**Recipes for the Bread of God** Deacon Eugene A. Knox,2019-03-14 Profoundly written The author uses a this is not rocket science approach in teaching the reader how to walk in grace as you live the Word Recipes for the Bread of God will help you maintain godliness in this world of ungodliness An amazing opportunity for the reader to discern the truth of the Word of God in simple terms This book will make the believer s belief more believable Whether you use the topical index or read the book in its entirety there is something here for everyone This book is about learning how to run your carnal race in a spiritual way so that you become pleasing in God s sight No one has ever said that living your life would be easy but reading this book surely helps one navigate through the rough times As you read this book there will be many times that you will pause and say Now that makes a lot of sense to me A must read for preachers and Sunday school teachers Sermons and Bible studies with biblical correctness can be shared This book will help take the confusion out of understanding the Word of God Every recipe has its own ingredients John 6 33 says The bread of God is He who comes down from heaven and gives life to the world Jesus said in John 6 48 I am the bread of life He says of Himself in John 6 51 I am the living bread which came down from heaven He who eats this bread will live forever and the bread that I shall give is My flesh which I shall give for the life of the world Amen
