Let There Be Wisdom in Truth Asif Shakoor,2021-09-03 This book was written in good faith The hope for humanity is the spirit of poetry with revelation of wisdom in truth The vision of truth is the moral wisdom of life s existence The footsteps of our journey walk us toward wisdom to take us deep into the world Let There Be Wisdom In Truth is to honor all who have lost their lives to the COVID 19 pandemic We live in the most uncertain of times These poems speak for the nameless voices taken away from us to be forever silenced by their unfortunate fate The art of healing is the soul of wisdom Let There Be Wisdom In Truth is our moral consciousness which binds us to humanity The wisdom of poetry is the fragrance of love Poetry is the light that burns in our soul to liberate us from our caged existence My first book Let There Be Light in Darkness opens our eyes to the great truth of Sufi poetry The second book Let There Be Wisdom In Truth opens the mind to seek and search for meaning and purpose in our existence The doors to wisdom are opened and truth enters as our most welcomed guest

The State Of the Union and Our Democracy? James Ameen Joher,2006-11-30 The State of the Union is a book about the present leadership and the history that we have experienced from the 90s to 2006 The book is about politics government and the history of the nation Plus some of the things that are left out in the history books in a time when technology has improved for people to be free and able to report This book is for people to understand some of the history that you may have missed or have not kept up with the whole time I separated the book into the various chapters according

to the dates they occurred and how I felt that day when I wrote it according to how I understood the news reports A lot of news has compiled and a lot of people are still very confused about the State of the Union and of the World The environment is going to be the biggest challenge for the future At the same time there is a common agreement that the government in the United States has misinformed us spent a lot borrowed money and there are officials that have abused their power Too many issues have come up and the government is having a difficult time on being fair and there is a growing movement in the United States for individuals to raise and become leaders The World is changing and this is a unique time Enjoy the book
