Raddall, 1999-07-01 *The Nymph and the Lamp. A Condensation, Etc. [Decorations by Henry Pitz.]*. Thomas H. Raddall, 1959 The Nymph and the Lamp, 2015 A Nova Scotia classic The Nymph and the Lamp is the story of Isabel Jardin a strong and sensitive woman and the men in her life the stoic Matthew Carney a living legend the passionate Gregory Skane and the innocent but infatuated Jim Sargent Set in the 1920s the story unfolds against the wild desolation of Marina a wind swept island off the coast of Nova Scotia as the characters come to terms with their personal contradictions and the demands of isolated island life The Nymph and the Lamp Thomas Head Raddall, 1968 *The Nymph and the Lamp* Thomas H. Raddall, John Matthews, 1971 **Setting in the East** David Craig Creelman, 2003 The Maritime region is thus torn between its memory of an earlier more prosperous and traditional social order and its present experience as a less fortunate modern industrial society These tensions are embedded in the Maritime character and have affected not only the lives of its people but the imaginations and texts of its writers BOOK JACKET **The Nymph and the Lamp** Thomas Head Raddall, John Matthews, 1965 **The Poetics of Impudence and Intimacy in the Age of Pushkin** Joe Peschio, 2012 In early nineteenth century Russia members of jocular literary societies gathered to recite works written in the lightest of genres the friendly verse epistle the burlesque the epigram the comic narrative poem the prose parody In a period marked by the Decembrist Uprising and heightened state scrutiny into private life these activities were hardly considered frivolous such works and the domestic insular spaces within which they were created could be seen by the Russian state as rebellious at times even treasonous Joe Peschio offers the first comprehensive history of a set of associated behaviors known in Russian as shalosti a word which at the time could refer to provocative behaviors like practical joking insubordination ritual humiliation or vandalism among other things but also to literary manifestations of these behaviors such as the use of obscenities in poems impenetrably obscure allusions and all manner of literary inside jokes One of the period's most fashionable literary and social poses became this complex of behaviors taken together Peschio explains the importance of literary shalosti as a form of challenge to the legitimacy of existing literary institutions and sometimes the Russian regime itself Working with a wide variety of primary texts from verse epistles to denunciations etiquette manuals and previously unknown archival materials Peschio argues that the formal innovations fueled by such prankish types of literary behavior posed a greater threat to the watchful Russian government and the literary institutions it fostered than did ordinary civic verse or overtly polemical prose *Slaves of the Lamp* George Bronson-Howard, 1917 *The Nymph and the Lamp* Thomas Head Raddall, 1963 *Profiles in Canadian Literature* Jeffrey M.
