

A woman with long dark hair is lying in bed, covered with a white sheet. She is crying and holding her face with her arms, suggesting a moment of deep emotional pain or vulnerability. The background is softly blurred, showing a window with light coming through.

***Where there is love,
there is vulnerability

Love And Pain:

Love Pain And Faith Dr Siphiwe Hlubi, 2018-06-25 Most people are trying so hard to sustain unhealthy relationships not because they aren't good at it but just because of too many expectations and the lack of understanding the true meaning of a healthy relationship In this book I will highlight some common contributing factors to an unsustainable love relationship The title Love Pain And Faith is inspired by the fact that the word love cannot exist independently outside the word pain and faith In order for a relationship to be sustainable one has to endure pain and must have constant faith Not that you feel pain only when you are heart broken but also by not being able to do or give the best you can to ensure the sustainability of your relationship

In Love in Pain Janice Moss, 2015-10-10 In love In Pain reveals the strange but so true correlation between love and pain Being in love is associated with happiness and joy in the normal scheme of things But in reality there is often times so much pain associated with loving someone unconditionally This book addresses the many sources of pain associated with loving The pain of lies deceit disappointment discovery and the very harsh pain of being forced to accept reality instead of the perfect fantasy relationships we dream up for ourselves In Love in Pain is a study of how women behave in relationships It takes a candid look at the destructive behaviors women adopt while trying to find and maintain love It is the rational mind in touch with the emotions of a woman It is a candid look at how willing they are to give away parts of themselves to keep or attract men that if women truly are healthy they would not tolerate The book reads like a suspense romance novel style But can serve as a personal examination and inventory that each woman can use to evaluate her life Each story is a fictionalized depletion of a real life scenario Where a woman finds herself faced with important decisions that will affect and effect her life and relationships The stories of In Love In Pain are not designed to focus on men and how they treat women but on how the woman's behavior the woman's decisions and response to the stimuli created by love or obsession affects her life and her relationships Each woman in the stories had to make decisions about how she would pilot her own life and how she would determine when it was appropriate for her to cut her losses and come to grips with a relationship where the love is overshadowed by the pain The primary focus how each woman responds to what she perceives as love and how she behaves in order to try to keep that love In Love In Pain reveals the hard part of relationships and how women in love will put themselves in physical emotional spiritual and physical danger to keep the facade of a relationship that is not nourishing supportive or fulfilling Caitlyn Dedra Yasmine Marva and Sherese are in love Each one has some heavy decisions regarding that love Can love conquer all things Will Caitlyn's love be able to overcome her husband's second family Is Dedra's love enough to endure a prison term Will Yasmine's love be enough for her and her husband Will Marva and Sherese's love overcome a con artist and lazy man These women are faced with hard decisions but they don't have to face them alone Each character has a pot on the stove boiling and it's about to boil over Caitlyn finds out that everything she thought was her own is not Dedra realizes that if loving her baby daddy is wrong she finally wants to be right Yasmine

understands that love must be a two way street while Marva's heart unfortunately cashes a check one too many times for her husband and Sherese can't see the gift in her situation. If the truth be known, what many if not most of the characters are looking for is not love but rather an in love experience and that is exactly what they got. But they stayed too long and that experience turned to pain. Women, when you finish reading it, conveniently lay it around so that your man will pick it up. This book holds a very special message for men and women. I recently read this book and I would recommend this book to anyone who has loved someone too much only to find out they were not worthy of you. I went away from this book with a sense of hope and understanding of why people stay. The characters are people we know and love and in the best of trying to be there can be difficult and painful to watch. The author manages to give realistic outcomes for her characters. My hope is when you read this book you will know that you are not alone and there is help out there if you are willing to ask and accept it. *Love, Pain, and Poetry* Archita Nayak, 2022-12-19. I always keep a bloomed and a withered flower between the pages of my poetry to remind me it's an undeniable cycle: love withers and turns into pain and pain blooms and turns into love again. **The Eclipse of Love, Pain, and Happiness** Jac'Quail Mayes, 2010-10.
