Quickest Way To Enlightenment The:

Guide to the Bodhisattva's Way of Life Volume 1 , Teachings from the 51st Kopan Meditation Course:

Lamrim Teachings from Kopan 2018 Lama Zopa Rinpoche, 2025-02-20 From December 6 18 2018 Lama Zopa Rinpoche taught the students of the fifty first Kopan course the one month intensive lamrim course given each year at Kopan Monastery Kathmandu the principal monastery of the FPMT This ebook presents twelve lectures given by Lama Zopa Rinpoche during this meditation course In the teachings Rinpoche gives an overview of the path to enlightenment and explains that the antidote to the sufferings of samsara is meditation on emptiness The meditation course concluded with a Vajrasattva initiation on December 18 Prior to the empowerment Rinpoche taught on Vajrasattva and explained how to purify our negative karma Rinpoche also discusses the importance of developing the good heart and advises that with this precious human life we have a rare opportunity to practice Dharma and actualize the path Other vital subjects covered in this course include the kindness of the mother the ultimate nature of the mind the twelve links and the Wheel of Life These teachings were simultaneously transcribed and then edited by Ven Joan Nicell and simultaneously checked for errors by Tania Duratovic and Laura Haughey They have been subsequently lightly edited by Gordon McDougall Elijah the Bodhisattva Malcolm David Brown, 2024-01-26 This is an interspiritual commentary largely though not exclusively Buddhist inspired on the life of Elijah as recounted in the Bible It treats the externals of his life as metaphors for internal mind states his story as a labyrinth like journey toward enlightenment an unfolding realization of the non duality of himself and God Elijah begins with a henotheistic conception of God as a national deity connected to the land of Israel and progresses to a realization of God as the ground of being being itself the God of those who struggle with God which is the deeper meaning of the name Israel While the inner dimension is emphasized there is also a focus on the political dimension of the story which liberation theologians call God s preferential option for the poor and here it is called the politics of anatta the core Buddhist principle of not self *New Clairvoyance* Dr. Milan Nostrad, 2013-04-22 Never published meditations never published clairvoyant methods new aura types and much more Finally something new in meditation clairvoyance hermetism karma reincarnation chakras magic dreams cabala and esoterism I write about things that have never been published yet For example psychic centres using the brain for clairvoyance and much more I published several of my own clairvoyance meditations I practiced each area of clairvoyance and esoteric divination mentioned in the book I describe how karma comes to us enters into the body and how it is implemented You can learn to see it and predict the near future The flow of karma has not been described in such detail yet There are two kinds of karma one we create ourselves and the other we inherit Both have a significant impact on our future our destiny How to Face Death without Fear Zopa, 2020-06-23 A renowned Tibetan lama s guidance for supporting your loved ones through death and for dying without fear yourself Helping our loved ones at the time of death is the best service we can offer them our greatest gift Why Because death is the most important time of life it s at death that

the next rebirth is determined Lama Zopa Rinpoche For years Lama Zopa Rinpoche envisioned a practical book to inform students of how to help loved ones have a beneficial death How to Face Death without Fear has been compiled from years of Rinpoche s teachings and has been lovingly edited by Venerable Robina Courtin Rinpoche provides detailed advice on how to help your loved ones prepare for the end of their life with courage acceptance and a mind free of fear With great care he explains what to do in the months weeks and days before death how to handle the moment itself what to do after the breath has stopped and finally what to do after the mind has left the body Rinpoche provides the mantras prayers and meditations appropriate for each stage This new edition of Rinpoche s modern classic How to Enjoy Death makes it easy for the reader to find the right practice at the right time This handbook is an essential reference for Tibetan Buddhist caregivers hospice workers and chaplains But as Rinpoche points out it is not only for people who work with the dying it is education we all need You ll find solace in this wealth of advice and you ll also gain the confidence to ensure that your loved one s death and your own will be joyful and meaningful
