Racial Problem In Christian Perspective:

The Racial Problem in Christian Perspective Kyle Haselden, 1964 Christianity and the Race Problem Joseph Houldsworth Oldham, 1925 *Speech: The Racial Problem in Christian Perspective* Kyle Haselden, 2017 Description Series 2 Race Relations Institute 1943 1969 Race Relations Institute 1959 **A Reader in Sociology; Christian Perspectives** Charles P. De Santo, Calvin Redekop, William L. Smith-Hinds, 2001-03-07 *The Anatomy of Racial Attitudes* Richard A. Apostle, Charles Y. Glock, Thomas Piazza, Marijean Suelzle, 2023-04-28 Racial tension divides American society Racial equality remains a distant goal Although the position of Black Americans has improved in recent years the widespread enthusiasm for the Civil Rights movement has waned Why has progress slowed What makes racial problems in America so difficult to solve A principal cause according to *The Anatomy of Racial Attitudes* is the way in which white Americans explain or account for the social conditions in which most black Americans find themselves A substantial proportion of whites believe that stereotypes that Black Americans are relatively less well off because blacks do not try hard enough to better themselves or because of the difference due to genetics or to God's plan Whites who hold such views have relatively little sympathy for programs designed to improve the social conditions In contrast whites who believe that Black Americans are kept back either by deliberate discrimination or by the accumulated social results of past discrimination are much more receptive to policies designed to help blacks Using qualitative and quantitative data this book explores the variety and extent of these explanations for social differences it also describes how each explanation or combination of explanations influences a person's views on policies designed to bring about greater racial equality This study promises to influence not only the course of future academic research on race relations but also the formulation of public policy to deal with racial problems It reveals that the resistance of many whites to policies favorable to racial equality are not isolated phenomenon but instead is part of a comprehensive view of how society works If strides toward racial equality are to be made in the foreseeable future the insights provided here must be considered seriously by policy makers and be incorporated into their strategies This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1983 Race Relations in World Perspective Andrew W. Lind, 2021-05-25 No detailed description available for Race Relations in World Perspective **Race, Religion, and the Continuing American Dilemma** C. Eric Lincoln, 2011-04-01 A classic work on religion and the racial problems of modern America now brought up to date Since the early days of the Republic Americans exuberant unchastened idealism their commitment to the notion of a perfect society in the New World has clashed with the reality of ugly American society and religious groups have all too often accommodated themselves to these injustices In *Race Religion and the Continuing American Dilemma* C Eric Lincoln reevaluates what

Gunnar Myrdal called the American dilemma and studies particularly the influence of the black church This revised edition takes into account the weakening of welfare and affirmative action and argues that the black church must serve today as a vital moral authority to lead us in to the twenty first century *Christian Perspectives on Legal Thought* Michael W. McConnell, Robert Cochran, Angela C. Carmella, 2008-10-01 This book explores for the first time the broad range of ways in which Christian thought intersects with American legal theory Eminent legal scholars including Stephen Carter Thomas Shaffer Elizabeth Mensch Gerard Bradley and Marci Hamilton describe how various Christian traditions including the Catholic Calvinist Anabaptist and Lutheran traditions understand law and justice society and the state and human nature and human striving The book reveals not only the diversity among Christian legal thinkers but also the richness of the Christian tradition as a source for intellectual and ethical approaches to legal inquiry The contributors bring various perspectives to the subject Some engage the prominent schools of legal thought liberalism legal realism critical legal studies feminism critical race theory and law and economics Others address substantive areas including environmental criminal contract torts and family law as well as professional responsibility Together the essays introduce a new school of legal thought that will make a signal contribution to contemporary discussions of law **Readings in Christian Ethics** David K. Clark, Robert V.

Rakestraw, 1994 Ethical interpretations meet real life Case studies and readings explore divergent views on morals in action **Beyond Racial Gridlock** George Yancey, 2009-08-20 Sociologist George Yancey critiques four models of race colorblindness Anglo conformity multiculturalism and white responsibility and introduces a new model mutual responsibility He offers hope that people of all races can walk together on a shared path toward racial reconciliation not as adversaries but as collaborators and partners
