All Poets Welcome Daniel Kane, 2003-03-26 This landmark book together with its accompanying CD captures the heady excitement of the vibrant irreverent poetry scene of New York s Lower East Side in the 1960s Drawing from personal interviews with many of the participants from unpublished letters and from rare sound recordings Daniel Kane brings together for the first time the people political events and poetic roots that coalesced into a highly influential community From the poetry reading venues of the early sixties such as those at the Les Deux M gots and Le Metro coffeehouses to The Poetry Project at St Mark s Church a vital forum for poets to this day Kane traces the history of this literary renaissance showing how it was born from a culture of publicly performed poetry The Lower East Side in the sixties proved foundational in American verse culture a defining era for the artistic and political avant garde The voices and works of John Ashbery Amiri Baraka Charles Bernstein Bill Berkson Ted Berrigan Kenneth Koch Bernadette Mayer Ron Padgett Denise Levertov Paul Blackburn Frank O Hara and many others enliven these pages and the thirty five track CD includes recordings of several of the poets reading from their work in the sixties and seventies The Lower East Side s cafes coffeehouses and salons brought together poets of various aesthetic sensibilities including writers associated with the so called New York School Beats Black Mountain Deep Image San Francisco Renaissance Umbra and others Kane shows that the significance for literary history of

this loosely defined community of poets and artists lies in part in its reclaiming an orally centered poetic tradition adapted specifically to open up the possibilities for an aesthetically daring playful poetics and a politics of joy and resistance

Suicide Squeeze Victor Gischler, 2006-01-31 The Edgar Award nominated author of *Gun Monkeys* delivers an adrenaline rush of a novel that features a special appearance by Joe DiMaggio The high spot of Teddy Folger's life was the day in 1954 that he got an autographed baseball card from Joe DiMaggio himself It's been downhill ever since Which is why he just unloaded his freeloading wife and torched his own comic book store in one of the stupidest insurance scams in history Enter Conner Samson The down on his luck repo man has just been hired to repossess Teddy's boat Little does he know there's a baseball card on board that some men are willing to kill for Thus begins a rip roaring cross country odyssey and with bodies piling up the squeeze is on for the penultimate piece of Americana And Conner will be lucky if he ends up back where he started broke and still breathing

The Nervous System Nathan Larson, 2012-07-03 This detective story set in a dystopian New York stars a seriously weird dude A good time for fans of the likes of Charlie Huston and Charles Stross Kirkus Reviews Nicknamed Dewey Decimal for his obsessive attempts to bring order to the New York Public Library in the wake of disastrous events in the city the hero of this series earns his keep as a bagman and enforcer for unscrupulous politicians and underworld figures Now he's stumbled upon information concerning the gruesome murder of a prostitute that involves a prominent US senator and finds himself chasing ghosts and fighting for his life pursued by private military contractors and the ever present specter of his own past Larson's vividly imagined world and his quirky narrator are likely to win him a cadre of loyal fans Publishers Weekly This intellectual giddy riot is the book of the year The mystery is taken to a whole new level of technospeak artistry and wonderfully witty like John Kennedy Toole if he'd written a mystery novel and did meth a lot of it The warmth of the character seeps through in Dewey Decimal's love for a devastated New York The most original PI since Marlowe OCD never seemed so compelling Loved it and then some What a writer Ken Bruen author of *Headstone* I'm a sucker for a postapocalyptic setting and Nathan Larson's is a doozy but the real gold here is the voice I could listen to this guy all day S J Rozan Edgar Award winning author of the Bill Smith Lydia Chin series
