmaking has since declined in visibility the sense of celebrity once associated with independent directors has diminished projects garner less critical attention and concepts that made late twentieth century Canadian film legible have been reconsidered or displaced *Canadian Cinema in the New Millennium* examines this dramatic transformation and revitalizes our engagement with Canadian cinema in the contemporary moment presenting focused case studies of films and filmmakers and contextual studies of Canadian film policy labour and film festivals Contributors trace key developments since 2000 including the renouveau or Quebec New Wave Indigenous filmmaking i docs and diasporic experimental filmmaking Reflecting the way film in Canada mediates multiple cultures forging new affinities among anglophone francophone and Indigenous language examples this book engages familiar figures such as Denis Villeneuve Xavier Dolan Sarah Polley and Guy Maddin in the same breath as small budget independent films documentaries and experimental works that have emerged in the Canadian scene Fuelled by close attention to the films themselves and a desire to develop new scholarly approaches *Canadian Cinema in the New Millennium* models a renewed commitment to keeping the conversation about Canadian cinema vibrant and alive *Ecce Educatrix Tua* Danielle M. Peters, 2009-12-01 *Ecce Educatrix Tua* discusses the Apostolic Letter
