The Lost Gospel of Mary: Mother of Jesus in Three Ancient Texts Frederica Mathewes-Green, 2007-04-01 Some Christians have piled the status of the mother of Jesus so high that it rivals that of her Son Others ignore the Virgin Mary entirely Behind all of the images is a girl who grew up to be the mother of Christ How did the first Christians view her What were the commonly understood facts about the Blessed Mother's early life before the Annunciation How did Mary the mother of Jesus become the Theotokos Frederica Mathewes Green opens up the Virgin Mary's early life offering a window into her centrality to the Christian Faith in new and sometimes startling ways Do you want to get to know Mary a bit better Are you interested in entering a faithful Marian spirituality Let Frederica Mathewes Green facilitate a rich traditional authentic meeting of Mary When it comes to spending time with the mother of our Lord this book is second only to Scripture Lauren F Winner author of *Girl Meets God* *Mudhouse Sabbath* and *Real Sex* The Mary that Frederica Mathewes Green gives us in these winsome texts a palpably real woman at once humble and exalted transcends the differences that persist even today among the main streams of the Christian tradition not least because this Mary points beyond herself to the ultimate source of our hope and our joy John Wilson editor Books Culture Frederica Mathewes Green is a sparkling writer In *The Lost Gospel of Mary* not only is her material fascinating but so is her perspective as a thoughtful and irenic Orthodox Christian There is much here to warm the heart as it engages the mind from here to warm the heart as it engages the mind from early in our common Christian tradition Brian McLaren author of *A Generous Orthodoxy* and www.brianmclaren.net

Defense for Biblical Trinity Theology and the Doctrine of Holiness Samuel R. Siders, 2021-03-16 Theology and Christology are intense biblical discussions as well as the doctrine of holiness which I have been involved in as an apologist Defense of the Scriptures and the kingdom of God Jude 1:3 for over a decade on social media among other intense topics with Muslims Israelis atheists Gnostics false cults and a myriad of various denominations that call themselves Christians because not everyone agrees on what the Bible teaches about the Father Son and Holy Spirit Most of what will be shared in the first section of this book will be in defense of who Jesus is in His fullness His Christology which includes the biblical fact that Jesus is both deity through heredity in spirit and soul like His Father Almighty God is deity and as eternal as His Father Almighty God The second section of this book will provide the information that proves obedience to God s moral ethical laws is required to receive eternal life after receiving Jesus atonement grace through faith for sin to be cleansed and forgiven Obedience is not an option to be ignored but a required effort to be made and improved upon and God has given His Holy Spirit to teach us how to perfectly obey Him and the help to succeed Nowhere does the Bible teach that obedience to God s moral ethical laws atone for sin nowhere but the Bible does teach obedience making the conscious effort to go onto perfection with our physical body flesh is required to receive eternal life God uses obedience to render our physical body righteous This book will share in greater detail about the topic of faith grace atonement and obedience all three are required to receive eternal life not atonement grace through faith only *Our Lady of Unity's Co-Founder's Formation and Mission Handbook* Romeo Deiparine, 2019-04-22 For thousands of years religion existed revealing humanity s need and hunger for the invisible and unfathomable God Billions of souls were drawn to religion especially when the children of Israel shared to us the invisible and unfathomable God that is always presence in our lives Religion forms and prepares us in our long and demanding journey to God and this book was written as a manual of divine

direction shaping and transforming our soul into the likeness of God This book was specially made for serious souls who want to give their all to God and achieve salvation This is dedicated solely for the greater glory and honor of the Triune God through our Lady of Unity

Vatican II on Mary: The Case for the definition of the Spiritual Motherhood of Mary Douglas Nnamdi Egbuonu,2014 The purpose of this study is to show that the formal definition of the spiritual Motherhood of Mary would constitute a doctrinal development from Vatican II s teaching on Mary It is my strong view that Mary s spiritual motherhood should be explicitly acknowledged accepted and stamped with the extra ordinary infallibility of the Church magisterium so that it would become a dogma of the Church as the *sensus fidelium* Such formal definition would give the doctrine the seal of juridical authenticity and prevent it from denigration and rejection in future This study argues that the Catholic Church needs to advance forwards from the Marian teaching of Vatican II by making concerted efforts to maintain the Marian trajectory in the Church Also portrayed are the efforts of the papal magisterium and some noted Catholic theologians that have gone back to the sources of the early Fathers of the Church in order to teach that Mary s spiritual Motherhood has solid foundation on Scripture and the Church s tradition The post conciliar teachings of the above stated papal magisterium and contemporary theologians have the aim to nurture and sustain the faith and understanding of the people of God about Mary s spiritual Motherhood The study also examines evidence to show that there is much in the Catholic Marian theology that could improve understanding among Christians of different denominations In particular it portrays the fact that Mariology always points to Christ being indissolubly linked with Christology and also has intrinsic unity with ecclesiology
