Love And Awakening Discovering The Sacred Path Of Intimate Relationship:

Love and Awakening John Welwood, 1996 Combining practical advice like that of Harville Hendrix with spiritual teaching like those of Thomas Merton the bestselling author of Journey of the Heart Challenge of the Heart and Awakening the Heart creates an extraordinary book about the sacred power of intimate relationships **Perfect Love, Imperfect Relationships** John Welwood, 2007-03-27 A nationally known couples therapist reveals the single root cause of all relationship problems and offers revolutionary advice on what to do about it While most of us have moments of loving freely and openly it is often hard to sustain this where it matters most in our intimate relationships If love is so great and powerful why are human relationships so challenging and difficult If love is the source of happiness and joy why is it so hard to open to it fully and let it govern our lives In this book John Welwood addresses these questions and shows us how to overcome the most fundamental obstacle that keeps us from experiencing love's full flowering in our lives Perfect Love Imperfect Relationships begins by showing how all our relational problems arise out of a universal wound of the heart that affects not only our personal relationships but the quality of life in our world as a whole This core wound shows up as a pervasive mood of unlove a deep sense that we are not intrinsically lovable just as we are It shuts down our capacity to trust so that even though we may hunger for love we have difficulty opening to it and letting it circulate freely through us This book takes the reader on a powerful journey of healing and transformation that involves learning to embrace these imperfections within ourselves and within our relationships as trail markers along the path to great love It sets forth a process for releasing deep seated grievances we hold against others for not loving us better and against ourselves for not being better loved And it shows how our longing to be loved can magnetize the great love that will free us from looking to others to find ourselves Written with penetrating realism and a fresh lyrical style that honors the subtlety and richness of our relationship to love itself this revolutionary book offers profound and practical guidance for healing our lives as well as our embattled world **The journey of love in couples** Jessica Riberi, Inge Ludvigsen, 2021-01-20 A couple's relationship is not just about two people Numerous unconscious psychological scripts from the collective sphere and mandates inherited from family history affect our way of living love one of the most significant human experiences The psychotherapists and Master Trainer in NLP Jessica Riberi and Inge Ludvigsen combine their professional and teaching experience in Chile and Denmark and propose a system to align six energy fields that promote and strengthen the love bond Jessica Riberi and Inge Ludvigsen have written a delightful and very helpful guide to how archetypal forms that is the patterns of the universal energies of human being can support and transform intimate relationships They are especially good in describing how to develop more mature and generative levels of each universal energy I highly recommend it to both people helpers as well as those seeking deeper intimacy connections Stephen Gilligan psychologist author of The Courage to Love and The Hero's Journey with Robert Dilts What could be more important and timely than having pathways to bring more quality into our relationships We are relational

beings seeking the connections for outcomes of life partners families work spaces and communities Connection is there but managing these connections is quite a different order This is where archetypes guide us by reflecting back an ideal Not that we ever really get to the ideal but they remind us to bring awareness to the learning and the nurturing of the relationships that bring the joy to our lives Thank you so much for this book The Journey of love in couples as it also can bring us some hope for our inner and outer peace Judith DeLozier anthropologist coauthor of Turtle all the way down with John Grinder and Encyclopedia of Systemic NLP with Robert Dilts

Erotic Mentoring Janice Hocker Rushing, 2016-06-16 They re everywhere in the academy young bright women mentored by older scholars usually men who attempt to mold them into their own masculine ideals Janice Hocker Rushing s study of over 200 women and their life transformations is the subject of this eloquent book Using the tropes of mythology and Jungian psychology the author characterizes the many paths these women s academic lives take as Muse for a faltering older scholar as Mistress or wife as the dutiful academic daughter Their resistance to this power differential also takes many forms as a Veiled Woman silent in public but active in private or the Siren using her sexuality to beat the system Ultimately Rushing arrives at the myth of Eros and Psyche where women s self understanding and personal development turns her erotic mentoring into an autonomous whole and free life unfettered by any man These women s stories and Rushing s literary and literate framing of their lives will ring true to many in the university

relationship Cultivating these qualities promotes deep spiritual partnership and long term intimacy This book offers both principles and practices for those who feel they may be ready to engage this kind of soul centered learning Russell

Love's Revolution Maria P. P. Root,2001 When the Baby Boom generation was in college the last miscegenation laws were declared unconstitutional but interracial romances retained an aura of taboo Since 1960 the number of mixed race marriages has doubled every decade Today the trend toward intermarriage continues and the growing presence of interracial couples in the media on college campuses in the shopping malls and other public places draws little notice Love s Revolutiontraces the social changes that account for the growth of intermarriage as well as the lingering prejudices and false beliefs that oppress racially mixed families For this book author Maria P P Root a clinical psychologist interviewed some 200 people from a wide spectrum of racial and ethnic backgrounds Speaking out about their views and experiences these partners family members and children of mixed race marriages confirm that the barriers are gradually eroding but they also testify to the heartache caused by family opposition and disapproving strangers Root traces race prejudice to the various institutions that were structured to maintain white privilege but the heart of the book is her analysis of what happens when people of different races decide to marry Developing an analogy between families and types of businesses she shows how both positive and negative reactions to such marriages are largely a matter of shared concepts of family rather than individual feelings about race She probes into the identity issues that multiracial children confront and draws on her clinical experience to offer child rearing recommendations for multiracial families Root s Bill of Rights for Racially Mixed People is a document that at once empowers multiracial people and educates those who ominously ask What about the children Love s Revolutionpaints an optimistic but not idealized picture of contemporary relationships The Ten Truths about Interracial Marriage that close the book acknowledge that mixed race couples experience the same stresses as everyone else in addition to those arising from other people s prejudice or curiosity Their divorce rates are only slightly higher than those of single race couples which suggests that their success or failure at marriage is not necessarily a racial
