MASH Goes to Vienna Hooker Richard, William E. Butterworth, 1979 **MASH Goes to Vienna** Richard Hooker, William Edmund Butterworth, 1979 **To Be Continued** Hope Apple, Merle L. Jacob, 2000-10-10 Keeping track of prolific authors who write fiction series was quite challenging for even the most ardent fan until *To Be Continued* debuted in 1995. Noew readers will be happy that the soon to be released second edition has added 1 600 new books and 400 new series. *To Be Continued* Second Edition maintains the first volume's successful formula that featured concise A to Z entries packed with useful information including titles, publishers, publication dates, genre categories, annotations, and subject terms. Among the genre categories that can be found in *To Be Continued* are romance, science fiction, crime novel, horror, adventure, fantasy, humor, western, war, Christian fiction, and others. *To be Continued* Merle Jacob, Hope Apple, 1995 This guide identifies both in print and out of print works of fiction featuring continuing themes, plots, or characters in which there is a sense of development and passage of time. Entries are arranged alphabetically by author and are accompanied by bibliographic information. *The Whole Story* John E. Simkin, 1996 This work is the only comprehensive guide to sequels in English with over 84 000 works by 12 500 authors in 17 000 sequences. **The Oxford Companion to Beer** Garrett Oliver, 2012 The first major reference work to investigate the history and vast scope of beer. *The Oxford Companion to Beer* features more than 1 100 A-Z entries written by 166 of the world's most prominent beer experts. It is vivid and dramatic and should appeal to a large audience. The story is common to many young men and women growing up in the Caribbean and their struggle to assimilate and adopt to rapid changes in population, education, and exposure to the outside world. Because the stories are non-fiction and are related to actual historic events, many historical facts may be gleaned from these accounts. Many of the accounts are comical and make for easy reading and comprehension. Many Virgin Islanders will recognize names, places, and events that took place over the 30 years period that the story covers, and it is sure to generate vibrant discussions whenever this book is discussed.
