Holiday from the Perfect Crime / Poems Daniel Abdal-Moore, 2011-05-01 Somehow the resonance for me during the entertaining of this title as an abiding albeit background theme for the poems was the perfect crime of our existence perfect because created by a perfect Creator A crime because we get up to such malfeasance all the time at the lower end of it and a crime at the higher end in the sense that the Sufis often mention that any existence of theirs before

Allah ta ala any flake or residue of their self ness is a crime a flaw an obstruction before the Light of God Only when you have known a saint wali of whatever spiritual practice do you the sense of a personality honed to its finest before the divine consciousness whose actions and words and thoughts are soaked in divinity to such a degree that the person is truly human in its essence and effaced before God in His ever present and infinitely Merciful activity *The Sound of Geese Over the House / Poems* Daniel Abdal-Hayy Moore,2015 The sound of geese over the house and in the house the prayer on the Prophet The sound of geese over the house and in the house Allah loves you The mountains are full of light and their gigantic shadows are eloquent since they re leaning against the sky and out into space with their crags and outcrops No sound can scale in a dimension commensurate with the pure expanse of it The sound of geese over the house puts a dome of life above us and a sea of life below us and a world of life all around us and a shaft of living Light inside us **Blood Songs / Poems** Daniel Abdal-Hayy Moore,2012 The look of love death has on its face and in its fathomless eyes as behind the burning irises legions upon legions of angels file up and down a spiraling staircase carrying love notes and bringing back blessings and reprieves I m really not sure why this particular collection of my poems is called Blood Songs the title it has had since beginning the first poem of the book written in October of 2000 and though as with other titles of mine not necessarily threading a theme throughout yet the title stands notwithstanding and so it stands **Wit'ch Gate** James Clemens,2002-02-05 The dazzling epic of The Banned and the Banished has established James Clemens as an exciting new voice in fantasy fiction Now his remarkable skills reach their peak with Wit ch Gate as one girl remains her realm s only hope against the forces of darkness In a spectacular feat of daring and magic Elena and her army of outlaws and rebels have defeated evil s minions and released the mystic secrets of the Blood Diary But the malevolent Dark Lord has unleashed the Weirgates black wells of ferocious energy that are his greatest source of power Now Elena s bravest allies are sent to find and destroy the Gates as windships carry the fight north to the frigid woodlands south to the burning desert sands and east to the blasted regions of dread Gul gotha Along the way they will face their own personal demons as well The twin brothers Mogweed and Fardale race against time to break the curse that has stolen their shapechanging birthright and Elena s brother Joach must evade the desert sandsharks if he is to master his own elemental power The trail will lead them even to the fabulous el vin homeland of Stormhaven None of the rebels will come back unscathed some never returning at all And Elena herself must journey to Gulgotha Daring the enemy s own lair she must emerge victorious if she is to reveal the secret of the Dark Lord s frightening identity and the shocking nature of his vast powers *Facing Mecca / Poems* Daniel Abdal-Hayy Moore,2014 As Muslims who pray the five obligatory prayers each day of our lives when able we orient ourselves toward Mecca located in what is now Saudi Arabia from wherever we happen to find ourselves farflung in some island fastness or out in desert dunes or in a New York hotel room There are boat people who tie up and face Mecca right in their boats saintly Moroccan merchants who fling their carpets down just behind the counter where they sell embroidery thread to very particular customers I am a

witness We can't get too far out when we stop to face Mecca five times and more a day or in the solitude of our nights knowing the plumb line goes straight through to the next world and its rising to the holy heights **Exquisite Ruin**

AdriAnne May, 2025-03-25 In this darkly romantic reimagining of the Minotaur myth a sorceress and a demon are entwined in sensual battle to escape a deadly maze and reclaim their freedom In this deadly maze the most dangerous thing may be the passion between them Sadar wakes in a labyrinth remembering nothing except that she is a powerful sorceress Her only companion is a hostile immortal named Daesra beautiful dangerous and demonic who bound his divine soul for power and revenge Despite their animosity the two have no choice but to work together to reach the center and defeat the monster who prevents their escape But the longer they wander the more deadly and alive the maze becomes and the more Sadar finds herself drawn to Daesra in ways she can't explain As sorceress and demon develop a tenuous truce the labyrinth gives Sadar glimpses of their shared history of passion and pain that make her question everything she knows Unlocking the secrets of her past may be the only way to survive and heal their entwined fates but as she learns more about the betrayals that brought them to the labyrinth Sadar begins to fear that the monster at the center could be Daesra or even herself
