The oldest surviving child of King Henry VIII she grew up in an era of religious and political turmoil both in England and abroad and though united in its Christianity the continent was divided in how it approached that faith A growing wave of protest and dissent had been met with brutal suppression in the 15th century only to emerge like a phoenix from the flames in the form of Protestantism With religious faith and political practice deeply intertwined countries were being torn apart in a growing conflict between Catholics and Protestants Mary's life was shaped by her experience of this and by the twisted family politics of her father Henry VIII Henry VIII's lone male heir his young son Edward was a strong Protestant but a sickly teen and as it became clear he would not survive to adulthood Edward did not want his crown to pass to Mary a zealous Catholic whose brutal reign would include 280 heretics being burned at the stake during the Marian Persecutions However Edward could see no constitutional or indeed non arbitrary way to pass over Mary and instead choose the younger sister Elizabeth Hence in his typical schoolboy penmanship Edward's will attempted to override the Succession to the Crown Act 1543 advocated by his father and passed by Parliament bar both Mary and Elizabeth from the succession and instead declare as his heir Lady Jane Grey who was the granddaughter of Henry VIII's sister Mary Lady Jane was proclaimed queen by the Privy Council possibly under duress but her support soon waned after her own close blood relations distanced themselves from her and she was deposed after just over a week Given this background it is hardly surprising then that her reign epitomized an extreme reaction against these upheavals Mary's behavior was rightly viewed with fear and anger by many but in hindsight it is hard not to pity the woman who took these terrible steps Emotionally betrayed by her father her husband and even her own body Mary's life is one of the great tragedies of the English crown It also hasn't helped Mary's legacy that she was succeeded by one of England's greatest monarchs her younger sister Elizabeth Elizabeth I was the last Tudor sovereign and she would improve upon her predecessors successes and mitigate their failures In the process she would lend her name to the Elizabethan Age and set Great Britain on its future imperial course
