

The background of the image is a close-up of a glass surface, likely a window, covered in numerous water droplets of varying sizes. A soft, ethereal light gradient is visible, transitioning from a deep red on the left side to a bright blue on the right side, with a yellowish-white glow in the center where the text is located. The overall mood is contemplative and serene.

From the Jar of Blessings Shawn Wells,2024-06-10 From the Jar of Blessings is a compilation of about 270 blessings and or inspirational quotes that were sent to me by family and friends over a period of eleven years I would write each blessing quote on bright colored squares of paper fold them up and put them in a big glass olive jar I have For this book I have taken each blessing and or quote and written my thoughts about them Some of the blessings quotes are deeply personal while

others are quite funny This book reminds us that God sends us blessings and inspiration on a regular basis whether it be a simple blessing such as a small act of kindness or a huge blessing such as sparing a life after what could have been a fatal accident All too often we are so busy that we don't take the time to focus on the blessings all around us Some of the blessings in this book were sent to me by adults and others were sent by kids For some reason kids have an easier time recognizing blessings One boy sent in the following blessing I am thankful a boy in my class spoke up and stopped someone from bullying me I was so blessed to know that there were students at the school who were willing to stand up for others Bullying is such a problem in our schools and it is so important that children and adults stand up against it The blessings quotes in this book deal with topics such as Alzheimer's disease caregiving lack of finances cancer and many more Hopefully the blessings and or quotes in this book will cause you to look at day to day life from a different perspective **Gospel Herald** ,1908

Encouragement from the Psalms Dr. B,2023-03-03 As James Brandon read and studied the Psalms over the years he came to realize that the Lord was talking to our souls through these ancient songs He was also struck by a book written in the 1800s by a man named Hawker who after reading one of the Psalms would exclaim Oh my soul what is this that thou hast found in the Holy Writ He would talk to his soul after reading the text The author began to read the Psalms and reflect on what each one said to his soul He has done that for fifty years In this book he focuses on Psalms forty two to seventy two the Exodus Book of the Psalms which encompasses restoration and redemption from bondage They are songs that teach salvation the doctrines of the faith and how to take care of your soul The Psalms are a wonderland of devotion They have enlightened the author's mind and encouraged his spirit They can do the same for you all while providing principles for living this life as you help others walk with the Lord Life's Lessons for Everyday Living Arnell Sanders,2006-11 31 DAYS TO A PERSONAL TURNAROUND Are you ready for a change If you are this is the book for you A thirty one day guide that was written for the sole purpose of assisting you in turning your life around This book covers such topics as Don't let your miracle pass you by You don't have to keep hurting The relationship may be over but your life isn't There are many more life's lessons in the pages of this book Each were written in hopes of motivating you toward change and to also leave its truth forever engraved in your thoughts You will learn lessons that if applied to your daily routine can create for you a future unlike anything you have ever known That will make such a dramatic difference you will wonder how you ever lived your life without them If it's a better tomorrow that you desire then pick up this small but powerful book and allow it take you on a journey unlike any you have ever known Arnell Sanders Giving the Blessing Gary Smalley,John T. The Closer We Get, the Clearer the Vision James Moody,2014-01-16 Worldwide turmoil and chaos have caused many to turn to biblical prophecy for answers only to become confused They then turn to those who profess to understand those prophecies and become even more confused because of the many different opinions Perhaps there is something major wrong with our understanding of the seven years we refer to as the tribulation The seven seals trumpets and vials are twenty one separate judgments or are they And they consume all seven of those years or do they Those seven years are filled with wrath or are they A major nuclear war could account for most of Gods wrath It is now biblically possible to see how all of Gods wrath will likely be confined to the last year of those seven years Previously it was a challenge to try and fit all the many other prophesized events into those seven years Now The Closer We Get the Clear the Vision makes it much easier The Bible is the best commentary for the Bible This book 1 titled Introducing the Pre Seventh Year Rapture Theory contains about nine hundred Bible verses and partial verses to support its conclusions with the least amount of commentary as possible for clarity Prepare to be utterly amazed as the results of these studies unveil concepts and possibilities that most of us have never considered or even imagined
