Love Jones:

Real Sister Jervette R. Ward, 2015-11-02 From The Real Housewives of Atlanta to Flavor of Love reality shows with predominantly black casts have often been criticized for their negative representation of African American women as loud angry and violent Yet even as these programs appear to be rehashing old stereotypes of black women the critiques of them are arguably problematic in their own way as the notion of respectability has historically been used to police black women's behaviors The first book of scholarship devoted to the issue of how black women are depicted on reality television Real Sister offers an even handed consideration of the genre The book's ten contributors black female scholars from a variety of disciplines provide a wide range of perspectives while considering everything from Basketball Wives to Say Yes to the Dress As regular viewers of reality television these scholars are able to note ways in which the genre presents positive images of black womanhood even as they catalog a litany of stereotypes about race class and gender that it tends to reinforce Rather than simply dismissing reality television as trash this collection takes the genre seriously as an important touchstone in ongoing cultural debates about what constitutes trashiness and respectability Written in an accessible style that will appeal to reality TV fans both inside and outside of academia Real Sister thus seeks to inspire a more nuanced thoughtful conversation about the genre's representations and their effects on the black community Bare Wes L Lotus, 2013-10 Poetry is certainly a form of art that I appreciate When I want to express myself I write on paper and then I read my words out loud What I love most about poetry is that it has no boundaries and I personally believe that freedom of expression is poetry's best friend Poetry allows me to evolve in so many ways and challenges me to learn more and create art for the mind Sometimes I'm at a loss for words to write at times it takes minutes hours days and months for me to write a new piece Just like any relationship poetry requires patience dedication and understanding Anyone can write a poem if they put their mind to it but to write continuous poetry you need the passion for it Some may view my work as prose or spoken word to me personally they all come from the same family so if you are probably wondering what I write I write poetry **Speak...** Evelyn Page Lee, 2012-04-19 Speak when spoken to takes you through all types and rhythms of spoken word From Prayers to payback from lovers to cheaters beyond and back Experience real life through these pages of spoken word Vulgar yet sweet passionate yet bitter feelings hidden in between lines and lines of words that should have been said But life as we know it teaches us when and when not to speak when spoken to EPL *Lisa's Out Let's*, **Catalog of Copyright Entries** Library of Congress.
