Quiet Resolution Quebecs Challenge To Canada

Mahmoud Masaeli, Lauchlan T. Munro

Quiet Resolution Quebecs Challenge To Canada:

Canadian Intellectuals, the Tory Tradition, and the Challenge of Modernity, 1939-1970 Philip

Massolin, 2015-05-27 In this well researched book Philip Massolin takes a fascinating look at the forces of modernization that swept through English Canada beginning at the turn of the twentieth century Victorian values agrarian religious and the adherence to a rigid set of philosophical and moral codes were being replaced with those intrinsic to the modern age industrial secular scientific and anti intellectual This work analyses the development of a modern consciousness through the eyes of the most fervent critics of modernity adherents to the moral and value systems associated with Canada s tory tradition The work and thought of social and moral critics Harold Innis Donald Creighton Vincent Massey Hilda Neatby George P Grant W L Morton Northrop Frye and Marshall McLuhan are considered for their views of modernization and for their strong opinions on the nature and implications of the modern age These scholars shared concerns over the dire effects of modernity and the need to attune Canadians to the realities of the modern age Whereas most Canadians were oblivious to the effects of modernization these critics perceived something ominous far from being a sign of true progress modernization was a blight on cultural development In spite of the efforts of these critics Canada emerged as a fully modern nation by the 1970s Because of the triumph of modernity the toryism that the critics advocated ceased to be a defining feature of the nation s life Modernization in short contributed to the passing of an intellectual tradition centuries in the making and rapidly led to the ideological underpinnings of today s modern Canada

A Canadian Challenge Christian Dufour, 1990

A Short History of Quebec John A. Dickinson, Brian Young, 2008-09-19 John A Dickinson and Brian Young bring a refreshing perspective to the history of Quebec focusing on the social and economic development of the region as well as the identity issues of its diverse peoples This revised fourth edition covers Quebec s recent political history and includes an updated bibliography and chronology and new illustrations A Canadian classic A Short History of Quebec now takes into account such issues as the 1995 referendum recent ideological shifts and societal changes considers Quebec s place in North America in the light of NAFTA and offers reflections on the G rard Bouchard Charles Taylor Commission on Accommodation and Cultural Differences in 2008

Canada First, Not Canada Alone Adam Chapnick, Professor of Defence Studies

Adam Chapnick, Asa McKercher, Assistant Professor of History Asa McKercher, 2024 The definitive history of Canadian foreign policy since the 1930s Canada First Not Canada Alone examines how successive prime ministers have promoted Canada s national interests in a world that has grown increasingly complex and interconnected Case studies focused on environmental reform Indigenous peoples trade hostage diplomacy and wartime strategy illustrate the breadth of issues that shape Canada s global realm Drawing from extensive primary and secondary research Adam Chapnick and Asa McKercher offer a fresh take on how Canada positions itself in the world

Education in the Province of Quebec United States. Education Office, 1969

Canada and the Challenges of International Development and Globalization Mahmoud Masaeli, Lauchlan T.

Munro, 2018-08-28 What are Canada's various links with international development and globalization? They extend beyond foreign aid to diplomacy, trade, finance, aid, immigration, military intervention, both peacekeeping and combat roles, membership in a variety of international organizations, relations with indigenous peoples and people-to-people links. This multi-disciplinary and multi-author textbook designed for first or second year students introduces the main concepts, theories and perspectives that have shaped Canada's interactions with developing countries in a globalizing world. It starts by considering Canada as a case study in international development and globalization. It examines Canada's diplomatic, economic, military, social, immigration and aid policies, how they have changed over time and how they have interacted with each other and with Canada's treatment of Indigenous peoples. The book presents economic, political and cultural dimensions of the process of globalization and the ways they affect Canada. It examines the public institutions, private sector and civil society organizations in Canada and explores the moral imperatives behind Canadian international policy. Finally, it examines current issues including Canada's promotion of human rights, democracy, good governance, support to the private sector and relations with fragile and conflict-affected states and the emerging economies. Finalist PROSE Award Textbook Social Sciences January 2019. This book is published in English. Comment se déploient les interventions du Canada en matière de développement international et de mondialisation? Bien au-delà de l'aide à l'étranger, celles-ci touchent la diplomatie, le commerce, les finances, l'aide, l'immigration, les interventions militaires, l'adhésion des organisations internationales et des liens entre personnes. Conçu pour les étudiants de première et de deuxième année du premier cycle, ce manuel multidisciplinaire est une initiation aux principaux concepts, idées, théories et approches qui forment le contexte historique et les fondations mêmes des interactions du Canada avec les pays en développement et de la mondialisation. Il aborde la question de la diplomatie canadienne et de son évolution, examine les politiques canadiennes en matière d'immigration, d'aide de politique économique, militaires et sociales. Il présente les dimensions économiques, politiques et culturelles du processus de mondialisation et les façons dont elles touchent le Canada, les institutions et politiques en lien avec le développement, les organismes du secteur privé et la société civile au Canada et les impératifs moraux qui sous-tendent la politique internationale canadienne. Enfin, il examine les droits humains, la démocratie, la bonne gouvernance, le soutien au secteur privé, les relations avec des États fragilisés et les liens avec les économies émergentes. Finaliste PROSE Award Textbook Social Sciences Janvier 2019. Ce livre est publié en anglais.

Canadian Federalism Herman Bakvis, Grace Skogstad, 2020-07-15 This is Canada's only up-to-date collection of essays on issues in Canadian federalism covering the Harper and Trudeau eras as well as federal/provincial debates over healthcare, climate change, trade and more. **Challenging Times** Constance Backhouse, David H. Flaherty, 1992-08-04 By allowing the reader to draw comparisons between women's movements in Canada and the United States, Challenging Times shows that certain political and theoretical issues transcend international borders, ebbing and flowing between the two countries symbiotically. Topics discussed include the origins of second-stage feminism, the strength of the women's movement within

academic structures and the challenges posed by racial ethnic and class diversity violence against women the promise and limits of legal reform reproductive technology and economic discrimination Readers who are interested in the recent history of the North American women s movement will find answers to many of their questions about the victories defeats and fundamental challenges facing modern feminism Those who have been active in the current wave of feminism either as central participants or serious critics will find Challenging Times equally fascinating because it endeavours to provide answers to pressing questions about the nature of feminism the inter relationships and tensions between different sectors of the movement and the prospects for future growth Many of the contributors to this volume have lived through and personally shaped the unfolding of the rich history of North American feminism In addition to Backhouse and Flaherty the contributors are Catharine A MacKinnon Greta Hofmann Nemiroff Monique B gin Mariana Valverde Naomi Black Marjorie Griffin Cohen Micheline de S ve Micheline Dumont Margrit Eichler Sara M Evans Marianne A Ferber Lorraine Greaves Marjorie Heins M Patricia Fernandez Kelly Patricia A Monture Okanee Arun Mukherjee Jean F O Barr Christine Overall Glenda Simms and Jill Vickers **Education in the Province of Quebec** Roger Magnuson,1969 **Challenges to Canadian Federalism** Hugh Mellon,Martin William Westmacott,1998
