Mechanical Systems, Classical Models Petre P. Teodorescu, 2009-09-30 All phenomena in nature are characterized by motion Mechanics deals with the objective laws of mechanical motion of bodies the simplest form of motion In the study of a science of nature mathematics plays an important r le Mechanics is the first science of nature which has been expressed in terms of mathematics by considering various mathematical models associated to phenomena of the surrounding nature Thus its development was influenced by the use of a strong mathematical tool As it was already seen in the first two volumes of the present book its guideline is precisely the mathematical model of mechanics The classical models which we refer to are in fact models based on the Newtonian model of mechanics that is on its five principles i e the inertia the forces action the action and reaction the independence of the forces action and the initial conditions principle respectively Other models e g the model of attraction forces between the particles of a discrete mechanical system are part of the considered Newtonian model Kepler s laws brilliantly verify this model in case of velocities much smaller then the light velocity in vacuum **Jean Bodin** JulianH. Franklin, 2017-07-05 In the course of a lifetime Jean Bodin aimed at nothing less than to encompass all the disciplines of his age in a huge encyclopedia of knowledge In many areas his ideas have been not only original but seminal He made major contributions to historiography philosophy of history economics political science comparative public law and policy religion and national philosophy This volume brings together a selection of major articles in English representing almost all of his intellectual interests It is an essential collection for libraries and scholars in both humanities and social sciences **The Hole Truth** Bill Felber, 2019 Ever wonder whether Tiger Woods in his prime would have beaten Bobby Jones Ben Hogan or Jack Nicklaus in their primes And could any of them have beaten Babe Zaharias Obviously if Bobby Jones were returned to life and health and then given his old hickory shafted mashie persimmon headed driver and rubber core ball

in a match against Jordan Spieth the outcome would be foreordained But what if the impact of the training equipment courses and traveling conditions could be neutralized in order to create a measurement Now for the first time questions are answered about the relative abilities of the greatest players in the history of professional golf In *The Hole Truth* Bill Felber provides a relativistic approach for evaluating and comparing the performance of golfers while acknowledging the game s changing nature *The Hole Truth* analyzes the performances of players relative to their peers creating an index of exceptionality that automatically factors the changing nature of the game through time That index is based on the standard deviation of the performances of players in golf s recognized major championships dating back to 1860 More than two hundred players are rated in comparison with one another more than sixty of them in detail with profiles providing context on their ranking For the dedicated golf fan *The Hole Truth* is an engaging way to see in the numbers where their favorite golfers rank across eras and where current players like Rory McIlroy and Inbee Park compare to the game s greats

The Politics of Manhood Michael Kimmel, 2009 A much needed often startling debate on the personal and political dimensions of masculinity

Lord of Janissaries Jerry Pournelle, Roland J. Green, 2015-08-16 Three best selling Jerry Pournelle masterpieces in one volume for the first time *Janissaries* and *Tran* A modern soldier is transported by aliens to a world filled with warriors through the ages including medieval knights Roman soldiers His task survival *Janissaries* Some days it just didn t pay to be a soldier Captain Rick Galloway and his men had been talked into volunteering for a dangeorus mission only to be ruthlessly abandoned when faceless CIA higher ups pulled the plug on the operation They were cut off in hostile territory with local troops and their Cuban advisors rapidly closing in And then the alien spaceship landed *Clan and Crown* and *Storms of Victory* He didn t want to conquer the world He had to Captain Rick Galloway formerly of the US Army more recently a mercenary commander was now Lord Rick on the planet *Tran* Rescued by an alien spaceship from certain death when a mercenary assignment went sour he and his men were dropped on a world distant from Earth but inhabited by humans transplanted in the past from medieval Europe from Imperial Rome and from other now vanished nations Now the time of the *Demon Star* approaches whose close approach and fierce heat will render much of *Tran* uninhabitable To survive this fiery apocalypse the warring nations of *Tran* must be united Lord Rick doesn t want to conquer the world but the alternative is certain extinction At the publisher s request this title is sold without DRM Digital Rights Management About *Janissaries* On the cover is the claim No 1 Adventure Novel of the Year And well it might be *Milwaukee Journal*
