Aesthetic Perspectives on Culture, Politics, and Landscape Elisabetta Di Stefano, Carsten Friberg, Max Ryyänen, 2022-05-28 This book investigates how we are involved in politically informed structures and how they appear to us Following different approaches in contemporary aesthetics and cultural philosophy such as everyday aesthetics atmosphere and aestheticization

the contributions explore how embedded powers in politics education democracy and landscape are analyzed through aesthetics **Economic Perspectives** ,2009 **Historical and Archaeological Perspectives on Gender**

Transformations Suzanne M. Spencer-Wood,2012-12-09 In many facets of Western culture including archaeology there remains a legacy of perceiving gender divisions as natural innate and biological in origin This belief follows that men are naturally pre disposed to public intellectual pursuits while women are innately designed to care for the home and take care of children In the interpretation of material culture accepted notions of gender roles are often applied to new findings the dichotomy between the domestic sphere of women and the public sphere of men can color interpretations of new materials In this innovative volume the contributors focus explicitly on analyzing the materiality of historic changes in the domestic sphere around the world Combining a global scope with great temporal depth chapters in the volume explore how gender ideologies identities relationships power dynamics and practices were materially changed in the past thus showing how they could be changed in the future **International Perspectives on Home Education** P. Rothermel,2015-03-23 This collection brings together the research of an eclectic mix of leading names in home based education studies worldwide It uses home education to explore contemporary education outside of school and place it into a global political and critical context and will be essential reading for home educators academics and policymakers alike **Global Perspectives In Information Security** Hossein Bidgoli,2008-09-16 Global Perspectives in Information Security compiled by renowned expert and professor Hossein Bidgoli offers an expansive view of current issues in information security Written by leading academics and practitioners from around the world this thorough resource explores and examines a wide range of issues and perspectives in this rapidly expanding field Perfect for students researchers and practitioners alike Professor Bidgoli s book offers definitive coverage of established and cutting edge theory and application in information security **Massachusetts Education in Perspective 2002-2003** Kathleen O'Leary Morgan,2002-09-01 *Handbook of Research on Open Source Software: Technological, Economic, and Social Perspectives* St.Amant, Kirk,Still, Brian,2007-04-30 This handbook of research is one of the few texts to combine Open Source Software OSS in public and private sector activities into a single reference source It examines how the use of OSS affects practices in society business government education and law
