[The Real Interior](#) Nthabi Taukobong,2019-05-01 In my own home is where my journey of healing began NTHABI TAUKOBONG The Real Interior not only allows the reader a behind the scenes peek into the glitz and glamour of design and decor but into a career once never considered an option for a young girl born in Soweto As one of the first black and very recognisable faces of Interior Design in Africa Nthabi Taukobong was thrust into the limelight from the very start of her profession Spanning a career of more than 23 years she has worked on esteemed residential and leisure projects for presidents African royalty captains of industry and five star hotels to name but a few Through the rough and often very challenging terrain of her chosen career sprinkled generously with the high end glamour of prestigious interiors that Nthabi has been privileged to work on she learned that she in fact had to be seated right within her own interior before she could offer anything further to those in search of her creative gift And as she searched and explored the greater world of design trying to grasp what it really took to be an esteemed designer the journey unexpectedly brought her right back into her own home Not only Nthabi s physical home but also to her inner home the place that she refers to as her real interior It was in writing a letter one evening congratulating herself on reaching the milestone of 21 years in her career that Nthabi discovered she was not only writing to herself but to every creative Her letter ended up being an entire book and Nthabi finally understood how her

unique story could inspire and encourage others
