Massacre At Rock Springs:

Incident at Bitter Creek Craig Storti,1991 Retraces the circumstances that culminated in a massacre of Chinese workers by striking coal miners on September 2 1885 **Rock Springs Massacre, 1885** Dell Isham,1969 **Massacre at Rock Springs** J.R. Roberts, Clint Adams wasn't planning to stay in Rock Springs for long until his friend was found dead in his tracks on his way to head off a coal miners strike Everyone said the Chinese miner killed Clint's friend But Clint knew just by looking in the accused man's eyes that he didn't do it Now Clint's out to find the real killer And asking questions around town isn't making the Gunsmith too popular But when bullets start flying the Gunsmith isn't about to walk away And you can bet whoever's shooting at Clint won't be walking away either **The Chinese Massacre at Rock Springs, Wyoming Territory, September 2, 1885** Isaac Hill Bromley,1886 **The Chinese Massacre at Rock Springs, Wyoming Territory, September 2, 1885** Isaac H. Bromley,2018-05-23 The events of one terrible day in September of 1885 in a Union Pacific Coal Company camp called Rock Springs continue to fascinate and appall Set off in a dispute at one of the mines by white miners over an area assigned to Chinese what came to be known as the Chinese Massacre haunts southwest Wyoming to this day When threats against unarmed Chinese led to an outbreak of violent lawlessness the houses of Chinatown were burnt to ashes and its residents gunned down or chased at gunpoint into the desert Following the riot company officials the local sheriff and even Wyoming's territorial governor and U S President Grover Cleveland ultimately proved unable to punish even one person for the murders thefts and property destruction of September 2 1885 What mainly disappeared from the record were the everyday lives of the Chinese mostly single men who hoped to return to China one day who toiled to bring the carbon out of the ground In this reprint of an 1886 account of the official inquiries eyewitness statements and contemporary newspaper accounts of informative or inflammatory nature the Sweetwater County Historical Museum adds both familiar and never before published photos and documents to augment an already riveting historical record [The Rock Springs, Wyoming, Chinese Massacre, 1885](#) Arlen Ray Wilson,1967 [The Chinese Massacre at Rock Springs, Wyoming Territory. Strangers in the Land Michael Luo,2025-04-29 From New Yorker editor and writer Michael Luo a vivid urgent history of two centuries of Chinese exclusion and the birth of anti Asian feeling in America In 1889 when the Supreme Court upheld the Chinese Exclusion Act a measure barring Chinese laborers from entering the United States that remained in effect for more than fifty years Justice Stephen Johnson Field characterized the Chinese as a people residing apart by themselves They were Field concluded strangers in the land Today there are more than twenty two million people of Asian descent in the United States yet this label still hovers over Asian Americans In Strangers in the Land Luo traces anti Asian feeling in America to the first wave of immigrants from China in the mid nineteenth century laborers who traveled to California in search of gold and railroad work Their communities almost immediately faced mobs of white vigilantes who drove them from

their workplaces and homes In his rich character driven history Luo tells stories like that of Denis Kearney the sandlot demagogue who became the face of the anti Chinese movement and of activists who fought back like Massachusetts Senator George Frisbie Hoar and newspaperman Wong Chin Foo After the halt on immigration in 1889 the Chinese American community who remained struggled to survive and thrive on the margins of American life In 1965 when LBJ s Immigration and Nationality Act forbade discrimination by national origin America opened its doors wide to families like those of Luo s parents but he finds that the centuries of exclusion of Chinese Americans left a legacy many Asians are still treated and feel like outsiders today *Strangers in the Land* is a sweeping narrative of a forgotten chapter in American history and a reminder that America s present reflects its exclusionary past **Library of Congress Subject Headings** Library of
