Courseware for IPMA Individual Certification based on Project Management by ICB4 Bert Hedeman, Roel Riepma, 2024-09-23 html body data pb style BLUCCCS justify content flex start display flex flex direction column background position left top background size cover background repeat no repeat background attachment scroll This Courseware for IPMA Individual Certification contains the slides for the various IPMA training courses It includes slides for all the learning

objectives as described in the textbook *Project Management by ICB4* and the Preparation Guide for IPMA Individual Certification. It follows the same structure as this textbook and preparation guide. Each IPMA Member Association independently determines which learning objectives are required at the different IPMA levels. Custom slide decks are available online on request. These will then correspond to the learning objectives they set per level. It is recommended that the courseware be combined with the textbook and preparation guide. This provides optimal preparation for the exams. The slides provide an ideal overview of the characteristics and essence of each learning objective. This courseware contains about 430 informative slides for all levels. An extensive team of IPMA trainers and project managers has reviewed these slides. We wish you every success in your projects and in preparing for your exam.

Knowledge, Belief and Culture in Human Resource Management for Hr Practitioners and Entrepreneurs Arbab Akanda, 2015-02-26 THIS BOOK IS FOR THOSE WHO WANT TO MAKE A POSITIVE IMPACT ON THE SOCIETY THROUGH ORGANISATIONS THAT VALUE HUMAN RESOURCES IN THE TRUE SENSE AND SPIRIT

The True Value of CSR B. Fryzel, 2014-12-22 By considering the importance of Corporate Social Responsibility CSR as a business paradigm but also as a growing scepticism about its outcomes The True Value of CSR answers questions about true value behind this concept motivations of firms embedding CSR in their core strategies and a capacity of CSR to make a real difference on the market

Project Management by ICB4 - IPMA Bert Hedeman, Roel Riepma, 2023-09-21 IPMA observes an increasing number and importance of projects in business public and people's lives also known as projectification. In the world of globalisation an increasing number of organisations are working project based to cope with the challenges of modern times. Especially now society is on the brink of such significant changes as global warming and artificial intelligence. Projects drive the development of new products and services expansions new capabilities implementation of new strategies and new generations of infrastructure and major maintenance and upgrade of existing facilities and infrastructure. This book provides a knowledge base for developing individual competencies for managing projects as described in the IPMA Individual Competence Baseline version 4 which encompasses Perspective competencies People competencies Practice competencies. As projects become increasingly important we must continue to realise that projects begin and end with people and that their competent performance within the broader context of the environment is at the heart of any successful project. In this book theories and practices for all ICB4 competencies are described. They are logically sequenced explained and enriched with practical approaches which can be learned and applied in the daily project management practice. As such it aligns entirely with IPMA's vision to strengthen competence across society to enable a world in which all projects succeed. This book also supports obtaining an IPMA certificate as proof of your competence in projects.
