## **Religious Education Seven Eleven Developing Primary Teaching Skills:**

**Religious Education 7-11** Terence Copley, 2002-01-04 The place of religious education in the elementary curriculum is an ambiguous one for many teachers Using a mixture of theory and practical ideas this book will help all elementary teachers whether specialists or not to deliver effective religious education Terence Copley clarifies the legal framework discusses problem areas like the withdrawal of children from the subject and examines key principles and concepts involved in teaching the main areas of religious education He also looks at practical issues of classroom organization and at how religious education can be integrated into topic work but should also remain a subject in its own right **Assessment and**

**Learning in the Primary School** E. C. Wragg, 2003-08-27 This is an innovative yet practical resource book for teachers focusing on the classroom and covering vital skills for primary and secondary teachers The book is strongly influenced by the findings of numerous research projects during which hundreds of teachers were observed at work This book addresses both formal and informal ways of assessing children's work and progress Pupils learning is often neglected in the debate so this book puts what children actually learn right at its centre Divided into six units Ted Wragg addresses important topics such as principles and purposes of assessment written oral and practical evaluation self assessment the whole school approach staff development and appraisal The inclusion of practical activities discussion topics photographs cartoons and case examples makes this a very user friendly book for both trainee and experienced teachers in primary schools **Explaining in the**

**Primary School** Ted Wragg, George A Brown, 2002-09-26 Wragg and Brown offer activities and discussion points to help teachers build up a repertoire of techniques for various situations and to evaluate the effectiveness of their explanations in the classroom Class Management in the Primary School E. C. Wragg, 2002-09-26 Ted Wragg helps teachers to clarify their own aims and to find the strategies which will work for them Topics covered include first encounter the establishment of rules and relationships time management and specific discipline problems *English 7-11* David Wray, 2002-01-08 This

book focuses on approaches to the teaching of primary English at Key Stage 2 in the context of the National Curriculum Through a series of guided activities teachers are encouraged to reflect upon particular teaching strategies and activities such as an analysis of language and literacy the processes of language and literacy the use of topic work a critical look at classroom environments and examination of the texts which children read and write and a discussion of the role of the teacher

**Questioning in the Primary School** E. C. Wragg, George A. Brown, 2002-09-26 An explanation of the different types and patterns of questions primary teachers should ask and offers useful practical exercises to enable both experienced and trainee teachers to improve their own and others questioning skills **Music 7-11** Sarah Hennessy, 2002-01-04

Teachers have often felt unnecessarily apprehensive about teaching without music without being gifted musicians themselves Music 7 11 dispels the myth that to teach music effectively a teacher has to be musical and provides teachers with the opportunity of developing both the basic subject knowledge and the confidence needed to deliver enjoyable and valuable

music lessons It does this by encouraging practical engagement with the subject through making and listening to music reflecting on experiences and sharing views

**Science 7-11** Clive Carre, Carrie Ovens, 2006-05-09 As one of the core areas of the curriculum science provides particular challenges especially to teachers working at the top end of the elementary school range Science 7 11 invites science teachers working with preteens to examine their practice in the light of current research findings Clive Carre and Carrie Ovens both experienced primary teachers themselves ask what teachers really need to know both about their subject and about their students in order to teach *Teaching the Primary Curriculum for Constructive Learning* Michael Littledyke, Laura Huxford, 2013-10-23 First Published in 1998 There is a current preoccupation with educational standards with claims that overall standards of achievement have fallen The purpose of this book therefore is to address the question of how children learn across the primary National Curriculum subjects with implications for effective teaching approaches The book emphasises a constructivist view of learning which acknowledges that children have views and attitudes which are formed as a result of experiences in and out of school and that these must be taken into account if meaningful and transferable learning is to be achieved

**Drama 7-11** Neil Kitson, Ian Spiby, 2002-01-04 This book is a practical guide to teaching drama and provides a clear and coherent framework together with a theoretical underpinning which will allow teachers to create their own drama lessons from an informed standpoint and maximize the learning potential The authors propose a curriculum for drama which combines the diverse references in the various documents of the National Curriculum whilst at the same time identifying the unique qualities specific to the subject which can form a coherent framework for teachers to adopt Central to the book are a range of techniques examples and activities which will provide a firm foundation for the teaching of drama give confidence to those who have little or no experience and allow development for others who may have already acquired some

**History 7-11** Jacqui Dean, Jon Nichol, 2002-09-11 Practical focus based on lessons which were actually taught to children not learnt on INSET courses Adopts action research approach currently very topical in education in word Examples supported by extension follow up activities which allows teacher to reflect upon their own practice *Beyond the Classroom* Rev. Oneal Sandidge PhD D.Min., 2017-06-15 Beyond the Classroom provides an easy to read plan for church pastors and church leaders to improve Christian education in the church Teaching and teacher training are the main emphasis of the book The scholar and former director of Christian education in a New York megachurch provides the AZ plan for developing or improving Christian education

**Creativity in Primary Education** Anthony Wilson, 2009-05-11 A sound understanding of the role primary creativity plays in learning and teaching will help trainee teachers become creative practitioners and develop creativity in their pupils The second edition of this popular text retains key material from the previous book but it has been substantially updated and revised to include six new chapters which explore creativity in both a subject specific context as well as the broader issues of creativity in SMSC and the Foundation Stage The book is linked throughout to the Standards for the award

of QTS and also considers important government agendas such as Every Child Matters      **Art 7-11** Linda Green, Robin Mitchell, 2003-09-01 Aimed at non specialist primary teachers this book offers support for the two attainment targets of the national curriculum in art investigating and making and knowledge and understanding It uses examples and materials to explore various areas of children's development in art making and understanding and also aims to equip teachers with strategies for developing their own understanding and appreciation of the subject Units included cover such areas as children's motivation to make art developing co-operative work with artists in schools learning about art from other cultures learning about art from different historical periods 2D and 3D art assessing children's art      *Information Technology and Authentic Learning* Angela McFarlane, 2003-10-04 As the presence of computers in the primary classroom increases and IT becomes a bigger part of learning the book takes a realistic look at the role of the computer in the National Curriculum and asks some important questions The book is designed to help teachers incorporate IT into their day to day teaching offering practical guidance and advice on task planning and management and includes examples of classroom practice The book covers all curriculum areas examining curriculum specific issues as well as more general concerns such as pupil expectation and self-esteem problem solving collaborative learning data handling homework and the effects on the pupil teacher dynamic This book will be essential to all primary school teachers and trainees      **Subject Guide to Books in Print**, 1991

*Children's Perceptions of Learning with Trainee Teachers* Hilary Cooper, Rob Hyland, 2002-01-31 Unique in that it focuses on pupils' perceptions of their learning with trainee teachers in primary schools Includes chapter summaries giving suggestions for teaching strategies discussions with mentors and tutors and further reading Includes examples of successful new teaching approaches introduced by trainees and case studies on religion gender and ethnicity Enables trainee teachers to make links between theory research and practice Relevant to all trainee teachers at primary level concerned to develop good practice      Creative Teaching: History in the Primary Classroom Rosie Turner-Bisset, 2012-12-06 Designed specifically for teachers with little subject knowledge or experience in history this book provides trainees with the confidence they need to teach primary history Based on Curriculum 2000 the book provides valuable step by step guidance on how to create plan develop organize and assess high quality teaching activities in primary history This book is full of teaching approaches practical ideas teaching activities real life case studies and vignettes of good teaching practice covers both conventional and modern approaches such as drama role play story telling music and dance and explains how each approach can be adapted to suit all primary ages and abilities Children with a range of learning needs and styles respond with enthusiasm to a wide variety of teaching approaches and this book provides trainee teachers with that repertoire and variety      **Teaching Humanities in Primary Schools** Pat Hoodless, Elaine McCreery, Paul Bowen, Sue Bermingham, 2009-09-10 This book supports primary trainees in their learning and teaching approach to the core humanities subjects geography history and religion It promotes an integrated approach to these subject areas and encourages trainees to reflect on the links between

subjects across the curriculum from the Early Years Foundation Stage through to Key Stage 2 This edition has been updated to incorporate the revised Professional Standards for the Award of QTS and addresses key initiatives such as Excellence and Enjoyment Every Child Matters and the Primary National Strategy for Literacy and Mathematics **Teaching Religious Education** Elaine McCreery, Sandra Palmer, Veronica Voels, 2008-05-21 Many trainee primary teachers are uncertain as to the place and purpose of RE in primary schools This book is designed to alleviate such fears and give trainees the security and confidence to teach RE effectively Trainees are encouraged to recognise their own religious position and understand how they handle their own beliefs and commitments in the classroom In addition they will learn how to be sensitive to children s religious viewpoints allowing children to share their beliefs in a secure and supportive environment A range of strategies help readers to provide engaging and appropriate RE across the primary age phase
