

Paul H Nitze On Foreign Policy

Katrin Zwirgmaier

Paul H Nitze On Foreign Policy:

Paul H. Nitze on Foreign Policy Paul H. Nitze, 1989-10-26 The distinguished New York Times columnist James Reston has observed that few if any Americans have served their government with greater distinction over a longer period of time than President Reagan's Secretary of State on arms control matters Paul H Nitze This volume brings together some of his most important essays articles speeches correspondence and public papers on foreign policy and national security and arms control

Communitarian Foreign Policy Nikolas K. Gvosdev, 2017-07-05 This volume establishes Amitai Etzioni's communitarian approach to international relations as a distinct school of American foreign policy thought Nikolas K Gvosdev systematically evaluates Etzioni's ideas tracing their origins during the Cold War and their relevance to current challenges in Asia and the Middle East and considering their strengths and weaknesses Etzioni agrees with liberal internationalists who believe that traditional notions of state sovereignty are eroding and that a new set of global norms is required However he argues against the imposition of Western policies on the rest of the world which he sees as a recipe for conflict which the United States cannot afford He warns against the post Cold War triumphalism arguing that it undercuts efforts to find necessary common ground with both Russia and China An enduring and stable global architecture cannot be maintained unless it appeals to the interests of a broad community of nations The trust that is needed for forming closer associations between nations and to have a productive dialogue on human rights can only come about through the voluntary coordination of states forced to combat an increasing array of transnational threats

US Foreign Policy and the Gulf Wars Ahmed Ijaz Malik, 2014-12-09 The US led coalition which launched an invasion of Iraq on 20 March 2003 led to a decade long military presence in the country In the run up to that invasion many comparisons were made with the 1991 Gulf War Ahmed Ijaz Malik takes these two instances of military intervention by Republican US governments to highlight how the official discourse of leaders and decision makers has an impact on foreign policy and its results By taking these two examples he examines how discourse affects real events and the extent to which the legacy of the Cold War has influenced the decisions which are made at the upper echelons of the US government US Foreign Policy and the Gulf Wars critically analyses the post Cold War liberal cosmopolitan and realist discourses related to these two instances of US military intervention Using an approach which Malik labels critical realism this book examines the ways in which discourses often act as ideological covers for material interests whilst still not holding a deterministic view whereby these interests alone shape policies From this perspective this book assesses the themes of Just War humanitarianism and cosmopolitanism It furthermore uses the approach of critical realism to engage with a variety of arguments on the emerging role of the US as they were displayed in academic discourses and other intellectual contributions around each of the 1991 and 2003 wars Malik relates these discussions to an analysis of the official discourses documents and policies displayed prior to the 1991 and 2003 wars as well as to an examination of the resulting actual conduct Since the implications of the US military presence in the Middle East are

so central to the study of International Relations and Security Studies this book will be invaluable for specialists in these disciplines as well as for those interested in policy formation and the wider Middle East

Foreign Policy and Mutual Security United States. Congress. House. Committee on Foreign Affairs,1956

Nuclear Weapons And Foreign Policy Henry A Kissinger,2019-03-13 In this book Professor Kissinger examines the framework of our foreign policy the stresses to which that framework is being subjected and the prospects for world order in an era of high international tension The three essays were written before Professor Kissinger took leave from Harvard to serve as Assistant to President Nixon for National Security

The New Russian Foreign Policy Michael Mandelbaum,1998 This book surveys Russia's relations with the world since 1992 and assesses the future prospect for the foreign policy of Europe's largest country Together these essays offer an authoritative summary and assessment of Russia's relations with its neighbors and with the rest of the world since the collapse of the Soviet Union

Report on Foreign Policy and Mutual Security United States. Congress. House. Committee on Foreign Affairs,1957

United States Foreign Policy United States. Congress. Senate. Committee on Foreign Relations,1961

United States Foreign Policy for a Post-war Recovery Program United States. Congress. House. Committee on Foreign Affairs,1948 Reviews U S foreign policy objectives in the light of proposed economic recovery programs for Western Europe and China and the continuation of military and economic assistance to Greece and Turkey

George F. Kennan and the Making of American Foreign Policy, 1947-1950 Wilson D. Miscamble, C.S.C.,2021-04-13 When George C Marshall became Secretary of State in January of 1947 he faced not only a staggering array of serious foreign policy questions but also a State Department rendered ineffective by neglect maladministration and low morale Soon after his arrival Marshall asked George F Kennan to head a new component in the department's structure the Policy Planning Staff Here Wilson Miscamble scrutinizes Kennan's subsequent influence over foreign policymaking during the crucial years from 1947 to 1950

Practical Lessons from US Foreign Policy James E. Goodby,Kenneth Weisbrode,2019-11-05 In foreign policy the Trump administration has appeared to depart from long standing norms of international behavior that have underwritten American primacy for decades in a more interdependent and prosperous world In this book a diplomat and a historian revisit that perception by examining and reproducing several of their own essays during the past twenty years The essays reveal that Trump's style exaggerates tendencies towards unilateralism already present in the actions if not the policies of previous presidents and in their neglect of three imperatives collective security regional integration and diplomatic imagination It is not too late however to remedy the problem by learning the lessons of the recent past

First Concurrent Resolution on the Budget--fiscal Year 1977 United States. Congress. Senate. Committee on the Budget,1976

The International Politics of

Eurasia: v. 4: The Making of Foreign Policy in Russia and the New States of Eurasia S. Frederick Starr, Karen Dawisha, 2024-11-01 This ambitious ten volume series develops a comprehensive analysis of the evolving world role of the post Soviet successor states Each volume considers a different factor influencing the relationship between internal politics and international relations in Russia and in the western and southern tiers of newly independent states The collapse of the Soviet Union and the discrediting of Marxism Leninism as a source of political legitimacy have prompted a search for fresh principles of political organization that will shape the nature of political culture in all the post Soviet countries This volume looks at the making of foreign policy in Russia and the new states of Eurasia **The Future of European Foreign Policy**

Erik Jones, Saskia van Genugten, 2013-10-31 The future of European foreign policy is of vital significance to the developing world order The failure of US policy in Iraq has underscored the need for Europe to play a constructive global role Nevertheless divisions within Europe over the Iraq war and over the future development of the European Union have raised questions about the potential for an effective European foreign policy whether organized through EU institutions or via individual member states This book will consider why Europe should assume global responsibilities how they will be organized institutionally whether they will be adequate to address pressing regional and security concerns and how they will reflect the foreign policy interests of Europe s major powers It is the intention of this book to cover both thematic and country specific issues ranging from Europe s responsibility as a global actor and EU NATO relations to the specific influence of Germany France Italy and the United Kingdom The contributors come from across the European Union and represent a mix of established and rising scholars This book was published as a special issue of the Journal of European Integration

Organizing for National Security United States. Congress. Senate. Government Operations, 1961 Iran's Foreign Policy in the South Caucasus Marzieh Kouhi-Esfahani, 2019-01-10 Iran s role as a regional power is more significant than many in the West may realise The country lies between Central Asia the Caucasus and the Gulf region on the one hand and on the other between the Mediterranean Levant region and South Asia Many of these areas are of increasing strategic importance This book explores Iran s role as a regional power focusing on relations with South Caucasus countries Azerbaijan and Armenia It outlines the historical context including Persia s rule of these countries before the nineteenth century and discusses Iran s approach to foreign and regional policy and how both internal and international factors shape these policies The book assesses Iran Azerbaijan and Iran Armenia bilateral relations to demonstrate how those policies translate in Iran s regional and bilateral relations The book concludes by considering how Iran s relations in the region are likely to develop in the future *The Reagan Administration* Helga Haftendorn, Jakob Schissler, 2019-08-01 To celebrate the 270th anniversary of the De Gruyter publishing house the company is providing permanent open access to 270 selected treasures from the De Gruyter Book Archive Titles will be made available to anyone anywhere at any time that might be interested The DGBA project seeks to digitize the entire backlist of titles published since 1749 to ensure that future

generations have digital access to the high quality primary sources that De Gruyter has published over the centuries
