Religion, Language, and Power Nile Green, Mary Searle-Chatterjee, 2008-07-15 Religion Language and Power shows that the language of religion is far from neutral and that the packaging and naming of what English speakers call religious groups or identities is imbued with the play of power Religious Studies has all too often served to amplify voices from other centers of power whether scripturalist or otherwise normative and dominant This book's de centering of English classifications goes beyond the remit of most postcolonial studies in that it explores the classifications used in a range of languages including Arabic Sanskrit Chinese Greek and English to achieve a comparative survey of the roles of language and power in the making of religion In contextualizing these uses of language the ten contributors explore how labels are either imposed or emerge interactively through discursive struggles between dominant and marginal groups In dealing with the interplay of religion language and power there is no other book with the breadth of this volume [The Routledge Handbook of Migration and Language](#) Suresh Canagarajah, 2017-02-03 Winner of AAAL Book Award 2020 Shortlisted for the BAAL Book Prize 2018 The Routledge Handbook of Migration and Language is the first comprehensive survey of this area exploring language and human mobility in today's globalised world This key reference brings together a range of interdisciplinary and multidisciplinary perspectives drawing on subjects such as migration studies geography philosophy sociology and anthropology Featuring over 30 chapters written by leading experts from around the world this book Examines how basic constructs such as community place language diversity identity nation state and social stratification are being retheorized in the context of human mobility Analyses the impact of the mobility turn on language use including the parallel multilingual turn and translanguaging Discusses the migration of skilled and unskilled workers different forms of displacement and new superdiverse and diaspora communities Explores new research orientations and methodologies such as mobile and participatory research multi sited ethnography and the mixing of research methods Investigates the place of language in citizenship educational policies employment and social services The Routledge Handbook of Migration and Language is essential reading for those with an interest in migration studies language policy sociolinguistic research and development studies

Understanding Interreligious Relations David Cheetham, Douglas Pratt, David Richard Thomas, David Thomas, 2013-11 Understanding Interreligious Relations is a multi authored volume that explores the theme of the religious other from the perspective of five major religions Hinduism Judaism Buddhism Christianity and Islam and discusses a range of issues in which interreligious relations are central These include conversion the impact and nature of religious extremism the contemporary development of inter religious dialogue the dynamics operating between majority and minority religious groups belonging to more than one religion or faith tradition examples of cross religious co operation religion in the public domain and the task of peace building among others In a religiously plural world how different religious communities get

along with one another is not just an academic question it is very much a focus of socio political and wider community attention The challenge to understand interreligious relations is of critical importance in today s world Religion, Civil Society and Democracy in Contemporary India Anindita Chakrabarti,2018 Discusses the relevance of the reigning paradigms of Sanskritization and Islamization in the study of religious movements The Grand Chronicle of Indian Civilisation Dheeraj GN, A Powerful Journey Through India s Soul From the ancient streets of Harappa to the battlefields of freedom from caste and culture to the dreams of tomorrow The Grand Chronicle of India Civilisation is a captivating tale of India s timeless journey Dheeraj GN offers a bold neo nationalist view that challenges colonial narratives and celebrates India s unity in diversity Through a compelling 3R framework Reform Rebrand Redefine the author provides a bold vision for India s future grounded in its cultural richness and civilisational wisdom Whether you re a thinker a student or a proud citizen this book will awaken your curiosity deepen your understanding and inspire your belief in India s civilisational destiny The timeless voice of a civilization still shaping its destiny Religious Freedom and the Saffron Politics Joseph A Gathia,2019-01-01 INDIA is the world s largest democracy and the sixth largest economy with the likelihood that this success will continue for many decades in the 21st century India aspires to be super power Will this happen In Religious Freedom and the Saffron Politics the author identifies trends that will shape India s future This book presents a comprehensive overview of religious policy in India since the Independence exposing many of the ambiguities and uncertainties about the position of religion in Indian life and the relation between state and religion Since Narendra Modi s victory in 2014 the critics have been worrying about India drifting towards illiberal democracy status with its secular foundation replaced by some kind of new Hindu majoritarian vision The Rashtriya Swayamsevak Sangh RSS has emerged has one of the most powerful organization in India today with capacity to influence the policy process of the governance This book address the questions What are the reason for the tremendous growth of the RSS and its affiliates How does their rapid growth influences the religious freedom in India This book deals with the controversies that have dominated headlines worldwide such as Ghar Wapsi cow protection the National Register of Citizens NRC saffronisation in education etc What constitutes legitimate constitutionally protected religious practice Does it include the right to Dhamantaran religious conversion This volume is a vivid account of a divided society in the grip of ethnic religious tension and a struggle that will shape not only just India s future but also the world s **Global Islamophobia and the Rise of Populism** Sahar F. Aziz,John L. Esposito,2024 In recent years Islamophobia has seen a disturbing global rise Blaming Muslim minorities for economic political and social problems is an increasingly common rhetorical strategy for politicians in countries worldwide A narrative of the threatening Muslim invader is troublingly prevalent regardless of whether the targets of such rhetoric are born citizens or new arrivals Its consequences are deadly and devastating for Uyghurs in China indefinitely detained in concentration camps Indian Muslims attacked in pogroms and the Rohingya victims of genocide In parts of Europe and North America the consequences

of Islamophobia are less overtly violent but no less harmful Muslims are banned from wearing hijab building minarets opening Islamic schools or legally immigrating to certain countries In the United States Europe and India Islamophobic rhetoric is increasingly normalized fracturing ethnically diverse societies as xenophobic right wing political ideals accumulate followers at an alarming pace In turn Islamophobia in the West gives license to discrimination elsewhere creating a vicious cycle of Islamophobia Global Islamophobia and the Rise of Populism is the first book to systemically examine the complex factors contributing to the rise in Islamophobia and right wing populism across three continents North America Europe and Asia Internationally renowned scholars offer insightful and empirically grounded analysis linking local contexts with global trends This groundbreaking book is an essential contribution to discourse on immigration racism xenophobia and human rights

Theologising with the Sacred 'Prostitutes' of South India Eve Rebecca Parker, 2021-03-22 In *Theologising with the Sacred Prostitutes of South India* Eve Rebecca Parker theologises with the Dalit women who from childhood have been dedicated to village goddesses and used as sacred sex workers Parker uses ethnographic anthropological theological hermeneutical and historical research and analysis in order to critically engage with the lived religiosity and daily struggles of the dedicated women known as devadās In doing so she works towards an Indecent Dalit Liberation Theology that challenges systems of oppression and cultures of impunity including casteism sexism classism and a history of socio political and religious marginalisation The result is a profound theologising of struggle and resistance with the sexual narratives of the oppressed

Forming a Global Community Joseph de Rivera, 2022-10-18 To address global problems such as pandemics warming economic inequality mass migration and widespread terrorism Joseph de Rivera argues that we must form a global community A community of eight billion humans is difficult to conceive However it can be imagined and created if we transform our understanding of who humans are and what community entails We can understand who persons are how they are motivated and how a community can be conceived in a way that offers an alternative to individualism and collectivism The mutualism that is proposed provides a moral compass for navigating the challenges that confront us and encourages specific governing structures political economies and rituals that will further the formation of a global community Based on the philosophical analysis of John Macmurray the author's argument relies on an extensive review of the current literature on self personhood emotional motivation social identity forms of community and religious and secular rituals Interdisciplinary in nature it aims to direct philosophy and the social sciences to the challenges of globalism and the creation of a global community

Lives of Muslims in India Abdul Shaban, 2018-01-10 The fast consolidating identities along religious and ethnic lines in recent years have considerably minoritised Muslims in India The wide ranging essays in this volume focus on the intensified exclusionary practices against Indian Muslims highlighting how amidst a politics of violence confusing policy frameworks on caste and class lines and institutionalised riot systems the community has also suffered from the lack of leadership from within At the same time Indian Muslims have emerged as a mass around which the politics of vote bank

appeasement foreigners Pakistanis within the country and so on are innovated and played upon making them further apprehensive about asserting their legitimate right to development The important issues of the double marginalisation of Muslim women and attempts to reform the Muslim Personal Law by some civil society groups is also discussed Contributed by academics activists and journalists the articles discuss issues of integration exclusion and violence and attempt to understand categories such as identity minority multiculturalism and nationalism with regard to and in the context of Indian Muslims This second edition with a new introduction will be of great interest to scholars and researchers in sociology politics history cultural studies minority studies Islamic studies policy studies and development studies as well as policymakers civil society activists and those in media and journalism

Orthodox Religion and Politics in Contemporary Eastern Europe Tobias Koellner, 2018-12-07 This book explores the relationship between Orthodox religion and politics in Eastern Europe Russia and Georgia It demonstrates how as these societies undergo substantial transformation Orthodox religion can be both a limiting and an enabling factor how the relationship between religion and politics is complex and how the spheres of religion and politics complement reinforce influence and sometimes contradict each other Considering a range of thematic issues with examples from a wide range of countries with significant Orthodox religious groups and setting the present situation in its full historical context the book provides a rich picture of a subject which has been too often oversimplified

What Is Religion? Nigel Ajay Kumar, 2013-09-11 What Is Religion is one of those questions rarely asked by Christian theologians who engage in interreligious discourse Nigel Kumar makes the case however that to answer the question is critical for Christian scholars attempting to negotiate multiple religious identities as well as for those who want a clearer understanding of their own faith as religion Kumar takes a historical approach to answering the question He traces the development of the concept of religion and then formulates a theological answer not only by looking at an Indian theologian Chenchiah but also by listening to other secular and theological voices

The Oxford History of Hinduism: Modern Hinduism Torkel Brekke, 2019-06-27 The Oxford History of Hinduism Modern

Hinduism focuses on developments resulting from movements within the tradition as well as contact between India and the outside world through both colonialism and globalization Divided into three parts part one considers the historical background to modern conceptualizations of Hinduism Moving away from the reforms of the 19th and early 20th century part two includes five chapters each presenting key developments and changes in religious practice in modern Hinduism Part three moves to issues of politics ethics and law This section maps and explains the powerful legal and political contexts created by the modern state first the colonial government and then the Indian Republic which have shaped Hinduism in new ways The last two chapters look at Hinduism outside India focusing on Hinduism in Nepal and the modern Hindu diaspora

The Neoliberal Self in Bollywood Namrata Rele Sathe,2024-02-21 This book explores the consequences of unbridled expansion of neoliberal values within India through the lens of popular film and culture The focus of the book is the neoliberal self which far from being a stable marker of urban liberal millennial Indian identity has a schizophrenic quality one that is replete with contradictions and oppositions unable to sustain the weight of its own need for self promotion optimism and belief in a narrative of progress and prosperity that has marked mainstream cultural discourse in India The unstable and schizophrenic neoliberal identity that is the concern of this book however belies this narrative and lays bare the sense of precarity and inherent inequality that neoliberal regimes confer upon their subjects The analysis is explicitly political and draws upon theories of feminist media studies popular culture analyses and film studies to critique mainstream Hindi cinema texts produced in the last two decades Rele Sathe also examine a variety of other peripheral texts in her analysis such as the film star the urban space web series YouTube videos and social media content

New Subjects and New Governance in India Ranabir Samaddar,Suhit K. Sen,2014-03-14 This volume looks at the ways in which governance in the exercise of its strategies also acts as a process of production of subjects It argues that governance is not a one sided affair starting and ending with those who rule and govern producing fiat decrees and diktats but a productive process one that produces subjects of governance who in turn respond to the process and make the field of governance a contentious one Against the backdrop of the first transition of democracy in India from its origin in a colonial polity to the first phase of its independent life after the promulgation of the Indian Constitution in 1950 this volume explores the second transition towards

developmental democracy examining the interrelations between globalisation development and structures of governance The volume suggests that while there is need to reflect on the governance of transition it is important to question how democracy negotiates this transition

More Moral than God Charlene Burns,2008-07-25 In the wake of the 9 11 tragedy recent political and religious conflicts attention to religious violence has increased exponentially Although violence in the name of religion has been around for centuries there is increasing need to examine the roots of religious violence with the hope of working for peace In More Moral than God Charlene Burns takes a unique look at the psychological motivations behind religious violence Drawing from psychology philosophy and theology Burns illuminates the interplay between our images of

God our individual egos and our collective selves and brings to light the degree to which each of us can and must take responsibility for the religious landscape In addition to her own perspective on religious violence Burns provides a brief history of religious violence and addresses other possible motivations including politics economics globalization family dynamics and more *Women, Gender and Religious Nationalism* Amrita Basu,Tanika Sarkar,2022-11-10 This book reflects the changing modalities of Hindu nationalist organizing among women and youth It provides unique insights into how this immensely powerful political formation has been able to preside over a massive network of grassroots organisations among most segments of Indian society and capture national power Chapters explore the techniques the RSS VHP and BJP employ and the messages they convey about masculinity femininity and LGBTQ communities and analyze contrasting forms of women s activism in defending and opposing Hindu nationalism This book contributes to the global literature on the gender dimensions of rightwing politics By exploring why women advance the agenda of the Hindu Right despite its conservative views on gender and sexuality the book makes an important intervention in feminist and women s studies scholarship
