Nicastro, 2012-10-09 In the late nineteenth century many Italian immigrants settled in Newark For these newcomers the Church became a source of community and strength Feasts of Patron Saints from their paese or village in Italy were a tradition that helped make the new country feel more like the old At St Lucy s Church parishioners held the first Feast of St Gerard Maiella the unofficial patron of mothers children and the unborn in October 1899 and it has been held every year since As the decades have passed generation after generation of Italian Americans return annually to celebrate their heritage and Catholic faith and express their gratitude for St Gerard s powerful intercession In this way the Feast of St Gerard the treasure of their grandparents has become part of their descendants heritage [The American Ecclesiastical Review](#)
