Reminiscences Of Forts Sumter And Moultrie In 1860 To 1861:

Reminiscences of Forts Sumter and Moultrie in 1860 to 1861 Abner Doubleday, 2014-03 This Is A New Release Of The Original 1876 Edition **Reminiscences of Forts Sumter and Moultrie: 1860-1861 (Civil War Classics)** Abner Doubleday, 2015-01-13 To commemorate the 150th Anniversary of the end of the Civil War Diversion Books is publishing seminal works of the era stories told by the men and women who led who fought and who lived in an America that had come apart at the seams Most know Abner Doubleday as the man who invented baseball But before he dedicated himself to the national pastime he was a captain of artillery in the Union Army He fired the first shot to defend Fort Sumter This highly readable account of his time at war brings keen observation to the brutal conflict revealing both a grueling account of war and the often thoughtful contemplative men embroiled in the conflict Doubleday s account of a secret evacuation will put readers on the edge of their seats but it is his reflective tone that invites attention and multiple readings *Reminiscences of Forts Sumter and Moultrie in 1860-'61* Abner Doubleday, 1876 *Reminiscences of Forts Sumter and Moultrie In 1860-'61* Abner Doubleday, 2015-03-04 Now that the prejudices and bitter partisan feeling of the past are subsiding it seems a fitting time to record the facts and incidents connected with the first conflict of the Rebellion Of the eleven officers who took part in the events herein narrated but four now survive Before the hastening years shall have partially obliterated many circumstances from my memory and while there is still an opportunity for conference and friendly criticism I desire to make from letters memoranda and documents in my possession a statement which will embody my own recollections of the turbulent days of 1860 and 1861 *Reminiscences of Forts Sumter and Moultrie In 1860-61* Brevet - Abner Doubleday, 2012-11-11 The summer of 1860 found me stationed at the head quarters of the First United States Artillery at Fort Moultrie South Carolina I was captain of Company E and second in command to Brevet Colonel John L Gardner who was lieutenant colonel of the regiment The regimental band and Captain Truman Seymour s company H also formed part of the garrison The other forts were unoccupied except by the ordnance sergeants in charge Charleston at this period was far from being a pleasant place for a loyal man Almost every public assemblage was tinctured with treasonable sentiments and toasts against the flag were always warmly applauded As early as July there was much talk of secession accompanied with constant drilling and threats of taking the forts as soon as a separation should occur To the South Carolinians Fort Moultrie was almost a sacred spot endeared by many precious historical associations for the ancestors of most of the principal families had fought there in the Revolutionary War behind their hastily improvised ramparts of palmetto logs and had gained a glorious victory over the British fleet in its first attempt to enter the harbor and capture the city **A History of the United States: The war for southern independence** Edward Channing, 1925 **The Battle of Fort Sumter** Wesley Moody, 2016-05-12 On April 12 1861 the long simmering tensions between the American North and South exploded as Southern troops in the seceding state of South Carolina fired on the Federal forces at Fort Sumter in Charleston harbor The battle of Fort Sumter

marked the outbreak of Civil War in the United States The attack provoked outrage in the North consolidated support for the newly inaugurated President Lincoln and fueled the onset of the war that would consume and reshape the country In this concise narrative Wesley Moody explores the long history of tensions that lead to the events at Fort Sumter the details of the crisis and battle the impact of Fort Sumter on the unfolding Civil War and the battle's place in historical memory Supplemented by primary documents including newspaper coverage first person accounts letters and government documents and supported by a companion website this book provides students with a nuanced understanding of both the long term and immediate origins of the American Civil War

Sumter After the First Shots Derek Smith, 2015-07-15 Everyone knows the story of how the Civil War began at Fort Sumter but what happened to the fort after the first shots were fired there The North wanted to restore Sumter to its rightful place in the Union and close the vital Confederate supply port of Charleston while the South needed to defend its birthplace and keep the supplies flowing thus making Fort Sumter one of the most fervently attacked and most tenaciously defended pieces of real estate in the United or Confederate States of America throughout four years of war Recounts the bombardments naval battles and amphibious attacks waged for possession of Fort Sumter Charleston and its harbor Focuses on the human element from squabbling Confederate and Union commanders to the common soldiers inside the fort and the men and women of Charleston Features notable figures such as Robert E Lee and P G T Beauregard the 54th Massachusetts the black regiment made famous by the movie *Glory* and the Confederate submarine *Hunley*

A History of the United States Edward Channing, 1925 *A History of the United States: The war for southern independence, 1849-1865* Edward Channing, 1925

1861 Adam Goodheart, 2011-04-05 A gripping and original account of how the Civil War began and a second American revolution unfolded setting Abraham Lincoln on the path to greatness and millions of slaves on the road to freedom An epic of courage and heroism beyond the battlefields 1861 introduces us to a heretofore little known cast of Civil War heroes among them an acrobatic militia colonel an explorer's wife an idealistic band of German immigrants a regiment of New York City firemen a community of Virginia slaves and a young college professor who would one day become president Their stories take us from the corridors of the White House to the slums of Manhattan from the waters of the Chesapeake to the deserts of Nevada from Boston Common to Alcatraz Island vividly evoking the Union at its moment of ultimate crisis and decision Hailed as exhilarating Inspiring Irresistible by The New York Times Book Review Adam Goodheart's bestseller 1861 is an important addition to the Civil War canon Includes black and white photos and illustrations

Bibliography of State Participation in the Civil War 1861-1866 United States. War Department. Library, 1913

The Civil War: The First Year Told by Those Who Lived It (LOA #212) Brooks D. Simpson, Stephen W. Sears, Sheehan-Dean Aaron, 2011-02-03 The first volume in a four volume series on the American Civil War featuring first hand writings from Ulysses S Grant Robert E Lee Abraham Lincoln and more This mesmerizing and deeply troubling glimpse into the Civil War era will forever deepen the way you see this central chapter in our history a

masterpiece Newsweek After 150 years the Civil War is still our greatest national drama at once heroic tragic and epic our Iliad but also our Bible a story of sin and judgment suffering and despair death and resurrection in a new birth of freedom Drawn from letters diaries speeches articles poems songs military reports legal opinions and memoirs The Civil War The First Year gathers over 120 pieces by more than sixty participants to create a unique firsthand narrative of this great historical crisis Beginning on the eve of Lincoln s election in November 1860 and ending in January 1862 with the appointment of Edwin M Stanton as secretary of war this volume presents writing by figures well known Ulysses S Grant Robert E Lee Mary Chesnut Frederick Douglass and Lincoln himself among them and less familiar like proslavery advocate J D B DeBow Lieutenants Charles B Haydon of the 2nd Michigan Infantry and Henry Livermore Abbott of the 20th Massachusetts Volunteer Infantry Regiment and plantation mistresses Catherine Edmondston of North Carolina and Kate Stone of Mississippi Together the selections provide a powerful sense of the immediacy uncertainty and urgency of events as the nation was torn asunder Includes headnotes a chronology of events biographical and explanatory endnotes full color hand drawn endpaper maps and an index Companion volumes will gather writings from the second third and final years of the conflict LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation s literary heritage by publishing and keeping permanently in print America s best and most significant writing The Library of America series includes more than 300 volumes to date authoritative editions that average 1 000 pages in length feature cloth covers sewn bindings and ribbon markers and are printed on premium acid free paper that will last for centuries

Defending America's Coasts, 1775-1950 Dale E. Floyd, 1997 **Hero of Fort Sumter** Wesley Moody, 2025-05-20 As the commander of the US garrison at Fort Sumter in the fateful early hours of April 12 1861 Robert Anderson 1805 1871 played a critical role in the unfolding of the Civil War Although his leadership and his courage under fire catapulted him into national recognition the attack on Fort Sumter was just one chapter in Anderson s story That story told here in full for the first time offers a unique lens on the development of the US military and the country itself before and during the Civil War Anderson s family harking back to the nation s founding included William Clark of Lewis and Clark fame and Chief Justice John Marshall His father crossed the Delaware with George Washington And among his acquaintances were presidents ranging from the aged John Adams to seven year old Theodore Roosevelt Historian Wesley Moody charts Robert Anderson s path from an upbringing on the Kentucky frontier to a West Point education and a military career that saw him fighting in nearly every American conflict from the Black Hawk War to the Civil War catching malaria fighting the Seminoles taking several bullets while serving in Mexico writing the textbook for field artillery used by both Union and Confederate forces mentoring William Tecumseh Sherman Central to Anderson s story was his deft and decisive handling of the Fort Sumter crisis Had Major Anderson been the aggressor as many of his command urged President Abraham Lincoln would have been unable to rally the Northern states to war Had Anderson handed his command over to the Confederate troops a demoralized

North would have offered little resistance to secession To understand this pivotal moment in US history one has to understand the man at its center and to understand that man and his masterful performance under extraordinary pressure one can do no better than to read Moody's thoroughly absorbing richly detailed biography **Reminiscences of Forts Sumter and Moultrie in 1860-'61, by Abner Doubleday,...** Abner Doubleday, 1876 Spiritualism in the American Civil War R. Gregory Lande, 2020-07-10 America's Civil War took a dreadful toll on human lives and the emotional repercussions were exacerbated by tales of battlefield atrocities improper burials and by the lack of news that many received about the fate of their loved ones Amidst widespread religious doubt and social skepticism spiritualism the belief that the spirits of the dead existed and could communicate with the living filled a psychological void by providing a pathway towards closure during a time of mourning and by promising an eternal reunion in the afterlife regardless of earthly sins Primary research including 55 months of the weekly spiritual newspaper Banner of Light and records of hundreds of soldiers and family members spirit messages reveals unique insights into battlefield deaths the transition to spirit life and the motivations prompting ethereal communications This book focuses extensively on Spiritualism's religious political and commercial activities during the war years as well as the controversies surrounding the faith strengthening the connection between ante and postbellum studies of Spiritualism *Reminiscences of Forts Sumter and Moultrie in 1860-'61* Doubleday Abner, 2016-06-23 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **Ball of Lies** James Dayboch, 2021-10-12 Why would respected and famous Americans risk their reputations to create a web of deceit to fabricate promote and defend the myth that Abner Doubleday invented baseball in Cooperstown New York Further if not Doubleday then who did invent baseball Contrary to what many people still believe the Doubleday myth is completely false Based on a true story this book describes the circumstances leading up to the creation of the myth by influential figures and the efforts of a librarian to expose the truth Although major league baseball serves as a portion of the backdrop this incredible story has little to do with understanding how to play the game Rather it reports on the inconsistencies inherent within the American psyche People associated with this tale include nationally prominent politicians previous major figures from baseball and other sport royalty from abroad leaders of industry and other historical figures of note such as Thomas Edison Mark Twain and Madame Helena Petrovna Blavatsky Whether you're a history buff sports fan bibliophile student of business strategy or enjoy reading some fun stories from international destinations and any of several places across America ranging in size from Cedar Rapids to St Paul to Washington DC Chicago and New York City this book is for you In novel form the telling of the story places circumstances and related events into a striking historical perspective where much of what is

contained herein appears in print for the first time Being a knowledgeable sports fan won't help you here and the reader who thinks Americans in general are philosophically superior to people of other nations in all ways may wish to reconsider that perspective As to the importance and prevalence of truth that question is left for the reader to determine This book only addresses the mystery associated with the Ball of Lies

Reminiscences of Forts Sumter and Moultrie in 1860-'61 - Scholar's Choice Edition Abner Doubleday, 2015-02-19 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
