Remembering Horowitz 125 Pianists Recall A Legend Remembering Horowitz:

Remembering Horowitz David Dubal, 1993 Pianist and broadcaster Dubal has asked over 100 of the world's leading concert pianists to describe the artistry of Vladimir Horowitz not only his technical powers but his musicianship mastery of timbre and color and the passion he expressed 50 photos **The Pianist's Bookshelf, Second Edition** Maurice Hinson, Wesley Roberts, 2023-11-07 Originally published in 1997 The Pianist's Bookshelf was according to the Library Journal a unique and valuable tool Now rewritten for a modern audience this second edition expands into the 21st century A completely revised update The Pianist's Bookshelf Second Edition comes to the rescue of pianists overwhelmed by the abundance of books videos and other works about the piano In this clear easy to use reference book Maurice Hinson and Wesley Roberts survey hundreds of sources and provide concise practical annotations for each item thus saving the reader hours of precious research time In addition to the main listings of entries such as Chamber Music and Piano Duet the book has indexes of authors composers and performers A handy reference from the masters of piano bibliography The Pianist's Bookshelf Second Edition will be an invaluable resource to students teachers and musicians *When the Music Stopped* Thomas J. Cottle, 2012-02-01 This is the story of one woman's decision to forfeit a brilliant career for the sake of motherhood Once a child prodigy Gitta Gradova traveled the world as an internationally acclaimed concert pianist performing recitals as well as appearing with prominent orchestras of her era Her son Thomas J Cottle uses written records interviews and personal reminiscence to reconstruct her life as well as their own mother son relationship He is at times a storyteller at times a psychologist at times a son seeking to uncover those aspects of his mother's life he could never know or perhaps chose not to know until it was too late **The Pianist's Bookshelf** Maurice Hinson, 1998-05-22 In addition to the main listing of entries the book has several topical indexes Schubert's Reputation from His Time to Ours Geoffrey Block, 2024-12-30 The composer Franz Schubert 1797-1828 was not bereft of early advocates from Schumann Liszt and Mahler to Sir George Grove Brahms famously heralded Schubert as the true successor to Beethoven Nevertheless it was not until the end of the twentieth century that Schubert's major instrumental works finally and fully emerged from Beethoven's shadow Critics and scholars began to reinterpret Schubert's departures from Beethoven's formal and stylistic characteristics and to see these departures not as flaws but as strengths and hallmarks of a new paradigm Schubert's alternate constructions of masculine subjectivities first described by Schumann in 1838 parallel a developing appreciation for lyricism melody and song traits historically regarded as feminine Consequently Schubert's approach is increasingly viewed as innovative and divergent rather than defective and deviant Schubert's Reputation from His Time to Ours tells the story of how and why this has happened **The 20th Century Go-N** Frank N. Magill, 2014-03-05 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who's who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence

with a quick reference section that provides basic facts on the individual's life and achievements. The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history. All entries conclude with a fully annotated bibliography.

Focus On: 100 Most Popular United States National Medal of Arts Recipients Wikipedia contributors, *The Essential Canon of Classical Music* David Dubal, 2003-10-24. Identifies almost two hundred forty composers whose works are most important to an understanding of classical music with essays on sixty of the most significant. Presented in chronological order for the Medieval Renaissance and Elizabethan ages, the age of the Baroque, the age of Classicism, the Romantic age, and the age of Modernism.

Shura Cherkassky Elizabeth Carr, 2006-01-12. Shura Cherkassky's life story like his piano playing is provocative and captivating. At his death in 1995, Cherkassky was considered one of history's greatest pianists as well as the last direct link to the Romantic piano tradition of Chopin, Liszt, and Anton Rubinstein. Cherkassky's story merits telling not only for his musical achievements but also for the inspiration he provided by demonstrating tenacity, integrity, common sense, and uncommon courage. Cherkassky began his concert playing life in Ukrainian Odessa at a time of lethal civil strife. Escaping with his parents to America, the child prodigy came under the tutelage of famed pianist Josef Hofmann, whose unfailing personal and professional assistance continued for more than twenty years. Cherkassky overcame poverty, prejudice against his Jewish origins, and unhappiness from his ambivalence over his homosexuality to forge an impressive touring and recording career, an enormous musical repertoire, and an intriguing personality both on stage and off. From his sensational 1923 American debut tour to sold-out concerts on six continents, Cherkassky retained his brilliance throughout a seventy-five year professional career. As a close friend for his last twenty years, author Elizabeth Carr traveled with Cherkassky on tour, attending recording and rehearsal sessions and watching him practice, plan programs, and cope with pianos, acoustics, conductors, and orchestras. Her role as confidante results in a keen understanding of Cherkassky both as a human being and a performer. Through observations, anecdotes, sixteen pages of photos, and personal correspondence reprinted in the book, this biography offers extensive research never before published and an intimate look at the man and his music.

Virtuosi Mark Mitchell, 2000-11-22. The characters who populate his evocative narrative include not only such famous virtuosos as Franz Liszt, Martha Argerich, and Vladimir Horowitz, but also Ervin Nyiregyhazi, the skid-row pianist, the eccentric Vladimir de Pachmann, and Liberace.
