Bethlehem's three mothers [Naomi, Ruth and Mary the virgin] and the soil they trod E. Shoemaker, 2016-01-01 For the first time a noted historian of Christianity explores the full story of the emergence and development of the Marian cult in the early Christian centuries The means by which Mary mother of Jesus came to prominence have long remained strangely overlooked despite or perhaps because of her centrality in Christian devotion Gathering together fresh information from often neglected sources including early liturgical texts and Dormition and Assumption apocrypha Stephen Shoemaker reveals that Marian devotion played a far more vital role in the development of early Christian belief and practice than has been previously recognized finding evidence that dates back to the latter half of the second century Through extensive research the author is able to provide a fascinating background to the hitherto inexplicable explosion of Marian devotion that historians and theologians have pondered for decades offering a wide ranging study that challenges many conventional beliefs surrounding the subject of Mary Mother of God **The history of the Blessed Virgin Mary and the history of the likeness of Christ which the Jews of Tiberias made to mock at** Sir

Ernest Alfred Wallis Budge,1899 *The Apocryphal Gospels of Mary in Anglo-Saxon England* Mary Clayton,1998 This book provides an edition translation and commentary of the three apocryphal gospels of Mary written in Old English **Mary, the Mother of Jesus** Franz Michel Willam,2003 Palestine had been at the crossroads of cultural conflict and influence for centuries when it gave birth to the new religion of Christianity Although many books describe the events of the Incarnation life and death of Jesus Christ few attempt to provide a deeper background into the culture and mentality of those who lived as Christ began his mission on earth In this reprint Franz Willam explores the Scriptural and cultural roots of Christianity at its beginnings He thus illuminates the events that took place in the life of Jesus and his parents so that modern readers can appreciate the lessons of ordinary struggle that those first believers practiced *Ancient Traditions of the Virgin Mary's Dormition and Assumption* Stephen J. Shoemaker,2003-01-17 This is an open access title available under the terms of a CC BY NC ND 4 0 International licence It is free to read on the Oxford Academic platform and offered as a free PDF download from OUP and selected open access locations The ancient Dormition and Assumption traditions are a collection of over sixty different narratives preserved in nine ancient languages that commemorate the end of the Virgin Mary s life These traditions have long been overlooked by scholars of early Christianity no doubt largely because this complicated corpus was insufficiently well known The present study aims to remedy this situation with a detailed analysis of the earliest traditions of Mary s death including liturgical and archaeological evidence as well as the numerous narrative sources Several of the most important narratives are translated in appendices many appearing in English for the first time The book will be of interest to all scholars of early Christian literature *The Cemeteries of Jackson and Sandy Ridge Townships, Union Co., NC: Volume 1- Name Index* S. Budge ,1899 The Prayer of Mary and the Saints (Exploring Prayer)* Catherine Aubin,2024-10-17 When Mary has appeared anywhere in the world the locations of her apparitions have points in common with the biblical places where she stayed and lived This book reviews these places examining what they reveal to us about Mary s identity and what the inner spaces are that Mary asks us to dwell in today This book also explores the unique relationship Saint Catherine Labour and Saint Bernadette each had with Mary leading us toward a new deep revelation of Mary s closeness to each of us In preparation for the Ordinary Jubilee of 2025 the Exploring Prayer series delves into various dimensions of prayer in the Christian life These brief accessible books can help you learn to dialogue with God and rediscover the beauty of trusting in the Lord with humility and joy **Mary in the New Testament** Raymond E. Brown,Karl P. Donfried,Joseph A. Fitzmyer,John E. Reumann,1978 The role that Mary plays in God s

plan of salvation is an issue that over the centuries has divided Christians and their churches. In part these differences stem from disagreements about what the New Testament says about the mother of Jesus. This book should go a long way toward solving the disputes. It is not a collection of essays but rather a collaborative statement prepared by a team of Protestant, Anglican, and Roman Catholic scholars who have reached substantial agreement on how Mary was pictured by Christians of the first two centuries. This book follows the same methodology as an earlier volume, *Peter in the New Testament*, produced by the same research group. The status of that first book as an ecumenical achievement of American biblical scholarship is attested to by the welcome it received and by its translation into five foreign languages. In light of the difficulty of the subject matter, Mary in the New Testament may be an even greater achievement. If Roman Catholic and Protestant scholars can agree on what the oldest Christian sources said is the way open for the churches to agree on a fundamental Christian attitude toward Mary. This book is written by scholars but it is not meant only for scholars. The authors have taken pains to make the work intelligible to students, clergy, and the knowledgeable laity of their churches. It combines scientific research with a respect for Christian sensibilities.

The Mystical City of God Ven. Mary of Agreda, 2012 A highly successful abridgment of the monumental 2,676 page 4 vol life of the Blessed Virgin Mary as seen in mystic vision by Ven. Mary of Agreda, 1602-1665. This book overflows with enthralling information about Our Lord and Our Lady, about the creation of the world, the meaning of the Apocalypse, Lucifer's rebellion, the location of hell, the hidden life of Jesus, etc. Reveals that St. Joseph ate meat but Our Lord and Our Lady seldom did. Makes Christ's hidden life really come alive. Acclaimed by the Popes, cardinals, and theologians, one of the greatest Catholic books ever.
