Zombies! A Love Story Maggie Shayne, 2022-08-12 At home, everything has changed. When vegan organic food-loving Suz returns to her hometown amid the red rocks of Arizona, everything is different. Her mother has morphed from a wilting wallflower into a gun-wielding sharpshooter, and the Frankenfood corporation she most loves to hate has built a processing plant on the edge of town. He's changed most of all. Her nerdy high school boyfriend Chuck has evolved into a card-carrying hunk, making her plan to let him down easy a little harder to carry out. As a matter of fact, she might not want to break up after all. Terror has moved into their hometown. But neither of them realize the biggest change of all not until it starts clawing at Suz's bedroom window in the middle of the night.

affair but I surely think and hope not I was convinced that she truly loved me through her words and actions At least I experienced a pure love that I had only dreamed was possible The story is told mainly through the exchange of letters and emails to each other Perhaps readers can experience and hopefully feel the deep love we felt for each other **Three Story Bible NLT** Tyndale, Tyndale House Publishers Staff, Youth for Christ, Youth for Christ International Staff, 2015 The Three Story Bible based on Youth for Christ's Three Story discipleship program encourages Christian teenagers to better understand how God's story overlaps with the story of their life and the lives of their friends resulting in deeper fellowship with each other and with God It's filled with 500 Connection Point Questions that inspire teens to read the Bible more closely and think about its application to their lives more carefully Over 150 Then Now features weave together the stories of young people today with Scripture in ways that equip teens to talk more openly about God and build deeper more genuine relationships with each other Relevant thought provoking and interactive the Three Story Bible invites teens to discover where their stories and God's story intersect through relational discipleship and engagement The New Living Translation breathes life into even the most difficult to understand Bible passages but even more powerful are stories of how people's lives are changing as the words speak directly to their hearts Evergreens: A dystopian love story and the quest for immortality Liam Brown, 2025-08-19 Winner of The Contemporary Romantic Novel Award 2024 What if you never had to grow old When Ben signs up for the Evergreens project a radical trial promising eternal youth he's convinced more time is all he needs to catch up to a world stacked against him Sophie the woman he loves isn't so sure Decades later Sophie sits by Ben's hospital bed as he ages before her eyes the truth behind Evergreens unraveling at last Racing against time she must uncover the dark secret at its core and decide what a life well lived truly means A gripping dystopian love story of power privilege and the fragile beauty of being human Evergreens is a reminder that it's never about how much time you have it's about how you use it Liam Brown is the author of five novels Real Monsters 2015 Wild Life 2016 Broadcast 2017 Skin 2019 and Evergreens 2023 His work has been published internationally translated into several languages and optioned by a major Hollywood studio He lives in Birmingham England with his wife and two children *U R God's Love Story* P.M.
