New Perspectives on Mary Elizabeth Braddon , 2015-06-29 Mary Elizabeth Braddon one of the most prolific authors of the Victorian period remains best known for her sensation fiction but over the course of a long career contributed to a multitude of literary genres working as a journalist short story writer and editor as well as authoring more than eighty novels This exciting new collection of essays reappraises Braddon s work and offers a series of new perspectives on her literary productions The volume is divided into two parts the first considers Braddon s seminal sensation novel Lady Audley s Secret the second examines some of her lesser known fiction including her first published novel The Trail of the Serpent as well as some of her twentieth century fiction The first collection of essays on Braddon to appear since 1999 this volume sheds new light on the Queen of the circulating libraries

Liberalism Versus Conservatism François B. Gérard, 2000 Everyone eschews labels yet we all seem to possess them in the minds of legions of politicians marketers and even the ever peering government We are being targeted daily by flaming liberals left wing liberals right wing conservatives compassionate conservatives religious conservatives and liberals pinko liberals middle of the road liberals conservatives and liberals pinko liberals middle of the road liberals and conservatives and of course by neoconservatives and neoliberals The search is on for kindred souls the types who will open their wallets to support whatever it is the hucksters are peddling But what to these concepts mean and do their torchbearers grasp the underlying philosophies or do they care This bibliography

lists over hundreds of entries under each category which are then indexed by title and author **No Room of Her Own** D. Hellegers, 2016-04-30 This oral history collection brings together extended interviews with fifteen women illuminating the part that gender roles play in ensnaring women in cycles of domestic abuse and homelessness and highlighting the physical stresses It also challenges liberal myths about homeless people and homeless women in particular **Finding Home: Policy Options for Addressing Homelessness in Canada**, 2009 Disruptive Christian Ethics Traci C. West, 2006-01-16 This book brings to the fore the difficult realities of racism and the sexual violation of women Traci West argues for a liberative method of Christian social ethics in which the discussion begins not with generic philosophical concepts but in the concrete realities of the lives of the socially and economically marginalized **A Feminist Glossary of Human Geography** Linda McDowell, Joanne P Sharp, 2014-05-01 A Feminist Glossary of Human Geography is the first guide to the main theories concepts and terms commonly used in geographical debates about gender relations Written by key contributors to feminist theory it contains over 400 lively and accessible definitions of the terms found in feminist debates which students of geography need to know Four levels of entry are used from 50 to 1500 words taking account of the varying degrees of complexity of the terms covered From AIDS to witch from abortion to whiteness this Glossary is cross referenced throughout and includes a comprehensive bibliography It is an invaluable reference for anyone studying geography and gender enabling them to approach the terminology of feminist theory and ideas with confidence Disrupting Homelessness Laura Stivers, 2011-04-01 Disrupting Homelessness unmasks the futile assumptions of our present approaches to homelessness and suggests ways in which Christians and Christian communities can create a prophetic social movement to end poverty and homelessness Some Christian organizations focus on fixing the person and the behaviors that contribute toward homelessness Others promote home ownership for low income households Stivers criticizes both approaches and assesses to what extent these approaches buy into our culture's dominant ideologies on housing and homelessness and whether they promote justice and liberation for the least well off She then outlines an advocacy approach for churches to address the multiple causes of homelessness and prophetically to aim to make a home for all in God's just and compassionate community *Homelessness in America* Robert Hartmann McNamara, 2008-08-30 Homelessness is one of the most compelling social problems in the United States Dating from the early years in Colonial America to the current problems relating to homeless women and children homelessness has been the topic of discussion of scholars social activists and policy makers Many types of social problems are linked to homelessness including poverty substance abuse foster care and crime As a result unpacking the issues has proven to be a challenge for anyone interested in this topic Homelessness in America offers an assessment of what is known about each segment of the homeless population which contrary to conventional belief is comprised of a wide variety of faces from many backgrounds It explains linkages to other social issues and provides a balanced overview of homelessness in light of the varying perspectives on the topic While much of what has been written about homelessness has

come from the academic perspective agendas often interfere with an accurate understanding of the problem Clearly there is a place for other types of perspectives including those that view homelessness through political and legal lenses These groups have provided us with a robust body of information within which we may better understand the questions relating to homelessness McNamara has brought together the voices of these groups in order to reveal the numerous political economic and social constraints that beset current attempts to solve homelessness In addition the commonly held belief that homelessness is a result of laziness or a poor work ethic is turned on its head to reveal that homelessness is truly a multifaceted and complex issue

Russian Women in Politics and Society Norma Corigliano Noonan,1996-10-21 An examination of women s roles in politics and society in the contemporary Russian Federation as it creates a new market economy and democratic course born of a millennium of history and nearly 75 years of authoritarian communist rule The stage is set in the introduction followed by an examination of the history of the Bolshevik socialist state in 1917 through the participation of women in recent multiparty elections in 1993 The tsarist and Communist gender culture is presented and the book then considers why and how the Soviet Union disintegrated Next the editors explore the reborn Russia of President Boris Yeltsin and women s rights under Soviet and post Soviet rule The book is enriched by statistical tables and glossaries of the names of leaders and terms for easy identification

Spanish Women in the Golden Age Alain Saint-Saens,Magdalena Sánchez,1996-02-13 The history of women in early modern Spain is a largely untapped field This book opens the field substantially by examining the position of women in religious political literary and economic life Drawing on both historical and literary approaches the contributors challenge the portrait of Spanish women as passive and marginalized showing that despite forces working to exclude them women in Golden Age Spain influenced religious life and politics and made vital contributions to economic and cultural life The contributors seek to incorporate the study of Spanish women into the current work on literary criticism and on the intersection of private and public spheres The authors integrate women into subfields of Spanish history and literature such as Inquisition studies the Spanish monarchy Spain s economic and political decline and Golden Age drama The essays demonstrate the necessity and value of incorporating women into the study of Golden Age Spain
